**Rory's Story** Ryan Seek,2014-04-26 Do the Spirits Speak to You BLURB Nineteen year old Rory Fisher is all but orphaned and alone in the world Her only remaining loved one is her Yavapai grandfather a once proud Indian who is stricken with a diseased mind and confined to a nursing home in Twin Falls Idaho In a rare moment of clarity the old Yavapai suddenly informs his granddaughter that the Spirits have spoken to him and the message is clear She must leave immediately on this very day back to the land of his people in the red walled canyons of Arizona The true purpose of the journey remains a mystery as Rory embarks on her quest to a place called Vortex Canyon located in the wilderness just north of Sedona She travels with only the promise of her grandfather the promise that his Spirits will guide and protect her However will the Spirits speak to Rory a Caucasian girl adopted by an Indian family and not of true Yavapai blood Was the training her grandfather gave her as a child enough to reach out to the Spirit World in adulthood Only Rory s Story will tell EXCERPT How is my little Sprout today the old man asked rising from his chair by the window He wore jeans a bolo string tie made of turquoise and a pale blue button down western shirt I m fine Rory replied Are you sure He spread his arms beckoning to her She went to him and gladly accepted his embrace I ll be okay Grandpa she assured him While in his arms her hands instinctively went to the long white pony tail that still hung halfway down his back Her fingers caressed that mane of hair as they had done so often since she was a child The old man gave her an extra squeeze before releasing her Rory looked up into those dark aged eyes She saw the special gleam that sparkle that said he had his mind about him today Such days became fewer and farther between with each passing year The skin on his face was dark weathered and creviced by time and still bore all the traits of his ancient Yavapai Indian ancestry You wouldn t be lying to the old man now would you he smiled No Grandpa she lied Please sit down little Sprout He motioned for her to sit on the narrow bed I have something to tell you His voice had always charmed her It was a deep resonating sound with the words delivered slowly and deliberately As always she obeyed him without question She watched as the old man walked to the window and gazed out on the beautifully landscaped grounds of the Sunrise Home for the Elderly So many hours she had spent with him talking about her loves her life her troubles And all he would do is sit in his chair and stare out that window never saying a word She wondered if the view looked different to him on days like today when his mind wasn t bugged with the disease Do you remember the story I told you about my father and the quest he endured to save the lives of his family he

asked still facing the window hands clasped behind his back I do Grandpa I remember it It has been four generations since a quest of this importance has gripped our family But the time has come again and you little Sprout must bear the weight upon your shoulders You must embark on the very same quest as my father You alone must journey to Red Rocks It shall be the only relief for yourself and those who love you What about Robert she asked He is of full blood and the next in line of descendents Bah the old man flicked his hand as if to shoo away a fly Robert is nothing but a coyote in sheep s wool a disgrace to the family He turned from the window and kneeled before Rory He took her hands in his You my little Sprout are a true Fisher whether you believe it or not I have taught you the importance of the sun your faith and your dreams Have I not You have Grandpa The old man nodded and smiled with pride Take that knowledge with you in your quest Follow your dreams and the path that the Spirits lay before you Trust in them and trust in yourself Look to them and look into yourself There you will find the answers
