

Russia In 1919

Alastair Grant

Russia In 1919:

Civil War in South Russia, 1919-1920 Peter Kenez, 2023-09-01 The Russian Civil War a multifaceted struggle between the Bolsheviks and their opponents offers a profound lens into the dynamics of power ideology and societal upheaval At its core the war was more than a military contest it was a political battle for the hearts and minds of a fragmented nation While the Bolsheviks demonstrated superior political strategy organization and adaptability the Whites floundered due to their inability to construct effective institutions or garner widespread legitimacy This failure compounded by their reliance on outdated systems and resistance to political engagement critically undermined their capacity to govern and mobilize support Despite the seeming advantages of Allied aid and a pool of experienced administrators the Whites internal divisions and lack of cohesive vision rendered their efforts increasingly ineffectual This study delves into the political administrative and ideological shortcomings of the White movement particularly in South Russia as it evolved from initial optimism to ultimate collapse By examining the policies social structures and leadership dynamics within the White territories the analysis reveals a pattern of disconnection between central authority and local implementation Through a comparative approach the book highlights how the Bolsheviks ability to align their actions with the aspirations of the masses starkly contrasted with the Whites entrenched elitism and detachment While military operations and Allied involvement feature as important elements the primary focus lies on the political dimensions and institutional weaknesses that defined the conflict and determined its outcome Ultimately the Whites defeat underscores the essential interplay of legitimacy force and political engagement in shaping the trajectory of civil wars This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977

Six Weeks in Russia, 1919 Arthur Ransome, 2012-02-02 But for Swallows and Amazons some of Arthur Ransome s earlier writings would be better known The extraordinary success Ransome achieved as a children s writer from the 1930 s until his death in 1967 perhaps inevitably eclipsed his earlier work but in the case of his two books and pamphlet on the Russian revolutions of 1917 and the tumultuous events that followed that is a great loss it can be said unequivocally that these writings are on a par perhaps even exceeding such classics as John Reed s Ten Days that Shook the World Arthur Ransome knew Russia He lived there from 1914 to 1918 almost all the time He taught himself Russian and became a foreign correspondent for the liberal Daily News and Manchester Guardian More than that he came to know many of the Bolshevik leaders like Lenin Trotsky and Checherin almost as personal friends and indeed married Trotsky s secretary Evgenia Petrovna Shelepina Arthur Ransome as a commentator on the Russian scene at the most convulsive moment in its history is unique Unlike famous visitors like H G Wells though his marvellous book Russia in the Shadows shouldn t be overlooked and Bertrand Russell his was no brief journalistic inspection and unlike other reporters

such as John Reed Victor Serge and Alfred Rosmer there was no tendentiousness in what he wrote they were convinced revolutionaries Ransome although not unsympathetic to the Bolshevik cause was a more objective recorder Six Weeks in Russia The Crisis in Russia and the pamphlet The Truth about Russia constitute the best contemporary writing about Russia at the time of the Bolshevik takeover They were reissued in the early 1990s with an introduction by Paul Foot which has been retained for the Faber Finds reissue of Six Weeks in Russia otherwise they have been out of print since first published

