**Mrs. Stanton's Bible** Kathi Kern, 2018-09-05 Mrs Stanton's Bible traces the impact of Elizabeth Cady Stanton's religious dissent on the suffrage movement at the turn of the century and presents the first book length reading of her radical text the Woman's Bible Stanton is best remembered for organizing the Seneca Falls convention at which she first called for women's right to vote Yet she spent the last two decades of her life working for another cause women's liberation from religious oppression Stanton came to believe that political enfranchisement was meaningless without the systematic dismantling of the church's stifling authority over women's lives In 1895 she collaboratively authored this biblical exegesis just as the women's movement was becoming more conservative Stanton found herself arguing not only against male clergy members but also against devout female suffragists Kathi Kern demonstrates that the Woman's Bible itself played a fundamental role in the movement's new conservatism because it sparked Stanton's censure and the elimination of her fellow radicals from the National American Woman Suffrage Association Mrs Stanton's Bible dramatically portrays this crucial chapter of women's history and facilitates the understanding of one of the movement's most controversial texts [The Woman's Bible](#) Elizabeth Cady Stanton, **The Woman's Bible** Elizabeth Stanton, 2016-02-27 Why buy our paperbacks Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low quality sellers Don't buy cheap paperbacks just to save a few dollars Most of them use low quality papers binding Their pages fall off easily Some of them even use very small font size of 6 or less to increase their profit margin It makes their books completely unreadable How is this book unique Unabridged 100% Original content Formatted for e reader Font adjustments biography included Illustrated About The Woman's Bible by Elizabeth Cady Stanton The Woman's Bible is a two part non fiction book written by Elizabeth Cady Stanton and a committee of 26 women published in 1895 and 1898 to challenge the traditional position of religious orthodoxy that woman should be subservient to man By producing the book Stanton wished to promote a radical liberating theology one that stressed self development The book attracted a great deal of controversy and antagonism at its introduction *The Woman's Bible* Elizabeth Cady Elizabeth Cady Stanton, 2016-06-10 Why buy our paperbacks Unabridged 100% Original content Printed in USA on High Quality Paper 30 Days Money Back Guarantee Standard Font size of 10 for all books Fulfilled by Amazon Expedited shipping BEWARE OF LOW QUALITY SELLERS Don't buy cheap paperbacks just to save a few dollars Most of them use low quality papers binding Their pages fall off easily Some of them even use very small font size of 6 or less to increase their profit margin It makes their books completely unreadable About The Woman's Bible by Elizabeth Cady Stanton The Woman's Bible is a two part non fiction book written by Elizabeth Cady Stanton and a committee of 26 women published in 1895 and 1898 to challenge the traditional position of religious orthodoxy that woman should be subservient to man By producing the book Stanton wished to promote a radical liberating theology one that stressed self development The book attracted a great deal of controversy and antagonism at its

Ginzberg, 2010-08-31 Elizabeth Cady Stanton was a brilliant activist intellectual That nearly all of her ideas that women are entitled to seek an education to own property to get a divorce and to vote are now commonplace is in large part because she worked tirelessly to extend the nation's promise of radical individualism to women In this subtly crafted biography the historian Lori D Ginzberg narrates the life of a woman of great charm enormous appetite and extraordinary intellectual gifts who turned the limitations placed on women like herself into a

universal philosophy of equal rights Few could match Stanton s self confidence loving an argument she rarely wavered in her assumption that she had won But she was no secular saint and her positions were not always on the side of the broadest possible conception of justice and social change Elitism runs through Stanton s life and thought defined most often by class frequently by race and always by intellect Even her closest friends found her absolutism both thrilling and exasperating for Stanton could be an excellent ally and a bothersome menace sometimes simultaneously At once critical and admiring Ginzberg captures Stanton s ambiguous place in the world of reformers and intellectuals describes how she changed the world and suggests that Stanton left a mixed legacy that continues to haunt American feminism

Wellman works upward from richly detailed documentary evidence to construct a complex tapestry of causes that lay behind the convention bringing the struggle to life Her approach results in a satisfying combination of social community and reform history with individual and collective biographical elements The Road to Seneca Falls challenges all of us to reflect on what it means to be an American trying to implement the belief that all men and women are created equal both then and now A fascinating story in its own right it is also a seminal piece of scholarship for anyone interested in history politics or gender
