Hopkinson**

Much Silence The Life And Work Of Meher Baba:

Much Silence Tom Hopkinson, Dorothy Hopkinson, 1974 *Much Silence* Tom Hopkinson, Lady Dorothy Hopkinson, 1982

The Life And Teachings Of Sai Baba Of Shirdi Antonio Rigopoulos, 1993-01-01 A vast and diversified religious movement originating from Sai Baba of Shirdi is often referred to as the Sai Baba movement Through the chronological presentation of Sai Baba's life light is shed on the various ways in which the important guru figures in this movement came to be linked to the saint of Shirdi The Hagiographer and the Avatar Antonio Rigopoulos, 2021-04-01 In this biographical study Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement in this case the postsectarian cosmopolitan community of the Indian guru Sathya Sai Baba The guru's hagiographer Narayan Kasturi was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948 The two lived together at the guru's hermitage more or less continuously from 1954 up until Kasturi's death in 1987 Despite Kasturi's influential hagiography Sathyam Sivam Sundaram little scholarly attention has been paid to the hagiographer himself and his importance to the movement In detailing Kasturi's relationship to Sathya Sai Baba Rigopoulos emphasizes that the hagiographer's work was not subordinate to the guru's definition of himself Rather his discourses with the holy man had a reciprocal and reinforcing influence resulting in the construction of a unified canon Furthermore Kasturi's ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers Drawing on years of research on the movement as well as interviews with Kasturi himself this book deepens our understanding of this important pan Indian figure and his charismatic religious movement Much Silence Tom Hopkinson, Dorothy Hopkinson, 1975 **The Who and**

Philosophy Rocco J. Gennaro, Casey Harison, 2016-06-23 The Who were one of the most memorable and influential of the 1960s British Invasion bands memorable because of their loudness and because they destroyed instruments during performances and influential because of their success in crafting Power Pop singles like My Generation and I Can See for Miles long playing albums Live at Leeds and Who's Next and the rock operas Tommy and Quadrophenia The themes that principal songwriter Pete Townshend imparted into The Who's music drew upon the group's mostly working class London upbringings and early Mod audiences frustration angst irony and a youthful inclination to lash out Like some of his rock and roll contemporaries Townshend was also affected by religious ideas coming from India and the existential dread he felt about the possibility of nuclear war During a career that spanned three decades The Who gave their fans and rock critics a lot to think about The remarkable depth and breadth of The Who's music and their story as one of the most exciting and provocative rock bands over the last half century are the subjects of the philosophical explorations in this collection

Dattātreyā: The Immortal Guru, Yogin, and Avatāra Antonio Rigopoulos, 1998-04-02 This book presents the multifaceted Hindu deity Dattatreya from his Puranic emergence up to modern times Dattatreya's Brahmanical portrayal as well as his even more archaic characterization as a Tantric antinomian figure combines both Vaisnava Saiva motifs Over the

course of time Dattatreya has come to embody the roles of the immortal guru yogin and avatara in a paradigmatic manner. From the sixteenth century Dattatreya's glorious characterization emerged as the incarnation of the trimurti of Brahma Visnu and Siva. Although Maharashtra is the heartland of Dattatreya devotion, his presence is attested to throughout India and extends beyond the boundaries of Hinduism being met with in Sufi circles and even in Buddhism and Jainism via Nathism. The scarce attention which most Western scholars of Indian religions have paid to this deity contrasts with its ubiquitousness and social permeability. Devotion to Dattatreya cuts through all social and religious strata of Indian society; among his adepts we find yogis, Brahmins, faqirs, Devi worshippers, untouchables, thieves, and prostitutes. This book explores all primary religious dimensions: myth, doctrine, ritual, philosophy, mysticism, and iconography. The comprehensive result offers a rich fresco of Hindu religion as well as an understanding of Marathi integrative spirituality. Precisely this complexity of themes constitutes Dattatreya's uniqueness.

