Research Catalogue American Geographical Society of New York,1962 [Mountaineering and Its Literature](#) Jill Neate,1980 Few areas of human endeavor and adventure have such an extensive literature as does mountaineering perhaps because the activity itself is so diverse ranging from gymnastic feats of modern rock climbers through alpinism to Himalayan conquests and exploration Even before Edward Whymper climbed the Matterhorn in 1865 and wrote the celebrated *Scrambles in the Alps* mountaineers had felt compelled to record their adventures and their sense of wonder at the mountain world In recent years the literature has expanded considerably to account for the phenomenal growth of mountain activities Expeditions are now commonplace and the great mountain ranges are no longer beyond the reach of the average climber This extensive bibliography describes works on mountaineering published in the English language since 1744 But it's far more than a dry catalog of books as author Neate gives notes which help the reader assess as book's reliability and significance An indispensable reference for the active climber would be explorer and bibliophile alike [2001 American Alpine Journal](#) , Articles on all significant climbs of 2000 Authors include some of the finest climbers of our time such as Scott Backes Marko Prezelj Valeri Babanov and Thomas Huber as well as virtuoso newcomers Jonathon Copp and Ian Parnell More than 150 photos maps and topos This latest volume of climbing's journal of record offers the most complete picture available of who did what in 2000 Jonathon Copp relates the stunning accomplishments of his light and fast Karakoram expedition with Michael Pennings while Steve House and Rolando Garibotti discuss the state of the art in Alaskan and Patagonian alpinism If it happened in the world of climbing it's in the AAJ Founded in 1902 the American Alpine Club AAC is the leading national organization devoted to mountaineering and rock climbing to the conservation and study of mountainous regions and to representing the interests of the American climbing community The AAC is based in Golden Colorado **Whitaker's Book List** ,1991 **Dictionary Catalog of the Department Library** United States.
