

Russia The People

**Samuel A. Greene, Graeme B.
Robertson**

Russia The People:

Russia Geoffrey A. Hosking, 1997 The Soviet Union crumbles and Russia rises from the rubble once again the great nation a perfect scenario but for one point Russia was never a nation And this says the eminent historian Geoffrey Hosking is at the heart of the Russians dilemma today as they grapple with the rudiments of nationhood His book is about the Russia that never was a three hundred year history of empire building at the expense of national identity Russia begins in the sixteenth century with the inception of one of the most extensive and diverse empires in history Hosking shows how this undertaking the effort of conquering defending and administering such a huge mixture of territories and peoples exhausted the productive powers of the common people and enfeebled their civic institutions Neither church nor state was able to project an image of Russian ness that could unite elites and masses in a consciousness of belonging to the same nation Hosking depicts two Russias that of the gentry and of the peasantry and reveals how the gap between them widened by the Tsarist state s repudiation of the Orthodox messianic myth continued to grow throughout the eighteenth and nineteenth centuries Here we see how this myth on which the empire was originally based returned centuries later in the form of the revolutionary movement which eventually swept away the Tsarist Empire but replaced it with an even more universalist one Hosking concludes his story in 1917 but shows how the conflict he describes continues to affect Russia right up to the present day

Russia Greg Nickles, 2008 After enduring crushing inflation and unemployment Russians are looking to the future with hope of a new prosperity This colorful revised edition of Russia the People takes a look at the new middle class and how the culture has been changing since the change from a state controlled economy to a free market over the last few decades New topics include ethnic nationalisms and instability life in rural Russia and games food and activities Russians share

Russia Robert Service, 2003 The first history of modern Russia from 1991 to the present day by one of the leading historians of the 20th century USSR and Russia In 1991 in a huge experiment with a people and in a state of euphoria Boris Yeltsin abolished the USSR and recreated the Russian nation At the point of its declaration it was in a state of economic and social disarray and yet there were high hopes Hopes which have subsequently been dashed Robert Service brings to bear his vast knowledge of the people and the country to put the recent upheavals into context and he shows that not everything changed for the worst 1991 The Gorbachev years have allowed the Russian people to give a priority to living a private life and shutting the door on the state They could think what they liked They could enjoy intellectual and religious freedom and indulge in recreations their income would allow Gays and Lesbians could come out The Youth culture could finally be loosed from constraints This is a broad political social and cultural history of one of the newest nations ever to be formed

Russians Gregory Feifer, 2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries and continue to do so today Russians explores the seeming paradoxes of life in Russia by unraveling the nature of its people what is it in

their history their desires and their conception of themselves that makes them baffling to the West Using the insights of his decade as a journalist in Russia Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super rich and the great majority of poor Traversing the world's largest country from the violent North Caucasus to Arctic Siberia Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much needed light on the purposely hidden functioning of its society before during and after communism Woven throughout is an intimate first person account of his family history from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka fueled run ins with the KGB What emerges is a rare portrait of a unique land of extremes whose forbidding geography merciless climate and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances Russians is an expertly observed gripping profile of a people who will continue challenging the West for the foreseeable future

Russia's People of Empire Stephen M. Norris, Willard Sunderland, 2012 This book explores the multicultural world of historical Russia through the life stories of 31 individuals that exemplify the cross cultural exchanges in the country from the late 1500s to post Soviet Russia

Putin's People Catherine Belton, 2020-06-23 A New York Times and Sunday Times bestseller A New York Times Book Review Editors Choice Named a best book of the year by The Economist Financial Times New Statesman The Telegraph Putin's People will surely now become the definitive account of the rise of Putin and Putinism Anne Applebaum The Atlantic This riveting immaculately researched book is arguably the best single volume written about Putin the people around him and perhaps even about contemporary Russia itself in the past three decades Peter Frankopan Financial Times Interference in American elections The sponsorship of extremist politics in Europe War in Ukraine In recent years Vladimir Putin's Russia has waged a concerted campaign to expand its influence and undermine Western institutions But how and why did all this come about and who has orchestrated it In Putin's People the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country Delving deep into the workings of Putin's Kremlin Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe The result is a chilling and revelatory exposé of the KGB's revanche a story that

begins in the murk of the Soviet collapse when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda reasserting Russian power while taking control of the economy for themselves, suppressing independent voices and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach and assembling a colorful cast of characters to match Putin's People is the definitive account of how hopes for the new Russia went astray with stark consequences for its inhabitants and increasingly the world.

Russia Jim Bartell, 2013-08-01 Moscow's Red Square is a center of Russian history and culture. This book explores the physical and cultural geography of Russia, showing the reader what daily life is like in Russia and how Russians keep their cultural traditions alive in the modern world.

Russia and Eurasia 2023-2024 Navruz Nekbakhtshoev, 2023-09-30 The World Today Series. Russia and Eurasia deals with twelve sovereign states that became independent following the collapse of the Soviet Union in December 1991. Approximately one third of the book is devoted to Russia. The remainder of the book is comprised of separate chapters on Armenia, Azerbaijan, Belarus, Georgia, Kazakhstan, Kyrgyzstan, Moldova, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan. The text focuses heavily on recent economic and political developments within these twelve states. Each country chapter offers descriptions and overviews of the respective governmental institutions, key leaders, civil society dynamics, and economic conditions within each state. It supplements this focus with shorter sections dealing with historical developments, demographics, foreign policy, and cultural elements. Each chapter concludes with brief projections of future developments within each state. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for students, researchers, practitioners in international development, media professionals, government officials, and potential investors.