Russia in 1919 Arthur Ransome, 1919 Russia in 1919 and the Crisis in Russia Arthur Ransome, 2005-12 This book describes the economic social and political situation Arthur Ransome saw during his visit to Russia in February and March of 1919 Underlining the description of these events is the wrenching famine in Russia caused by the Civil War In this work Ransome interviews several prominent members of the Soviet government as well as ordinary citizens of Soviet Russia While Ransome's support of the Soviet society is evident in his critical but encouraging look at this new government struggling through a civil war Letters From Russia 1919 Peter Demianovich Ouspensky, 1978-01-01 From 1907 until 1913 Ouspensky wrote fairly regularly for a Russian newspaper mostly on foreign affairs At the same time he was working on various books based on the idea that our consciousness is an incomplete state not far removed from sleep and also that our three dimensional view of the universe is inadequate and incomplete Hoping that answers to some of the questions he had posed might have been found by more ancient civilisations he made an extensive tour of Egypt Ceylon and India On his return Ouspensky learnt that Russia was at war For a time impending events did not prevent him from lecturing about his travels to very large audiences in St Petersburg and Moscow But in 1917 while revolution was spreading through all the Russias and the Bolsheviks were establishing their reign of terror Ouspensky was living in various temporary quarters in South Russia in conditions of great danger and hardship Until he managed to reach Turkey in 1920 he and those around him were completely cut off from the outside world unable to receive or send news even as far as the next town constantly on the alert to avoid being picked up and murdered by the Bolsheviks In 1919 Ouspensky somehow found a way to send a series of articles to the New Age which under the skilful editorship of A R Orage was the leading literary artistic and cultural weekly paper published in England These five articles appeared in six instalments as Letters from Russia They give a detached but horrific description of the total breakdown of public order and are reprinted here for the first time A remarkable feature of the Letters is that while the revolution was in progress and the Bolshevik regime not fully established Ouspensky foresaw with unusual clarity the inevitability of the tyranny described by Solzhenitsyn fifty years later During the winter of 1919 and the spring of 1920 C E Bechhofer afterwards known as Bechhofer Roberts was observing events in Russia as a British correspondent who spoke Russian and had previous experience of the country and people He had met Ouspensky before 1914 both in Russia and in India he was a regular contributor to the New Age and had himself translated the first of Ouspensky's Letters from Russia written in July 1919 In Bechhofer's book In Denikin's Russia the author describes the week

or two he spent with Ouspensky and Zaharov above a sort of barn at Rostov on the Don With its pathos and humour this passage makes a fitting epilogue to Ouspensky's smuggled Letters Russia in 1919 Arthur Ransome, 2007-07 Arthur Mitchell Ransome 1884-1967 was a British author and journalist best known for writing the Swallows and Amazons series of children's books which tell of school holiday adventures of children mostly in the Lake District and the Norfolk Broads areas of England Ransome was born in Leeds where his father lectured as a Professor of History He attended Yorkshire College his father's college for a year studying chemistry However he abandoned the college and went to London to become a writer He took low paying jobs as an office assistant in a publishing company and as editor of a failing magazine while writing and becoming a member of the literary scene of London After he had become involved in the literary and artistic life of London he wrote *Bohemia in London* 1907 about some of the personalities he knew In 1913 he left his wife and daughter and went to Russia to study folklore In 1916 he published *Old Peter's Russian Tales* a collection of 21 folktales from Russia **SIX WEEKS IN RUSSIA IN 1919** ARTHUR. RANSOME, 2018 **The Famine in Soviet Russia, 1919-1923** Harold Henry Fisher, 1927 *The Allied Intervention in Russia, 1918-1920* I. Moffat, 2015-02-26 This work explores the reasons for the Allied intervention into Russia at the end of the Great War and examines the military diplomatic and political chaos that resulted in the failure of the Allies and White Russians to defeat the Bolshevik Revolution Russia Under the Bolshevik Regime, 1919-1924 Richard Pipes, 1997 The final part of this trilogy which began with *RUSSIA UNDER THE OLD REGIME* and continued with *THE RUSSIAN REVOLUTION* The volume deals with the attempts of the Bolsheviks to defend and expand their authority and build a Communist state **Allied Intervention in Russia 1918-1919** John Swettenham, 2017-03-27 When originally published in 1967 and using archive material from official records in Ottawa this book threw new light on the motives and actions of the intervening powers Allied intervention took place in three main areas Northern and Southern Russia as well as Siberia Canada was the major Commonwealth contributor to the intervention in Siberia and a superficial account of the events and their political implications is contained in the official history of the Canadian Army in the First World War This book discusses the subject in depth and from an international perspective In this critical assessment the story of the Allied operations in Russia has been written against the double background of the issues and events of the Russian Civil War itself and of the international intrigues and rivalries of the Allies **Russia in 1919** Arthur Ransome, 1919 *The Red Heart of Russia (1919)* Bessie Beatty, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work **In Denikin's Russia and the Caucasus, 1919-1920** Carl Eric Bechhofer Roberts, 1921 *Red Advance, White Defeat* Peter Kenez, 2008-07-01 The second of a two volume history and analysis of the Russian Civil War this volume covers events

