

THE NATURE OF BRITISH LOCAL GOVERNMENT

John Stewart

Nature Of British Local Government

J Dewey

Nature Of British Local Government:

The Nature of British Local Government John Stewart, John David Stewart, 2000-01 Based on the author's unparalleled in depth knowledge and experience this major new book provides a systematic assessment of the diversity and common features of British local government today set in a clear historical context *Local Government in the United Kingdom* David Wilson, Chris Game, 2011-04-12 During its 13 years of office Labour's modernization agenda transformed the world of UK local government Amidst a starkly altered political and economic climate the coalition government formed in 2010 pledged to implement equally radical changes to the system Taking account of the coalition's programme for government and its first round of spending cuts the completely revised and updated fifth edition of this popular and established text is timed to take full advantage of this historic juncture David Wilson and Chris Game provide readers with systematic coverage of the UK's local government The book examines its defining features its history changing structure operations functions financing and its relations with central government The fifth edition gives additional emphasis to local government in the devolved regions of the UK and provides more extensive analysis of centre local government relations The authors deliver a thorough critique of Labour's third term in office Looking ahead the book anticipates the future of local government under the coalition government Two themes look likely to dominate policy making decentralization and cuts to public spending With its clear accessible non technical style and popular illustrations *Local Government in the United Kingdom* will be essential reading for students practitioners and anyone with an interest in local politics *Explaining local government* J. A. Chandler, 2013-07-19 *Explaining local government* available at last in paperback uniquely presents a history of local government in Britain from 1800 until the present day The study explains how the institution evolved from a structure that appeared to be relatively free from central government interference to as John Prescott observes one of the most centralised systems of government in the Western world The book is accessible to A level and undergraduate students as an introduction to the development of local government in Britain but also balances values and political practice to provide a unique explanation using primary research of the evolution of the system *New Century Local Government* Graham Sansom, Peter McKinlay, 2013-09-30 Democratic decentralisation through conventional institutions of local government is facing increasing challenges whether from financial pressures questions of representativeness difficult central local relations and from a perhaps growing belief that local government has failed to realise its potential and there may be better ways of achieving societal goals It is clear there is need to contemplate quite radical change to ensure local government becomes or remains fit for purpose This collection of papers illustrates the way in which the role of local government is evolving in different parts of the Commonwealth and provides practical examples of new local government at work It showcases emerging practice and highlights success stories from new ways of working and challenges confronting local government in both developed and developing countries *New Century Local Government* makes a very valuable contribution to helping understand the changing

role of local government and will ensure that practitioners are up to date with the most innovative initiatives in local government planning and administration **Exploring British Politics** Mark Garnett, Philip Lynch, 2014-06-03 Concise comprehensive and accessible Exploring British Politics presents an insightful approach to British politics with a special emphasis on developments since the 2010 general election and the formation of Britain's first coalition government since 1945 Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance

The British Constitution Anthony King, 2007 In the nineteenth century Walter Bagehot wrote a classic account of the British constitution as it had developed during Queen Victoria's reign arguing that it was not at all what people thought it was Anthony King argues that the same is true at the beginning of this century The author maintains that while the new British constitution is a mess there is no going back now Grappling with the thorniest issues facing the British polity head on he offers a trenchant analysis of the increasingly divergent relationship between England Scotland and Wales in the light of devolution and a devastating critique of the reformed House of Lords The book is a Bagehot for the 21st Century and essential reading for anyone with an interest in the nature and future of British political life **New Public Administration**

in Britain John Greenwood, Robert Pyper, David Wilson, 2005-08-05 This edition highlights recent developments in the field such as managerialism privatisation consumerism charters contracting and regulation Building on previous success it includes a new chapter on the influence of Europe **The UK Social Policy Process** Catherine Bochel, 2018-06-26 The UK Social Policy Process examines the wide range of factors that influence social policies and their outcomes Devolution modernisation reform of the public services emphases on public participation and on what works in the delivery of welfare are all impacting on and shaping social policy Combining coverage of theoretical perspectives with discussion of institutional change this book provides a timely examination of the policy process and social policy from agenda setting to implementation and evaluation The Student's Companion to Social Policy Pete Alcock, Tina Haux, Margaret May, Sharon

