Mrs Sartoris:

Mrs. Sartoris Elke Schmitter, 2007-12-18 An international sensation Elke Schmitter's explosive debut novel presents a modern day twist on Madame Bovary Margarethe can remember very clearly the last time she was happy she was eighteen prized for her beauty and swept off her feet by her wealthy dashing boyfriend Then he left her For the last twenty years she has lived in a provincial German town with her dependable husband her self directed daughter and her adoring mother in law Her life has been one of numbing predictability until she meets Michael a married man who stirs her from her resignation delivering her to heights of rapture only to ignite far more destructive passions An erotic psychologically charged thriller narrated with chilling dispassion Mrs Sartoris opens a bracing portal onto obsession and the crucible of love **Equestrian Drama** Kimberly Poppiti, 2022-08-30 Equestrian Drama An Anthology of Plays is a collection of four representative equestrian dramas It includes four annotated plays Timour the Tartar by Matthew G Lewis The Battle of Waterloo by J H Amherst Mazeppa by Henry M Milner and The Whip by Henry Hamilton and Cecil Raleigh An introduction precedes the collection providing the information necessary to understand and contextualize the genre and the plays as both written and performance texts and within the time period of their original productions as well as within the larger histories of theatre and equestrian entertainments Additional related plays are identified excerpted and explored providing readers with a wide range of examples to better understand the development and significance of this unique form of popular theatre Also identified and explored are significant contributions made to stage technology and design by the patented stage machinery designed for the production of the mechanized form of equestrian drama which became popular in the late nineteenth century Equestrian Drama is suitable for undergraduate graduate and professional students in theatre history dramatic literature performance studies and equine studies An online supplement to this book is available to provide readers with additional content relating to this collection including original English language translations of La Fille Hussard and Rognolet and Passe Carreau as well as the full annotated text of Turpin's Ride to York **Anny** Henrietta Garnett, 2011-02-28 Anne Thackeray Ritchie daughter of the author of Vanity Fair and step aunt of Virginia Woolf was also a fine writer Based on new and original research this enchanting and evocative memoir paints the world of Anny's intricate web of relations and friends children's parties with the Dickens family holidays with Julia Margaret Cameron and the Tennysons intimate scenes with Browning in Rome and Ruskin on Lake Coniston In addition we read about Anny's own inner life her near obsession with her father William Makepeace Thackeray her escape into writing her startling marriage to her second cousin and her godson and the story of her sister Minny's passionate marriage to Leslie Stephen We also learn of Stephen's second wife Julia Jackson mother of Vanessa Bell and Virginia Woolf Meticulously researched this intimate story draws not only on a wealth of letters journals hitherto unpublished sketches and photographs but also on family legends passed down to the author through four generations Illuminating comic and touching Anny reads like a novel presenting a unique portrait of the rich literary world
