The Political Economy of Indo-European Polytheism Mario Ferrero,2022-04-23 This book sheds new light on the evolution and transformation of polytheistic religions By applying economic models to the study of religious history and by viewing religious events as the result of rational choices under given environmental constraints it offers a political economy perspective for the study of Indo European polytheism The book formally models the rivalry or

competition among multiple gods in a polytheistic system and the monotheistic solution to this competition Presenting case studies on the transformation and demise of various polytheistic religions it highlights the pivotal role of the priestly class in driving religious change and suggests a joint explanation for the demise of Greco Roman religion and the resilience of Hinduism and Zoroastrianism It will appeal to scholars of the economics of religion and religious history and to anyone seeking new insights into the birth and death of religions and the birth of monotheism in particular Encyclopedia of Reincarnation and Karma Norman C. McClelland, 2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices Revelation 21-22 in Light of Jewish and Greco-Roman Utopianism Eric J. Gilchrest, 2013-05-01 In Revelation 21 22 in Light of Jewish and Greco Roman Utopianism Eric J Gilchrest offers a creative and compelling reading of Revelation 21 22 as understood through the lens of ancient utopianism The work is in two parts beginning with a detailed portrait of ancient utopianism based on Greco Roman and Jewish traditions The portrait sketches the topography of the utopian landscape which includes a thorough account of various traditions using fourteen utopian topoi or motifs The author then moves to a description of Revelation s new Jerusalem in light of these two utopian traditions With sensitivity to how this text would have been read by each utopian perspective the author constructs a unique reading of a classic passage that highlights the variety of ways the text originally may have been heard
