Revitalizing Liberal Values In A Globalizing World

JL Elias

Revitalizing Liberal Values In A Globalizing World:

Revitalizing Liberal Values in a Globalizing World Ruud Lubbers, 2000-12-15 The longest serving Dutch Prime Minister 1982-94 Professor Lubbers is known for his support of liberal values social equity human rights democratic governments and spirituality In this book he explores ways to conciliate these values with global economization Dr Lubbers argues that the global economy created by new information technologies has led to a competitive world atmosphere that works against social equity local movements and national interests In this context he urges that steps be taken to ensure that the new era evolves in the interests of justice peace and fairness Such steps may include combining the governance of nation states providing development assistance supporting initiatives in legislation and jurisprudence such as an international criminal court and initiating a global dialogue on values For Dr Lubbers liberal values mean a just sustainable and participatory society This volume presents the third in a series of lectures that offer reflections by well known figures on topical liberal oriented themes This particular lecture has the distinction of never having been delivered since Toronto was in the midst of a crippling snowstorm on the afternoon of 14 January 1999 when Lubbers was scheduled to speak at Victoria University The two earlier volumes in the series present lectures by John Kenneth Galbraith and Michael Ignatieff The British Liberal Tradition Roy Jenkins, 2001-01-01 Lord Jenkins tells the story of the rise and fall of the British Liberal party under prime ministers Gladstone Churchill Asquith and Lloyd George and explores the place of current British Prime Minister Tony Blair in this tradition **John Kenneth Galbraith** Conrad Waligorski, 2006-06-08 This work examines the economist John Kenneth Galbraith through the unique lense of political theory Waligorski illustrates the continuing link between politics and economics in American political discourse by locating Galbraith in a framework of liberal and conservative theo **War Crimes and the Culture of Peace** Louise Arbour, 2002-12-15 In 1996 Louise Arbour was appointed by the Security Council of the United Nations as Chief Prosecutor for the International Criminal Tribunals for the former Yugoslavia and Rwanda Reflecting on these experiences she argues in War Crimes and the Culture of Peace that the level of public awareness and understanding of the significance of these events is minimal in part as a result of the way in which international criminal law is practiced Justice Arbour contends that previous efforts to unite concepts of international law and criminal law in the practice of these tribunals are evolving and suggests that the ties between personal criminal accountability and peace should be central to the decisions made in the future concerning procedural models for the permanent International War Crimes Tribunals As a result the public might better understand the context and causes of such crime and the notion of crime as a breach of the peace would be made central to these trials Justice Arbour delivered War Crimes and the Culture of Peace as the fifth annual Senator Keith Davey Lecture at Victoria University at the University of Toronto in January 2001 Three Plays of Maureen Hunter Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New □□□□□□□□ □□ □, 2005-01-01 **Reviving Classical Liberalism Against Populism** Nils Karlson, 2023-12-30 This open access book by Nils

Karlson explores the strategies used by left and right wing populists to make populism intelligible recognizable and contestable It presents a synthesized explanatory model for how populists promote autocratization through the deliberate polarization of society It traces the ideational roots of the core populist ideas and shows that these ideas form a collectivistic identity politics Karlson argues that to fight back requires the revival of liberalism itself by defending and developing the liberal institutions the liberal spirit liberal narratives and liberal statecraft The book also presents and discusses an extensive list of counterstrategies against populism Written within the tradition of political theory and institutional economics this book uses a wide variety of sources including results and analyses from social psychology ethics law and history

The League of Nations M. Cottrell, 2017-09-11 The League of Nations occupies a fascinating yet paradoxical place in human history Over time it s come to symbolize both a path to peace and to war a promising vision of world order and a utopian illusion an artifact of a bygone era and a beacon for one that may still come As the first experiment in world organization the League played a pivotal but often overlooked role in the creation of the United Nations and the modern architecture of global governance In contrast to conventional accounts which chronicle the institution s successes and failures during the interwar period Cottrell explores the enduring relevance of the League of Nations for the present and future of global politics He asks What are the legacies of the League experiment How do they inform current debates on the health of global order and US leadership Is there a dark side to these legacies Cottrell demonstrates how the League of Nations soul continues to shape modern international relations for better and for worse Written in a manner accessible to students of international history international relations and global politics it will also be of interest to graduates and scholars

Globalization and Its New Divides Paul van Seters, Bastiaan de Gaay Fortman, Arie de Ruijter, 2003 Most of the contributions in this volume originated as papers for two workshops of the Anniversary Conference of Tilburg University that was held in Tilburg the Netherlands on 26 28 March 2003 The Conference was entitled Sustainable Ties in the Information Society One of the workshops was on The Information Society and Its Discontents The Search for New Recipes and Reform the other one was on Social Cohesion Information Society and Education In light of obvious overlap of themes and content after the Conference it was decided to join the efforts of the two work shops and to strive for an integrated publication

