The Thoughtful Dresser Linda Grant,2010-04-20 You can t have depths without surfaces says Linda Grant in her lively and provocative new book The thoughtful Dresser a thinking woman s guide to what we wear For centuries an interest in clothes has been dismissed as the trivial pursuit of vain empty headed women Yet clothes matter whether you are interested in fashion or not because how we choose to dress defines who we are How we look and what we wear tells a story Some stories are simple like the teenager trying to fit in or the woman turning fifty renouncing invisibility Some are profound like that of the immigrant who arrives in a new country and works to blend in by changing the way she dresses or of the woman whose hat saved her life in Nazi Germany The Thoughtful Dresser celebrates the pleasure of adornment and is an elegant meditation on our relationship with what we wear and the significance of clothes as the most intimate but also public expressions of our identity
