Ryan, 2020-08-10 *Hermeneutics of Doctrine in a Learning Church* Gregory A Ryan offers an account of the dynamic multi dimensional task of interpreting Christian tradition He integrates doctrinal hermeneutics the pastorality of doctrine exemplified by Pope Francis and a systematic appraisal of Receptive Ecumenism to provide an original perspective on this task The book focuses on three contemporary Catholic theologians Francis Sch sler Fiorenza Ormond Rush and Paul D Murray highlighting how each recognises the dynamic interaction of multiple perspectives involved in authentic ecclesial interpretation Christian tradition whether passed on in teaching scripture practices or structures needs to be continually received and interpreted This book offers theologians ecumenists and church workers a fresh model for receptive ecclesial

learning in which doctrinal hermeneutics and pastoral realities are dynamically integrated

The Influence of the Doctrine of Scripture Anna Hutchinson, 2024-02-21 All over the UK Evangelical Anglicans read and study the Bible in churches and in homes in groups and as individuals They do this because they believe the Bible is God's word a collection of texts that is authoritative inspired consistent clear and sufficient But what does this mean for the way the Bible is read Should the Bible always be read as historically accurate As theologically accurate As relevant for today In other words how do the beliefs that such readers have about the nature of the Bible affect the way that they interpret and the conclusions that they come to To answer these questions Anna Hutchinson conducted field work analysing Evangelical Anglicans as they study the Bible Utilizing qualitative methodology she argues that the doctrine of Scripture is often narrowly conceived amongst Evangelical Anglicans such that its influence in interpretation is often qualified and overshadowed by various factors including beliefs about God genre and personal experience *Perspectives on Scripture and Tradition* Robert L. Seeking the Asian Face of Jesus Chris Sugden, 1997 *Divine Violence and the Christus Victor Atonement Model* Martyn J. Smith, 2016-09-23 In this book Martyn Smith addresses the issue of God's violence and refuses to shy away from difficult and controversial conclusions Through his wide ranging and measured study he reflects upon God and violence in both biblical and theological contexts assessing the implications of divine violence for understanding and engaging with God's nature and character Jesus too through his dramatic actions in the temple is presented as one capable of exhibiting a surprising degree of violent behavior in the furtherance of God's purposes Through a reappropriation of the ancient Christus Victor model of atonement with its dramatic representation of God's war with the Satan Smith proposes that Christian understanding of both God and salvation has to return to its long neglected past in order to move forward both biblically and dynamically into the future