Canadian Books in Print. Author and Title Index , 1975

The Humanities in Contemporary Chinese Contexts Evelyn T. Y. Chan, Michael O'Sullivan, 2016-10-22 This book brings together the perspectives of eminent and emerging scholars on contemporary issues relevant to the practice pedagogy and institutionalization of the humanities in the three Chinese contexts of Hong Kong Taiwan and mainland China It addresses the need to investigate how humanities discussions often exclusively drawn from and grounded in western contexts are today being played out in these three places The humanities in contemporary Chinese contexts may have different social and pedagogical roles and a consideration of them will enable people to moderate and perhaps even refute claims made in the recent re readings of the humanities As Asian universities rise in the global rankings and as east west

university collaborations and partnerships become more common it is important that the nature practice and institutionalization of the humanities in Hong Kong Taiwan and mainland China are explored and described for English readers Exploring new perspectives arising from an examination of the humanities in these places this volume aims neither to establish a position of polarity which would pit western sites against Chinese ones nor to argue for universal sameness Rather the goal is to find nuanced correspondences and differences between these various backgrounds so that there is a greater understanding of the specificities of Chinese contexts This will help shed light not only on the contexts in question but also potentially on how to rearticulate the importance of the humanities in general creating an intercultural dialogue focused on the humanities As the global university strives to move the different traditions of learning closer together through international rankings rubrics and shared research agendas it is important that we explore these locations of potential cultural exchange

Reviving and Re-Writing Ethics in Social Research For Commoning the Community Chowdhury, Jahid Siraz,Vadevelu, Kumarashwaran,Hatta, Zulkarnain A.,Ashraf, Mahfuz,Bhaumik, Amiya,2024-03-05 In the continuously changing field of social sciences ethical considerations in anthropological studies pose unprecedented challenges The book *Reviving and Re Writing Ethics in Social Research For Commoning the Community* embarks on a transformative journey moving beyond historical analysis to address pressing contemporary questions about the norms governing anthropological study Who guards the guardians What ethical challenges does the modern era pose for anthropological sciences These are the critical questions explored in this comprehensive exploration of the ethical landscape of social research As the ethical foundations of social research shift with political intellectual and societal changes there is a pressing need to reassess the purpose of anthropological knowledge and the responsibility of researchers towards the communities they study The book raises vital concerns about the evolving nature of ethical considerations challenging traditional notions of ethical research It highlights the ethical and axiological dilemmas faced by anthropologists in the modern era emphasizing the need for a more community centric approach that actively benefits the studied communities

American Book Publishing Record ,2000-07

Reviving the Left Dwight Furrow,2009-12-04 Furrow s proposals are fresh he urges liberals to develop a more substantial moral identity and win a few battles in the values war by building upon their inherent culture of caring repackaging the conservative movement s successful tactics for the Left Publishers WeeklyIn this fresh assessment of the liberal perspective on politics philosopher Dwight Furrow explains how liberalism lost its moral credentials in the face of challenges from conservatives He articulates a new way of understanding the moral foundations of liberalism that will restore its political fortunes along with America s shattered moral authority A work of popular philosophy *Reviving the Left* is written in a serious but lively engaging and often polemical style Furrow begins by noting that political ideologies have the power to motivate people because they embody conceptions of how to live Conservatives have understood this more clearly than liberals who for too long have relied on bureaucratic solutions and interest group politics which have lacked moral credibility

and passion Now more than ever says Furrow progressive politics if it is to move people hungry for change needs a new vision that will give birth to a more substantial liberal moral identity Furrow takes conservatism to task for promoting what he labels a culture of cynical violent narcissism But rather than praising the liberalism of the past he argues that liberals must radically revise their conception of moral value in order to reverse the damage left behind by many years of conservative rule Reviving the Left argues that liberals must build a culture of caring from the ground up by giving social institutions incentives to encourage a more prominent role in public life for empathy compassion and responsibility Only in such a culture will liberal political initiatives have a chance to succeed in the long run Unlike many books on reviving liberalism which emphasize economics policy debates or political strategies Furrow s Reviving the Left uniquely focuses on moral values and their philosophical underpinnings Furrow s extensive use of references to popular culture especially well known films and also topics of current political discourse makes for an exciting contemporary rethinking of the liberal perspective with widespread appeal Dwight Furrow San Diego CA professor of philosophy at San Diego Mesa College is the author of Ethics Key Concepts in Philosophy and Against Theory Continental and Analytic Challenges in Moral Philosophy He is also the editor of Moral Soundings Readings on the Crisis of Values in Contemporary Life

Revitalising Communities in a Globalising World Lena Dominelli,2018-02-06 Revitalising Communities in a Globalising World explores the opportunities and constraints that the dynamics of globalisation present for human development in a range of different countries and situations Arguing that globalisation is currently a system of organising social relations along neoliberal lines this timely volume examines practical examples of how people respond to significant social changes in their communities The idea of communities is deconstructed to show that globalisation has collapsed the boundaries of time space and place in ways that have exacerbated inequalities at the same time giving rise to unparalleled riches for some The book encompasses a number of case studies that speak to policymakers practitioners educators and students interested in studying globalisation and making the most of its potential for change