The Russian "House" Jason C. Vaughn, 2018-10-15 The Russian House: An Examination of Post-Soviet Russian Culture in the Times of Putin examines Russian society as considered by the Russian people. This study recognizes the political, economic, and social structure of post-Soviet Russia in the 2010s era, given that the Russian citizenry, the ethnic, and the civil still desires and recognizes the need for reform while still relying on a host of ideas which Russian society and culture reflexively fall back on. This book will examine categorizations as separated into five co-equal constructs that this book will posit to be axiomatic of Russian culture and worthy of consideration in further view of the possibility for Russia to one day become a stable and prosperous country without authoritarianism, bloodshed, militarism, or excess nationalism.

The Russia that we have preserved Maxim Lyubovsky, 2019-01-27 Through the history of the power struggle, this book analyzes how two fundamentally different types of social structures had developed in Russia and in Europe. In Russia, the political system formed as a Power Pyramid in which power is based on the coercive force of the state apparatus. This allowed Russia to mobilize its resources and exert influence on the world's political affairs far beyond its economic and population potential. The book examines the main features of the Russian power system, describes how it transformed and revived itself through

the centuries of tumultuous Russian history and analyses the pathways that can lead to the transition of Russia to a democratic western type society This book should give the reader a new outlook on the events of Russian past and present help to better explain the current state of affairs in Russia and maybe help predict the future course of events **Russia's Public Diplomacy** Anna A. Velikaya,Greg Simons,2019-09-26 Russian public diplomacy attracts growing attention in the current global climate of tension and competition However it is often not understood or is misunderstood Although some articles and book chapters exist there are almost no books on Russian public diplomacy neither in Russian nor in English This edited collection is an in depth and broad analysis of Russian public diplomacy in its conceptual understanding and its pragmatic aims and practice Various aspects of Russian public diplomacy from cultural to business practices will interest professors students and practitioners from various countries Written by a diverse collection of the most prominent and capable scholars from academia to international organizations with a wealth of knowledge and objective experience this book covers the vital topics and thoroughly analyzes the best practices and mistakes within the broad understanding of public diplomacy conducted by the Russian Federation Soviet Russia ,1920 **Theatre and Identity in Imperial Russia** Catherine Schuler,2009-05 What role did the theatre both institutionally and literally play in Russia s modernization How did the comparatively harmonious relationship that developed among the state the nobility and the theatre in the eighteenth century transform into ideological warfare between the state and the intelligentsia in the nineteenth How were the identities of the Russian people and the Russian soul configured and altered by actors in St Petersburg and Moscow Using the dramatic events of nineteenth century Russian history as a backdrop Catherine Schuler answers these questions by revealing the intricate links among national modernization identity and theatre Schuler draws upon contemporary journals written and published by the educated nobility and the intelligentsia who represented the intellectual aesthetic and cultural groups of the day as well as upon the laws of the Russian empire and upon theatrical memoirs With fascinating detail she spotlights the ideologically charged binaries ascribed to prominent actors authentic performed primitive civilized Russian Western that mirrored the volatility of national identity from the Napoleonic Wars through the reign of Alexander II If the path traveled by Russian artists and audiences from the turn of the nineteenth century to the era of the Great Reforms reveals anything about Russian culture and society it may be that there is nothing more difficult than being Russian in Russia By exploring the ways in which theatrical administrators playwrights and actors responded to three tsars two wars and a major revolt this carefully crafted book demonstrates the battle for the hearts and minds of the Russian people **Russia and The Commonwealth of Independent States 2013** M. Wesley Shoemaker,2013-08-30 Russia and the Commonwealth of Independent States 2011 is a volume in The World Today Series Published and updated annually this series provides both a short historical treatment and an up to date look at the various countries of the entire globe Russia and the Commonwealth of Independent States deals with the twelve independent republics that became members of the Commonwealth of Independent States following the

collapse of the Soviet Union in December 1992 The book focuses strongly on recent economic and political developments with shorter sections dealing with foreign policy the military religion education and specific cultural elements that help to define each republic and differentiate one from the other Approximately one third of the book is devoted to Russia with shorter sections dealing with Ukraine Belarus Moldova Armenia Azerbaijan Georgia Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan There is also a section dealing with how the Commonwealth of Independent States came into being and how it has evolved since 1992 **Russia and Western Man** Walter Schubart,1950 *Struggling Russia* ,1919

Putin v. the People Samuel A. Greene,Graeme B. Robertson,2019-06-11 A fascinating bottom up exploration of contemporary Russian politics that sheds new light on why Putin s grip on power is more fragile then we think What do ordinary Russians think of Putin Who are his supporters And why might their support now be faltering Alive with the voices and experiences of ordinary Russians and elites alike Sam Greene and Graeme Robertson craft a compellingly original account of contemporary Russian politics Telling the story of Putin s rule through pivotal episodes such as the aftermath of the For Fair Elections protests the annexation of Crimea and the War in Eastern Ukraine Greene and Robertson draw on interviews surveys social media data and leaked documents to reveal how hard Putin has to work to maintain broad popular support while exposing the changing tactics that the Kremlin has used to bolster his popularity Unearthing the ambitions emotions and divisions that fuel Russian politics this book illuminates the crossroads to which Putin has led his country and shows why his rule is more fragile than it appears **The Etude** ,1913 A monthly journal for the musician the music student and all music lovers [The Nineteenth Century and After](#) ,1918 **Russia Before and After Crimea** Pal Kolsto,2017-12-04 No detailed description available for Russia Before and After Crimea

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Russia The People full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russia The People eBooks, including some popular titles.

FAQs About Russia The People Books

What is a Russia The People PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves

the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Russia The People PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russia The People PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russia The People PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russia The People PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
