Cross, 2008 When did maturity become the ultimate taboo Men have gone from idolizing Cary Grant to aping Hugh Grant shunning marriage and responsibility well into their twenties and thirties Gary Cross renowned cultural historian identifies the boy man and his habits examining the attitudes and practices of three generations to make sense of this gradual but profound shift in American masculinity Cross matches the rise of the American boy man to trends in twentieth century advertising popular culture and consumerism and he locates the roots of our present crisis in the vague call for a new model of leadership that ultimately failed to offer a better concept of maturity *Key Behavioral Effects of the Mass Media* Roger Haney, 2024-05-09 This text provides empirical research on some of the most controversial media issues of our times The first chapter investigates such issues as the effects of viewing erotica How are users affected Are rapists users and are they affected Are there therapeutic effects of viewing erotica The second chapter covers how violent depictions affect violence in society What are the findings of various government commissions and other research on depictions of media violence The third chapter presents theories on causes and prevention of violence Are viewers desensitized to violence in society Does long term viewing affect more aggressive behavior Are there ways to mitigate the effects of viewing violence The final chapter covers how political content affects voters How are receivers socialized politically What is the hereditary vote What knowledge is gained from political content What are the effects of political debates What is the nature and effect of bias in the media What role does Internet content play *Why I (still) Want My MTV* Kevin Williams, 2003 This book responds to and elaborates on significant questions concerning the imagery and music in music videos and proposes a new way of considering music video It is written in the spirit of communicology and cultural studies that is the ways that the

products of human communication reveal specific structures of communication and consciousness are studied These structures of communication reveal much about the way a culture is aware of the world Rather than providing another interpretation of the meaning of music video the author seeks instead to provide an explication of music video that is more concerned with what can be called their presentational value and ability to bring to expression through technology a cultural vision of human perceptual experience Music video it is argued does not merely present itself but makes present important aspects of communicative experience embodiment technology and the world **Animated Mischief** Brian N.

Duchaney, David S. Silverman, 2023-09-21 Over the last century the medium of animation has served as an expression of childhood as well as a method of subverting the expectations of what society has promised for the future Separated into three parts this work assembles various explorations of taste culture and passion through animation Section I features essays that outline the historical changes in art and society that gave rise to an outsider culture that found a home in animation In the second section essays examine the practical use of animation as a voice for the underserved Finally in Section III essays analyze the ways in which animation has reshaped the acceptance of outsider status to embrace otherness Featuring everything from feature length films to self produced YouTube videos the essays in this text reflect a shared love of animation and its unique ability to comment on society and culture **Gen X TV** Rob Owen, 1997-03-01 No generation eludes

definition as much as Generation X Rob Owens opens with a history of network and cable television since the birth of Generation X but goes on to explore the symbiotic relationship between television and this largely misunderstood age group From the first megahit The Brady Bunch to today s Friends Owen unflinchingly describes the boob tube as the ubiquitous babysitter for millions of young people Television Owen maintains consumes innocence as viewers encounter countless episodes of society s woes from political strife and environmental decimation to everyday violence and crime **Weekly**

**World News** , 1993-11-30 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site The Big Book of Hair Metal Martin Popoff, 2014-08-15 An oral history and timeline of the popular 1980s heavy metal subgenre including its prehistory and decline profusely illustrated with relevant photographs and memorabilia THE MAKING OF KING OF THE HILL Jimmy J. Smart, When King of the Hill premiered in 1997 television

audiences encountered something revolutionary disguised as something ordinary The show dared to find humor not in aliens or talking babies but in a propane salesman s genuine pride in his work and a family s struggles with modern life It was hailed as a show that should be considered alongside the novels of Larry McMurtry as a significant work of American regional art and Hank Hill was quickly recognized as one of the most honest portrayals of middle class American masculinity ever animated Now with the much anticipated 2025 revival the show s legacy is being re evaluated through a new and timely lens This definitive book provides the first comprehensive analysis of the entire series from its creative genesis and

foundations to its enduring cultural impact and its triumphant return Inside this deep dive you will discover The Creative Friction An in depth look at the symbiotic and at times combative partnership between co creators Mike Judge and Greg Daniels that transformed a simple concept into a character driven masterpiece The Suburban Prophet A breakdown of how Hank Hill s common sense middle became a beacon of moderation in an increasingly polarized world and how his propane philosophy served as a metaphor for an entire way of life The Satire that Became Reality A compelling analysis of how Dale Gribble s once absurd conspiracy theories about surveillance and data harvesting have become eerily prophetic in 2025 America The Quiet Revolution The full story of Bobby Hill s journey from a misunderstood middle schooler to a confident successful young adult challenging and redefining what American masculinity can be The Return to Arlen A detailed exploration of the new revival including Hank and Peggy s return from Saudi Arabia to a changed Arlen and the poignant tributes to late voice actors like Johnny Hardwick and Jonathan Joss This book is more than a guide it is a celebration of a series that found universal truth in the particularities of a Texas suburb It s a compelling look at why a show about a family and their friends still resonates so deeply with a new generation The Making of King of the Hill is an essential read for anyone who has ever loved the show and wondered what the propane philosophy really means **I Am Michael Alago**
