Right Conduct Michael D. Bayles, Kenneth Henley, 1983      **Ethics in Theory and Application** Horatio Willis

Dresser, 1925      **An Intro. to Syllogistic Logic** ,      *Business Law and Ethics: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources, 2015-03-31 In modern business environments ethical behavior plays a crucial role in success Managers and business leaders must pay close attention to the ethics of their policies and behaviors to avoid a reputation crushing scandal Business Law and Ethics Concepts Methodologies Tools and Applications explores best practices business leaders need to navigate the complex landscape of legal and ethical issues on a day to day basis Utilizing both current research and established conventions this multi volume reference is a valuable tool for business leaders managers students and professionals in a globalized marketplace      *The Ground of Professional Ethics* Daryl Koehn, 2006-05-23 As each week brings more stories of doctors lawyers and other professionals abusing their powers while clients demand extra services as at a time of shrinking resources it is imperative that all practising professionals have an understanding of professional ethics In *The Ground of Professional Ethics* Daryl Koehn discusses the practical issues in depth such as the level of service clients can justifiably expect from professionals when service to a client may be legitimately terminated and circumstances in which client confidences can be broken She argues that while clients may legitimately expect professionals to promote their interests professionals are not morally bound to do whatever a client wants *The Ground of Professional Ethics* is important reading for all practising professionals as well as those who study or have an interest in the subject of professional ethics      **Science and Social Progress** Herbert Wallace Schneider, 1920      **The Lockean Theory of Rights** A. John Simmons, 2020-11-10 John Locke s political theory has been the subject of many detailed treatments by philosophers and political scientists But *The Lockean Theory of Rights* is the first systematic full length study of Locke s theory of rights and of its potential for making genuine contributions to contemporary debates about rights and their place in political philosophy Given that the rights of persons are the central moral concept at work in Locke s and Lockean political philosophy such a study is long overdue      Citation Classics from the Journal of Business Ethics Alex C. Michalos, Deborah C Poff, 2012-08-01 The *Journal of Business Ethics* was founded by Alex C Michalos and Deborah C Poff and published its first issue in March 1982 It is the most frequently cited business ethics journal in the world The Journal has always offered a multi disciplinary and international public forum for the discussion of issues concerning the interaction of successful business and moral virtue Its authors and readers are primarily scholars and students in social sciences and philosophy with special interests in the interaction of these disciplines with business or corporate responsibility Since the field of business ethics grew simultaneously with the growth of the Journal a collection of its most cited articles is tantamount to a collection of the articles that had the greatest influence in defining the field over its first 30 years of development In this

anniversary volume an overview of citation classics from the Journal is presented the 33 most frequently cited articles are reproduced and brief reflections on the impact of the Journal on the field are given from over 100 scholars who authored citation classics and or distinguished papers as well as those who served on the Editorial Board and or are recognized as leaders in the field     **Complex Variables Theory and Application** ,1923     Psychology in Theory and Application Horatio Willis Dresser,1924     Environmental Dilemmas Robert Mugerauer,Lynne Manzo,2008-01-01 Environmental Dilemmas focuses on the ethical problems and dilemmas that emerge in place based professional practices architecture landscape architecture planning engineering and construction management Mugerauer and Manzo connect decision making to major ethical theories principles and rules and professional codes of ethics     *Idea and Essence in the Philosophies of Hobbes and Spinoza* Albert G. A. Balz,1918 Examines the philosophy of Hobbes and Spinoza and argues that to endow these philosophers with a psychology based upon the conception of physical existence is to misrepresent their work It both indicates the resulting misrepresentations and points out the true character of their teachings     **In Harm's Way** Joel Feinberg,Jules L. Coleman,Allen Buchanan,1994-06-24 This 1994 volume contains fifteen essays by leading philosophers exploring themes developed in the work of Joel Feinberg     *Computerization and Controversy* Rob Kling,1996-02-28 The Second Edition of Computerization and Controversy Value Conflicts and Social Choices is a collection of 78 articles that examine the social aspects of computerization from a variety of perspectives many presenting important viewpoints not often discussed in the conventional literature A number of paired articles comprise thought provoking head on debate Fields represented include computer science information systems management journalism psychology law library science and sociology This volume introduces some of the major controversies surrounding the computerization of society and helps readers recognize the social processes that drive and shape computerization Division into eight provocatively titled sections facilitates course planning for classroom or seminar use A lead article for each section frames the major controversies locates the selections within the debates and points to other relevant literature A fully revised and updated version of the first anthological treatment of the subject Organized to facilitate course planning for classroom or seminar use Provides coverage of the influence of computers on a wide variety of fields including computer science information systems management journalism psychology law library science and sociology     **The Ethics of the Family** Linda Oravec,Adam Potthast,Stephen Scales,2010-03-08 Our families are our first and most important ethical training grounds But what is the family And what are our ethical commitments to our family members and to the broader moral community After a brief introductory chapter on basic ethical concepts and theories the essays in this volume provide readers with ethical analyses of issues ranging from same sex marriage to a controversial proposal to license parents The chapters cover love sex marriage parents and children the relationship between the family and the larger moral community and the influence of emerging technologies on the ethical issues inherent in family life The volume is intended to open up this exciting territory in applied

ethics to those interested in philosophy family studies social work and to anyone who wants a deeper understanding of the ethical forces at work in this most basic social institution      Objective Prescriptions, and Other Essays Richard Mervyn Hare,1999 R M Hare has brought together in this volume the best of his uncollected essays in moral philosophy several of them previously unpublished or revised for this collection They span the whole range of his ethical interests from the most abstract to the most down to earth The reader will find here the bases of his ethical theory in Kantian prescriptivism utilitarianism and the logic of imperatives and will see that theory applied to issues of bioethics medical ethics business ethics loyalty and obedience and racism      **Comparative Study of Professional Accountants Judgements** Christopher Patel,Marc J. Epstein,2006-04-21 Provides an empirical examination of cultural influences on judgments of professional accountants from Australia India and Malaysia in relation to a number of ethical issues in accounting including auditor client conflict resolution whistle blowing as an internal control mechanism and social desirability response bias      **Finnish Yearbook of International Law, Volume 7 (1996)** Martti Koskenniemi,Kari Takamaa,2023-09-14 As of Volume VII 1996 The Finnish Yearbook will be published by Martinus Nijhoff Publishers Kluwer Law International Despite its Finnish initiative and pedigrees The Finnish Yearbook of International Law does not restrict itself to purely Finnish topics On the contrary it reflects the many connections in law between the national and the international The Finnish Yearbook of International Law annually publishes in both English and French articles of high quality dealing with all aspects of international law including international law aspects of European law with close attention to developments that affect Finland Its offerings include longer articles of a theoretical nature exploring new avenues and approaches shorter polemics commentaries on current international law developments book reviews and documentation of relevance to Finland s foreign relations not easily available elsewhere The Finnish Yearbook offers a fertile ground for the expression of and reflection on the connections between Finnish law and international law as a whole and insight into the richness of this interaction