Japan's Arduous Rejuvenation as a Global Power Victor Teo,2019-04-08 This open access book assesses the profound impact of Japan s aspirations to become a great power on Japanese security democracy and foreign relations Rather than viewing the process of normalization and rejuvenation as two decades of remilitarization in face of rapidly changing strategic environment and domestic political circumstances this volume contextualizes Japan s contemporary international relations against the longer grain of Japanese historical interactions It demonstrates that policies and statecraft in the Prime Minister Shinzo Abe s era are a continuation of a long unbroken and arduous effort by successive generations of leaders to preserve Japanese autonomy enhance security and advance Japanese national interests Arguing against the notion that Japan cannot work with China as long as the US Japan alliance is in place the book suggests that Tokyo could forge constructive relations with Beijing by engaging China in joint projects in and outside of the Asia Pacific in issue areas such as infrastructure development or in the provision of

international public goods It also submits that an improvement in Japan China relations would enhance rather than detract Japan US relations and that Tokyo will find that her new found autonomy in the US Japan alliance would not only accord her more political respect and strategic latitude but also allow her to ameliorate the excesses of American foreign policy adventurism paving for her to become a truly normal great power

Reviving the Invisible Hand Deepak Lal, 2010-12-16

Reviving the Invisible Hand is an uncompromising call for a global return to a classical liberal economic order free of interference from governments and international organizations Arguing for a revival of the invisible hand of free international trade and global capital eminent economist Deepak Lal vigorously defends the view that statist attempts to ameliorate the impact of markets threaten global economic progress and stability And in an unusual move he not only defends globalization economically but also answers the cultural and moral objections of antiglobalizers Taking a broad cross cultural and interdisciplinary approach Lal argues that there are two groups opposed to globalization cultural nationalists who oppose not capitalism but Westernization and new dirigistes who oppose not Westernization but capitalism In response Lal contends that capitalism doesn't have to lead to Westernization as the examples of Japan China and India show and that new dirigiste complaints have more to do with the demoralization of their societies than with the capitalist instruments of prosperity Lal bases his case on a historical account of the rise of capitalism and globalization in the first two liberal international economic orders the nineteenth century British and the post World War II American Arguing that the new dirigisme is the thin edge of a wedge that could return the world to excessive economic intervention by states and international organizations Lal does not shrink from controversial stands such as advocating the abolishment of these organizations and defending the existence of child labor in the Third World

The New Public Service, Expanded Edition Janet Vinzant Denhardt, 2007 Provides a framework for the many voices calling for the reaffirmation of democratic values citizenship and service in the public interest This edition includes a chapter that addresses the practical issues of applying these ideals in actual real life situations

International Organization and Global Governance Thomas G. Weiss, Rorden Wilkinson, 2018-02-16 Completely revised and updated for the second edition this textbook continues to offer the most comprehensive resource available for all interested in international organization and global governance The book offers In depth and accessible coverage of the history and theories of international organization and global governance Discussions of the full range of state intergovernmental and non state actors Examinations of key issues in all aspects of contemporary world politics New additions to this edition include New and revised chapters on theories of international organization and global governance New substantive chapters on global corporations China financial markets terrorist organizations governing global energy and the Internet Updated contributions to reflect the changing nature of world politics The book comprises fifty four chapters arranged in seven parts and woven together by a comprehensive introduction to the field along with separate introductions to each part to guide students and faculty and helpful pointers to further reading International

Organization and Global Governance is a self contained resource enabling readers to comprehend more fully the role of myriad actors in the governance of global life as well as to assemble the many pieces of the contemporary global governance puzzle

The Global Turn Eve Darian-Smith, Philip C. McCarty, 2017-08

The ability to deploy interdisciplinary theoretical perspectives that speak to interconnected global dimensions is critical if one's work is to be relevant and applicable to the emerging global scale issues of our time

The Global Turn is a guide for students and scholars across all areas of the social sciences and humanities who wish to embark on global studies research projects

The authors demonstrate how the global can be studied from a local perspective and vice versa

They show how global processes manifest at multiple levels transnational regional national and local all of which are interconnected and mutually constitutive

This book takes readers through the steps of thinking like a global scholar in theoretical methodological and practical terms and it explains the implications of global perspectives for research design

Revitalizing Liberal Values In A Globalizing World Introduction

In today's digital age, the availability of Revitalizing Liberal Values In A Globalizing World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Revitalizing Liberal Values In A Globalizing World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Revitalizing Liberal Values In A Globalizing World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Revitalizing Liberal Values In A Globalizing World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Revitalizing Liberal Values In A Globalizing World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Revitalizing Liberal Values In A Globalizing World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Revitalizing Liberal Values In A Globalizing World books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It

also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Revitalizing Liberal Values In A Globalizing World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Revitalizing Liberal Values In A Globalizing World books and manuals for download and embark on your journey of knowledge?

FAQs About Revitalizing Liberal Values In A Globalizing World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revitalizing Liberal Values In A Globalizing World is one of the best book in our library for free trial. We provide copy of Revitalizing Liberal Values In A Globalizing World in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revitalizing Liberal Values In A Globalizing World. Where to download Revitalizing Liberal Values In A Globalizing World online for free? Are you looking for Revitalizing Liberal Values In A Globalizing World PDF? This is definitely going to save you time and cash in something you should think about.
