Muddled Oafs The Soul Of Rugby:

Muddled Oafs Richard Beard, 2018-11-22 There is Rugby Union the fast compelling TV friendly combat sport in which sponsored gladiators are sold on their ability to crash into each other at top speed and sometimes even to avoid each other and score And then there s rugger Rugger was once the serious version of rugby more than a mere game a fierce contact sport developed in Victorian public schools to forge manly and unshakeable character For a hundred years boys played rugger and made themselves into men They also drank too much beer and took their trousers down in public Richard Beard sets out to examine this contradiction by revisiting his seven former rugby clubs in four different countries He meets Booker prize winning authors and former England hookers explores rugby s rivalry with soccer its surprising attraction for nonconformists and its unlikely role in organised crime All while trying to get himself a game This is Beard s quest into his rugby playing past where he s lived the sport in many of its varied forms By the end of his wayward journey he almost qualifies to judge whether rugger has achieved what the Victorians always intended and made him a better man **Rugby's**

Great Split Tony Collins, 2013-03-01 Since it s first publication Rugby s Great Split has established itself as a classic in the field of sport history Drawing on an unprecedented range of sources this deeply researched and highly readable book traces the social cultural and economic divisions that led in 1895 to schism in the game of rugby and the creation of rugby league the sport of England s northern working class Tony Collins analysis challenges many of the conventional assumptions about this key event in rugby history about class conflict amateurism in sport the North South divide violence on the pitch the development of mass spectator sport and the rise of football This new edition is expanded to cover parallel events in Australia and New Zealand and to address the key question of rugby league s failure to establish itself in Wales Rugby s Great Split is a benchmark text in the history of rugby and an absorbing case study of wider issues issues of class gender regional and national identity and the impact of the commercialization and recent professionalization of rugby league This insightful text is for anyone interested in Britain s social history or in the emergence of modern sport it is vital reading *Sports and Play*

in Christian Theology Philip Halstead, John Tucker, 2020-11-24 Sport is a major preoccupation of the modern world It consumes the time and energies of millions of people around the globe In fact for many participants it operates much like a functional equivalent of religion giving them a way to interpret and understand the world Sports stadiums are the cathedrals of our time Sports stars are the saints or demi gods through whom we access the transcendent Members of the sports media serve as religious scribes and sports fans are the worshipping faithful What is true of sport is also true more generally of play Nevertheless and quite remarkably Christian theologians and religious historians have been surprisingly slow to recognize the spiritual and cultural significance of sport and play or to engage in the study of these concepts This book attempts to redress that neglect by integrating sport and play with Christian faith and practice In *Sports and Play in Christian Theology* ten Christian scholars and practitioners explore sport and play from theological biblical historical and pastoral perspectives

This rich collection of wide ranging reflections and focused case studies will help readers locate sport and play within Christian faith and practice

Re-Thinking Men Anthony Synnott, 2016-04-08 Much writing on men in the field of gender studies tends to focus unduly almost exclusively on portraying men as villains and women as victims in a moral bi polar paradigm Re Thinking Men reverses the proclivity which ignores not only the positive contributions of men to society but also the male victims of life including the homeless the incarcerated the victims of homicide suicide accidents war and the draft and sexism as well as those affected by the failures of the health education political and justice systems Proceeding from a radically different perspective in seeking a more positive balanced and inclusive view of men and women this book presents three contrasting paradigms of men as Heroes Villains and Victims With the development of a comparative and revised gender perspective drawing on US Canadian and UK sources this book will be of interest to scholars across a range of social sciences

Buying In Aaron L. Miller, 2022-03-21 *Buying In* Big Time Women s College Basketball and the Future of College Sports juxtaposes the rise of women s college sports with the historical transformations that set the stage for contemporary big time college sports Aaron Miller draws on positive psychology to create a new framework he calls positive anthropology He uses this lens to highlight the accomplishments of women s college basketball teams and engages with college athlete exploitation pay for play and other contemporaneous issues that affect both women s and men s teams though women s teams are often excluded from the popular conversation With insights drawn from and applicable to a wide range of scholarly fields in the humanistic social sciences this book will be of particular interest to scholars researchers and educators working in the fields of sports studies gender studies education sociology history and anthropology as well as anyone interested in the future of big time college sport and higher education This book poses and answers the question How can scholars help envision a brighter future for all college athletes male and female

