Rethinking Gender and Sexuality in Childhood Emily W. Kane, 2013-01-17 Here be dragons was the traditional warning used by ancient mapmakers to indicate dangerous or simply unknown lands These were the dwelling places of fantastical beasts creatures such as dragons sea serpents unicorns griffins and mermaids Throughout the ages such beasts have been viewed in complex and contradictory ways because they embody both our fear and our fascination of the unpredictable natural world around us They appear in the earliest myths and accompany the heroes of medieval romance and folktales Whether as the symbolic creatures of myth or as the marvellous beasts of medieval legend and travellers tales fantastic animals have always inspired art and literature Today they feature among the many marvels that populate the alternative worlds of fantasy and the outer reaches of cyberspace Drawing on sources as diverse as myth history and folklore this book explores the ways in which mythical beasts continue to inhabit our fantasies and to define our constantly changing relationship to both real and imagined worlds

Rethinking Gender and Youth Sport Ian Wellard, 2007-10-16 This book highlights the need for students and researchers to recognize a fuller range of social and cultural influences on young people's experience of sport Ian Wellard explores issues including gender ability expectations and human rights

Taylor, 2019-09-20 Rethinking LGBTQIA Students and Collegiate Contexts situates and problematizes identity interaction campus life student experiences and the effectiveness of services programs and policies affecting LGBTQIA college students at both two and four year institutions This volume draws from intersectional and critical perspectives to explore the complex ways in which LGBTQIA identities are shaped discussed and researched in higher education spaces Chapters provide student affairs and higher education scholars with theory and practice perspectives on sociopolitical and historical contexts student learning and development support services and explore how higher education reflects society's pervasive stereotypes and lack of awareness of LGBTQIA students identity development and needs

The Bloomsbury Handbook of Gender and Sexuality in Early Childhood Jessica Prioletta, Adam Davies, Kylie Smith, 2025-06-12 Gender and sexuality are often problematically considered to be irrelevant to very young children This Handbook surveys challenges and advances the theories research approaches and practices around gender and sexuality in the early years and foregrounds early childhood

as a crucial site for constructions and deconstructions around gender and sexuality The Handbook features chapters by leading academics practitioners and policy makers based in Australia Canada India Indonesia South Africa the UK and the USA It covers a range of key critical theories methods and practices including engagements with post developmentalism feminist Black feminist queer and trans theories intersections with indigeneity race and class ethnography action research care ethics and sexual health The Handbook illuminates the importance of attending to gender and sexuality in the early childhood across various sites including in the classroom at home in policy and more *Gender and Childhood Sexuality in Primary School* Deevia Bhana, 2016-10-12 This book is an ethnography of teachers and children in grades 1 and 2 and presents arguments about why we should take gender and childhood sexuality seriously in the early years of South African primary schooling Taking issue with dominant discourses which assumes children's lack of agency the book questions the epistemological foundations of childhood discourses that produce innocence It examines the paradox between teachers dominant narratives of childhood innocence and children's own conceptualisation of gender and sexuality inside the classroom with peers in heterosexual games in the playground and through boyfriend girlfriend relationships It examines the nuances and finely situated experiences which draw attention to hegemonic masculinity and femininity where boys and girls challenge and contest relations of power The book focuses on the early makings of gender and sexual harassment and shows how violent gender relations are manifest even amongst very young boys and girls Attention is given to the interconnections with race class structural inequalities as well as the actions of boys and girls as navigate gender and sexuality at school The book argues that the early years of primary schooling are a key site for the production and reproduction of gender and sexuality Gender reform strategies are vital in this sector of schooling *Rethinking Gender Inequalities in Organizations* Penny Dick, 2024-01-18 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com In this thoughtful book Penny Dick challenges orthodox views of gender inequality Combining post structuralist thinking with process ontology the author presents a novel conceptual approach to rethinking gender inequalities in organizations and management settings **The New Politics of the Textbook** Heather Hickman, Brad J. Porfilio, 2012-10-13 In an age of unprecedented corporate and political control over life inside of educational institutions this book provides a needed intervention to investigate how the economic and political elite use traditional artifacts in K-16 schools to perpetuate their interests at the expense of minoritized social groups The contributors provide a comprehensive examination of how textbooks the most dominant cultural force in which corporations and political leaders impact the schooling curricula shape students thoughts and behavior perpetuate power in dominant groups and trivialize social groups who are oppressed on the structural axes of race class gender sexuality and disability Several contributors also generate critical insight in how power shapes the production of textbooks and evaluate whether textbooks still perpetuate dominant Western narratives that normalize and privilege patriotism militarism consumerism White supremacy heterosexism

rugged individualism technology and a positivistic conception of the world Finally the book highlights several textbooks that challenge readers to rethink their stereotypical views of the Other to reflect upon the constitutive forces causing oppression in schools and in the wider society and to reflect upon how to challenge corporate and political dominance over knowledge production
