The Berkeley Literary Women's Revolution Marsha Hudson, Bridget Connelly, Doris Earnshaw, 2005 Even during the late 1960s academia remained largely the province of men That began to change at the University of California at Berkeley in 1969 when Marsha Hudson posted notices across campus proposing a feminist literary salon The purpose was to discuss women s literature a few female writers received passing notice in the classroom but the multitude was either ignored or forgotten The informal gatherings continued for years growing into an activist movement that established the first Women s Studies major at Berkeley helped produce the first major anthologies of women s poetry and fought for equality and recognition in every corner of the education system They risked their academic futures in the process but the efforts of those women and others helped change the face and shape of higher learning forever These 16 essays were written by members of Marsha s Salon and its successors the Comparative Literature Women s Caucus a group of female graduate students at UC Berkeley organized in 1969 by Marsha Hudson The group met for years and helped lead the charge to bring sexual equality to all facets of education These annotated essays recount the atmosphere of the time that made change necessary the upheaval brought about by the feminist revolution in education the direction that the movement took and the current state of feminist learning in academia An appendix features period letters and documents from group members regarding the need for changes at Berkeley as well as statistical information about women s studies and related subjects *Still No Word From You* Peter Orner, 2023-10-24 Longlisted for the PEN Diamonstein Spielvogel Award for the Art of the Essay A new collection of pieces on literature and life by the author of *Am I Alone Here* a finalist for the NBCC Award for Criticism Stationed in the South Pacific during World War II Seymour Orner wrote a letter every day to his wife Lorraine She seldom responded leading him to plead in 1945 Another day and still no word from you Seventy years later Peter Orner writes in response to his grandfather s plea Maybe we read because we seek that word from someone from anyone From the acclaimed fiction writer about whom Dwight Garner of *The New York Times* wrote You know from the second you pick him up that he s the real deal comes *Still No Word from You* a unique chain of essays and intimate stories that meld the lived life and the reading life For Orner there is no separation Covering such well known writers as Lorraine Hansberry Primo Levi and Marilynne Robinson as well as other greats like Maeve Brennan and James Alan McPherson Orner s highly personal take on literature alternates with his own true stories of loss and love hope and despair In his mother s copy of *A Coney Island of the Mind* he s stopped short by a single word in the margin YES which leads him to conjure his mother at twenty three He stops reading Penelope Fitzgerald s *The Beginning of Spring* three quarters of the way through because he knows that finishing the novel will leave him bereft Orner s solution is to start again from the beginning to slow the inevitable heartache *Still No Word from You* is a book for anyone for whom reading is as essential as breathing **Literature and Aging** Martin Kohn, Carol C. Hart,Phillip Leininger,1995-10-12 For more than half a century James D Hart s The Oxford Companion to American Literature has been

an unparalleled guide to America's literary culture providing one of the finest resources to this country's rich history of great writers. Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters. For the sixth edition, editors James D. Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982. To this end, they have revised the entries on such established authors as Saul Bellow, Norman Mailer, and Joyce Carol Oates, and they have added more than 180 new entries on novelists T. Coraghessan Boyle, Tim O'Brien, Louise Erdrich, Don De Lillo, poets Rita Dove, Weldon Kees, playwrights Wendy Wasserstein, August Wilson, popular writers Stephen King, Louis L. Amour, historians James M. McPherson, David Herbert Donald, William Manchester, naturalists Aldo Leopold, Edward Abbey, and literary critics Camille Paglia, Richard Ellmann. In addition, the Companion boasts more women's, African American, and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman, M. F. K. Fisher, William Least Heat Moon, Ursula Le Guin, and Oscar Hijuelos among many others. These additions represent only some of the revisions for the new edition. Of course, the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever. With over 5,000 total entries, *The Oxford Companion to American Literature* reflects a dynamic balance between past and contemporary literature, surveying virtually every aspect of our national literature from the Pulitzer Prize to pulp fiction and from Walt Whitman to William F. Buckley Jr. There are over 2,000 biographical profiles of important American authors with information regarding their styles, subjects, and major works, and influential foreign writers as well as other figures who have been important in the nation's social and cultural history. There are more than 1,100 full summaries of important American novels, stories, essays, poems with verse form, noted plays, biographies, and autobiographies, tracts, narratives, and histories. The new edition provides historical background and astute commentary on literary schools and movements, literary awards, magazines, newspapers, and a wide variety of other matters directly related to writing in America. Finally, the book is thoroughly cross-referenced and features an extensive and fully updated index of literary and social history. Ranging from Captain John Smith to John Updike and from Anne Bradstreet to Anne Rice, the sixth edition of *The Oxford Companion to American Literature* is up to date, accurate, and comprehensive—a delight for both the casual browser and the serious student.

The New Biographical Dictionary of Film David Thomson, 2010. Thomson, independent scholar, writing of *The Biographical Dictionary of Film*, aka *A Biographical Dictionary of the Cinema*. 1975 edition described it as a personal, opinionated, and obsessive biographical dictionary of the cinema. Thirty-five years and several editions later, that description still holds true of this expanded work. The new dictionary summarizes salient facts about its subjects' lives and discusses their film credits in terms of the quality of the filmmakers' work. In ambition, it has competitors including Leslie Halliwell's various editions of *Halliwell's Filmgoers Companion* (12th ed. 1997) and *Halliwell's Who's Who in the Movies*, edited by John Walker (4th ed. rev. and updated 2006), which cover films and technical terms, categories not included in Thomson's but whose entries are neutral and exceedingly brief. Additionally, Francophile Richard

Roud's edited *Cinema A Critical Dictionary The Major Filmmakers 2* v 1980 is as passionate a work as Thomson's but narrower in scope with entries written by various experts rather than only by Roud. Finally the multivolume magnum opus *The International Dictionary of Films and Filmmakers* 4th ed 2000 ed by T Pendergast and S Pendergast 2nd ed ed by N Thomas v 1 CH May 91 1st ed ed by C Lyon v 1 2 CH Jan 85 v 3 CH Apr 87 v 4 5 CH Jun 88 covers everything films directors actors writers and production artists with generous measured scholarly entries and lavish illustrations. However it looms large and heavy unlike the handy one volume work by Thomson. Arguably Thomson's work for its scope is the most fun the most convenient and the most engaging title. All libraries supporting people interested in film should buy it. It will get lots of use and provide very good value for the money.