The Writers Directory , 2013

Rugby: A New Zealand History Ron Palenski, 2015-08-24 Rugby is New Zealand s national sport From the grand tour by the 1888 Natives to the upcoming 2015 World Cup from games in the North African desert in the Second World War to matches behind barbed wire during the 1981 Springbok tour from grassroots club rugby to heaving crowds outside Eden Park Lancaster Park Athletic Park or Carisbrook New Zealanders have made rugby their game In this book historian and former journalist Ron Palenski tells the full story of rugby in New Zealand for the first time It is a story of how the game travelled from England and settled in the colony how Maori and later Pacific players made rugby their own how battles over amateurism and apartheid threatened the sport how national teams provinces and local clubs shaped it The story of rugby is New Zealand s story Rooted in extensive research in public and private archives and newspapers and highly illustrated with many rare photographs and ephemera this book is the defining history of rugby in a land that has made the game its own

Unholy Union Mike Aylwin, 2019-09-05 What is the state of rugby Is the game on the brink of expansion Or is it on the brink of implosion No game has undergone so traumatic a transformation since the turn of the century The last of the major sports to

embrace professionalism rugby was propelled on a trajectory that has twisted its cumbersome frame to the limit in a drama compelling and appalling to behold After a hundred years defying the future rugby now shudders with the turmoil of its sudden leap into the modern world attaining heights hitherto undreamed of even as the strains financial political social and medical threaten to tear it apart With a global focus and a particular lens on Australasian and South African rugby Unholy Union is a fascinating and in depth analysis of the sport examining the journey so far and speculating on where it will go next It is irreverent and provocative asking uncomfortable questions of rugby but imbued throughout with affection for a game that integrates all human life as beautiful as it is ugly as in love with itself as it is terrified Sports enter periods that make or break them Rugby is in one now Le Tour Geoffrey Wheatcroft,2004 When Henri Desgrange began a new bicycle road race in 1903 he saw it as little more than a temporary publicity stunt to promote his newspaper The sixty cyclists who left Paris to ride through the night to Lyons that first July had little idea they were pioneers of the most famous of all bike races which would reach its centenary as one of the greatest sporting events on earth Geoffrey Wheatcroft s masterly history of the Tour de France s first hundred years is not just a hugely entertaining canter through some great Tour stories nor is it merely a homage to the riders whose names Coppi Simpson Mercx Armstrong are synonymous with the event s folly and glory focusing too on the race s role in French cultural life it provides a unique and fascinating insight into Europe s twentieth century *Le Tour: A History of the Tour de France* Geoffrey Wheatcroft,2013-06-20 Geoffrey Wheatcroft s hugely entertaining and well researched history of the Tour de France is already established as the definitive account of cycling s greatest event Since the book was last published in 2007 much has changed Bradley Wiggins historic victory in 2012 the first Briton ever to secure the yellow jersey brought him a knighthood and garnered more interest in the race than ever before Yet the months after were dominated by an even bigger story as Tour legend and seven time winner Lance Armstrong was stripped of his titles and confessed on Oprah to doping in each of his victories Suddenly everything that we thought we knew had happened was no longer true In this new and comprehensively revised edition of the book Wheatcroft not only brings his story of the Tour fully up to date to mark the race s 100th running in 2013 he also reflects on the changes brought about by the scandals that have rocked the sport to its core Yet for all the controversies of modern times he vividly captures the essential glory and romance of the heroes who battle to conquer one of sport s greatest challenges The British National Bibliography Arthur James Wells,2006 Parliamentary Debates New Zealand. Parliament,1973 *Britain & the Empire 1867-1945 a History for Schools* Robert Hugh Snape,1952 *This Sporting Life* Robert Colls,2020-08-28 Why did killing a fox mean liberty What did parish revels have to do with the Peterloo Massacre What did animal cruelty have to do with the English constitution What did the Factory Acts mean for modern football In *This Sporting Life* Robert Colls explains sport as one of England s great civil cultures The lived experiences of people from all walks of life are reclaimed to tell England s history through its great sporting cultures from the horseback pursuits of the wealthy and politically connected to the street

games in working class neighbourhoods which needed nothing but a ball It observes people at play describes how they felt and thought carries the reader along to a match or a hunt or a fight draws out the sounds and smells of humans and animals showing that sport has been as important in defining British culture as gender politics education class and religion

Conan Doyle Douglas Kerr,2013-07-18 Conan Doyle Writing Profession and Practice approaches Conan Doyle s writing in terms of themes such as sport science crime and empire finding within it a complex and surprising interpretation of a late Victorian and early twentieth century world emerging into a troubling modernity **The Kipling Journal** ,1981 Includes lists of members of the Kipling society The New Encyclopaedia Britannica: Macropaedia (19 v.) ,1983 *Encyclopedia of the Victorian Era: Dome-Manc* ,2004 Without My Wig Geoffrey Dorling Roberts,1957 *Parliamentary Debates (Hansard)* New Zealand. Parliament. House of Representatives,1973