Wright, 2016-07-11 This fully updated and expanded edition of the bestselling Student's Companion to Social Policy charts the latest developments research challenges and controversies in the field in a concise authoritative format Provides students with the analytical base from which to investigate and evaluate key concepts perspectives policies and outcomes at national and international levels Features a new section on devolution and social policy in the UK enhanced discussion of international and comparative issues and new coverage of nudge based policies austerity politics sustainable welfare working age conditionality social movements policy learning and transfer and social policy in the BRIC countries Offers essential information for anyone studying social policy from undergraduates on introductory courses to those pursuing postgraduate or professional programmes Accompanied by updated online resources to support independent learning and skill development with chapter overviews study questions guides to key sources and career opportunities a key term glossary and

more Written by a team of experts working at the forefront of social policy **Transforming Local Governance** Gerry Stoker, 2017-03-14 Drawing on the author's unrivalled experience and expertise in both research and policy making this important new book provides a systematic assessment of the changing nature of local governance in Britain and a conceptual framework for understanding the new governance of localities The author analyzes in detail what New Labour has been trying to do to local governance and management and assesses how and why it has achieved only a mixed record of change The book concludes by providing a vision of good local governance and an assessment of future challenges for research and reform *The Nature of British Local Government* John Stewart, 2000 **Outlines of Local Government of the United Kingdom** John Joseph Clarke, 1922 Spatial Planning Systems of Britain and France Philip Booth, Michelle Breuillard, Charles Fraser, Didier Paris, 2007-03-12 Exploring the similarities and differences between the spatial planning in Great Britain and France this book draws on the outcomes of the Franco British Planning Study Group It features detailed analysis and case studies The Reorganisation of British Local Government John Dearlove, 1979-09-20 This volume was first published in 1979 just a few years after the Local Government Act of 1972 redrew the map of British local government Local authorities were also encouraged to change their organization and methods of work anxiety was expressed about finance councillor calibre and the credibility of the whole system itself and neighbourhood councils and public participation in planning were introduced John Dearlove's aim is to make sense of these changes and the discussion they generated He does this by showing that both the official case for reorganization and the academic discussion of it have hindered their own understanding by uncritically accepting superficial traditional wisdoms which fail to reveal the concealed ideological positions behind reorganization Thus he aims to develop a truly political perspective on reorganisation which is rounded out and given greater depth by the insertion at appropriate points of comparative material drawn from American experience and studies **The Urban Geography Reader** NICK FYFE, JUDITH KENNY, 2020-04-15 Drawing on a rich diversity of theoretical approaches and analytical strategies urban geographers have been at the forefront of understanding the global and local processes shaping cities and of making sense of the urban experiences of a wide variety of social groups Through their links with those working in the fields of urban policy design urban geographers have also played an important role in the analysis of the economic and social problems confronting cities Capturing the diversity of scholarship in the field of urban geography this reader presents a stimulating selection of articles and excerpts by leading figures Organized around seven themes it addresses the changing economic social cultural and technological conditions of contemporary urbanization and the range of personal and public responses It reflects the academic importance of urban geography in terms of both its theoretical and empirical analysis as well as its applied policy relevance and features extensive editorial input in the form of general section and individual extract introductions Bringing together in one volume classic and contemporary pieces of urban geography studies undertaken in the developed and developing worlds and examples of theoretical and applied

research it provides in a convenient student friendly format an unparalleled resource for those studying the complex geographies of urban areas The New Management of British Local Governance Gerry Stoker,1999-02-02 This book presents a detailed analysis of the new management of public services at the local level drawing on the work of the ESRC Local Governance Programme The radical transformation of public service delivery is assessed in terms of its overall impact as well as its operation in particular service areas Efficiency has improved and services have gained a user focus yet the new management appears to be full of contradictions and distortions in many respects creating as many problems as it solves

Local Government in Britain Since Reorganisation Alan Alexander,2024-10-01 Originally published in 1982 this book was the first comprehensive critical assessment of the outcome of the controversial reorganisation of British local government outside London which took place between 1973 and 1975 The book deals with the new systems in England Wales and Scotland drawing upon the results of almost 100 in depth interviews with leading members and officers from Shetland to Cornwall from major cities to rural districts Liaison between the tiers the effects of corporate management the spread of the office of chief executive the increasing levels of partisanship and the changing face of central local relations are examined on the basis of close observation and practical experience rather than theoretical preconceptions Parliamentary Debates (Hansard). Great Britain. Parliament. House of Commons,1916 Contains the 4th session of the 28th Parliament through the session of the Parliament The changing role of local politics in Britain Leach, Stephen,2006-07-26 The Local Government Act 2000 has transformed the way in which local politics operates within local authorities Local councillors have had to adjust to the introduction of elected mayors cabinet government and scrutiny committees and cope with a range of other new initiatives This book is a unique attempt to provide a coherent analysis of the impact of these changes on the world of local politics The book provides a comprehensive review of the operation of politics in local government including the impact of national and local political parties on the behaviour of party groups in local authorities the way party groups interact with each other the changing role of local political leadership and the relationship of local politicians with senior council officers The changing role of local politics in Britain Is essential reading for undergraduate and postgraduate students and their teachers on local government politics public policy and public administration courses as well as officers in local authorities who wish to gain a deeper understanding of the political environment in which they work British and Foreign State Papers Great Britain. Foreign Office,Great Britain. Foreign and Commonwealth Office,1927