Encyclopedia of Religious and Spiritual Development Elizabeth M. Dowling, W. George Scarlett, 2006. Focuses on the developmental process of religion and spirituality across the human life span. This encyclopedia joins a recent trend in research and scholarship aimed at better understanding the similarities and differences between world religions and spiritualities between expressions of the divine and between experiences of the transcendent.

Behind Blue Eyes Geoffrey Giuliano, 2002. From Townshend's early childhood as the son of a sexually voracious mother to his devotion to the Indian mystic Meher Baba, this is the true story of a man looking back, forward, and in the mirror.

The Experience of Hinduism Eleanor Zelliot, Maxine Berntsen, 1988-02-28. This book presents multi-faceted images of religious experience in the Marathi-speaking region of India. In addition to Irawati Karve's classic *On the Road* about her pilgrimage to Pandharpur, there are three essays by Karve that appear in English for the first time: Here is possession by gods and ghosts; an actual sermon by an inspired saint in the traditional bhajan style; and an autobiographical account of the religious nationalism of the militant RSS. These are engaging, true-to-life accounts of the lives of individual Hindus. Essays and imaginative literature, a poem, and a short story interplay the ideas, concepts, personalities, practices, rituals, and deities of Hinduism in a surprisingly coherent manner.

The Encyclopedia of Cults, Sects, and New Religions James R. Lewis, 2001-03. Surpassing the scope and the thoroughness of the first edition, this new edition of *The Encyclopedia of Cults, Sects, and New Religions* is the most wide-ranging and accessible resource on the historically significant and more obscure, sinister and bizarre religious groups. Including many entries by scholarly specialists, this volume explains more than 1,000 diverse groups and movements, from such well-known sects as the Branch Davidians, Aum Shinrikyo, and Heaven's Gate to obscure groups like Ordo Templi Satanas, Witches International, and the Nudist Christian Church of the Blessed Virgin Jesus. In addition to an exhaustive index and handy cross-references, the second edition includes over a hundred new topical entries on subjects relevant to understanding sectarian movements, from snake handling and satanic ritual abuse to brainwashing and exorcism. This book is a must for all libraries and schools; it will endure as the first and only point of reference for researchers.

scholars students and anyone interested in fringe religious groups **The Silent Messenger** Tom Hopkinson, Dorothy Hopkinson, 2019-10-25 The Silent Messenger charts the life of Meher Baba the Indian spiritual Master who famously declared Don't worry be happy and I have come not to teach but to awaken Meher Baba's life and teachings move through Vedantism Sufism Christianity and Buddhism Uniquely Baba gave all this to the world whilst remaining silent for 44 years The Meher Baba Association presents the final book by Sir Tom and Lady Dorothy Hopkinson which depicts the extraordinary facts of Meher Baba's life and work illustrated by judiciously chosen excerpts from his teachings and the insights of many of those who were closest to him **The God-man: the Life, Journeys, and Works of Meher Baba** Charles Benjamin Purdom, 1964 *The Mastery of Consciousness* Meher Baba, 1977 *BE A LIGHT UNTO YOURSELF* Dr Anu Dhawan, 2022-07-04 I was acquainted with the name of Meher Baba when as a kid I heard my grandfather Dr Hira Lal Chopra often mention his name as a spiritual awakener of the twentieth century who lived in Ahmednagar It was recently that in the course of my study on the spiritual world and on spiritualism I came across the name of Meher Baba His name not only evoked my childhood memories but also spurred me on to undertake deeper study to gain insight into the life and achievements of Meher Baba In the course of this pursuit I also went to Avatar Meher Baba Centre New Delhi The Centre was very helpful in providing information and reading material on the life and teachings of Meher Baba I must admit that on studying the available material on the life and achievements of Meher Baba I was wonderstruck as to how an ordinary person leading an ordinary life by a twist of fate not only realized spirituality but also turned into an ardent spiritual awakener for the rest of mankind in this predominantly materialistic world Man is essentially a spiritual being and in my opinion requires material gains only for peaceful existence in order to achieve his objective of spirituality and come closer to his Creator God But in pursuit of material gains men at large tend to distance themselves from spirituality and thus from God For those who earnestly seek spirituality I feel the teachings of Meher Baba can help them to achieve their objective It is for this reason that I have penned down my findings and thoughts in the form of this book on the life and teachings of Avatar Meher Baba which may help all those who seek spirituality and God consciousness Dr ANU DHAWAN NEW DELHI July 2014 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976 *Silhouettes of the Soul* Otto Von Busch, Jeanine Viau, 2022-02-10 What is the relationship between the soul or inner life and what we wear in the making of identity and belief What bearing do religious and political belonging respectability and resistance have on the way in which we dress Why have more traditional religious practices been so prescriptive about body adornment Historically fashionable dress and religion have been positioned as polar opposites *Silhouettes of the Soul* brings them together placing them in conversation with each other By moving beyond traditional social scientific and historical analysis of religious attire and adornment the book presents a variety of disciplinary approaches from across regional social and religious locations Contentious and challenging as well as academically rigorous the book's diverse range of contributors from fashion and

religious studies scholars to designers activists monastics and journalists explore the relationship between religion and fashion extending the meanings and possibilities of both dress and spirituality Combining interviews and personal stories with more traditional theoretical analysis *Silhouettes of the Soul* offers new ways of looking at the relationship between religion personal convictions and self expression our sense of self and our sense of fashion Religion and Sustainability: Interreligious Resources, Interdisciplinary Responses Rita D. Sherma, Purushottama Bilimoria, 2022-05-09 This volume brings sustainability studies into creative and constructive conversation with actions practices and worldviews from religion and theology supportive of the vision and work of the UN SDGs It features more than 30 chapters from scholars across diverse disciplines including economics ethics theology sociology ritual studies and visual culture This interdisciplinary content presents new insights for inhibiting ecospheric devastation which is inextricably linked to unsustainable financial societal racial geopolitical and cultural relationships The chapters show how humanistic elements can enable the establishment of sustainable ways of thinking feeling and acting This includes the aesthetic and emotive dimensions of life The contributors cover such topics as empowering women and girls to systemically reverse climate change nurturing interreligious peace decolonizing landscapes and promoting horticulture ecovillages equity and animal ethics Coverage integrates a variety of religious and theological perspectives These include Buddhism Judaism Hinduism Islam Christianity and other traditions To enable the restoration and flourishing of the ecosystems of the biosphere human societies need to be reimaged and reordered in terms of economic cultural religious racial and social equitability This volume illustrates transformative paradigms to help foster such change It introduces new principles practices ethics and insights to the discourse This work will appeal to students scholars and professionals researching the ethical moral social cultural psychological developmental and other social scientific impacts of religion on the key markers of sustainability **The Human Odyssey** Thomas Armstrong, 2019-03-20 Thomas Armstrong Ph D an award winning educator and expert on human development offers a cross cultural view of life s entire journey from before birth to death to the possibilities of an afterlife Dr Armstrong cites both clinical research and anecdotal evidence in a comprehensive view of the challenges and opportunities we face at every stage of our development His accessible narrative incorporates elements of history literature psychology spirituality and science in a fascinating guide to understanding our past as well as our future Thomas Armstrong s *The Human Odyssey* is an extraordinary book an intellectual feast Armstrong has amassed and integrated an amazing amount of information from developmental and transpersonal psychology modern consciousness research biology anthropology mythology and art and created an extraordinary guide through all the stages of the adventure of human life While the rich content of this book will impress professional audiences it s clear and easy style makes it quite accessible to the general public Stanislav Grof M D former Chief of Psychiatric Research Maryland Psychiatric Research Center author of *Realms of the Human Unconscious* *Beyond the Brain Birth Death and Transcendence in Psychotherapy and Adventures in Self Discovery* *Lord Meher, Part 1*