spanning 1919 to 1920 The republication of Professor Kenz s classic volumes is to be warmly welcomed Based on copious archival research and a close reading of published memoirs and mixing careful narrative with judicious analysis they still provide the definitive history of the anti Bolshevik movement in South Russia Their original publication provided an inspiration for a generation of scholars of the Russian Civil War the new edition will certainly inspire another The armchair historian too as well as all those interested in the fate of contemporary Russia will find much to admire and much to ponder upon in this well told tale of one of the most bloody and tragic episodes in recent European history Jonathan D Smele University of London The profession will be delighted to learn that this classic study of the Russian Civil War 1917-21 on its most crucial battleground is again available Kenz s work was the first in any language to cut through the rhetoric of partisan memory and historiography in order to present a complicated and balanced view of both sides While demythologizing Soviet historical explanations Kenz is especially keen in displaying the enormous variety of the White or anti Communist movement and analyzing the causes of its defeat Richard Stites Georgetown University Second edition with an updated bibliography

Wilson and Russia, 1917-1920 Leslie Wiberg, 1900

Royal Marines in Russia, 1919 Alastair Grant, 2024-06-30 At the height of the Russian Civil War in 1919 Britain poured in thousands of troops and vast amounts of munitions to assist the White Russian opponents of Lenin s Communist forces This was despite exhaustion following the Great War and the Spanish flu epidemic One man involved was 23 year old Royal Marines officer Thomas Henry Jameson His mission took him and his men on a journey of 5 000 miles from Vladivostok to the battlegrounds not far from Moscow As part of a White Russian Flotilla they steamed down the huge Kama River and fought a series of successful battles against superior Bolshevik gunboats Later they were forced to retreat and becoming cut off behind enemy lines had to fight their way out knowing that if captured they faced summary execution Eventually after a long and hazardous journey they made it back to their parent ship Jameson and his Marines faced a multitude of hazards in this cruel civil war including disease which he described as the biggest challenge of all In some other British units there were reports of mutiny due to terrible conditions Yet as this fascinating book describes remarkably he succeeded not only to keep his men alive but inflict significant damage on a ruthless enemy

The French Intervention in South Russia 1918-1919 ... Lyman William Priest, 1947

Russia Abroad Marc Raeff, 1990-04-19 The dramatic events of the twentieth century have often led to the mass migration of intellectuals professionals writers and artists One of the first of these migrations occurred in the aftermath of the Russian Revolution when more than a million Russians were forced into exile With this book Marc Raeff one of the world s leading historians of Russia offers the first comprehensive cultural history of the Great Russian Emigration He examines the social and institutional structure of the emigration and describes its rich cultural and intellectual life He points out that what distinguishes this emigration from other such episodes in European history is the extent to which the emigres succeeded in reconstituting and preserving their cultural creativity in the West The flourishing Russian communities of Paris

Berlin Prague and Kharbin not only enriched Russian arts and letters but also significantly influenced the culture of their Western hosts and Raeff concludes with an assessment of their impact on the development of modern Western and Soviet culture

Revolution in Danger Victor Serge, 2011-03-15 The author of *Memoirs of a Revolutionary* brings to life the unwavering commitment of red Petrograd during some of the Russian Revolution's darkest hours Upon arrival in Petrograd in 1919 Victor Serge the great chronicler of the Russian Revolution found a society nearly shredded to ribbons by civil war Threatened on all sides by invading armies from fourteen countries and attacked from within by counterrevolutionary forces seeking to restore the Tsar the fledgling revolution was facing its darkest hours In these essays Serge paints a bleak picture of the desperate conditions faced by Petrograd's working class capturing the revolutionary enthusiasm that stood as the last defense of their besieged city Challenging the revolution's critics Serge defends the measures the revolutionary government was forced to take to defend the gains workers and peasants had made in overthrowing Tsarist tyranny and pulling Russia out of World War I This is an inspiring account of the struggle to defend workers power and Serge's enthusiasm for the revolution and the prospect of a better future it represented Praise for Victor Serge He was an eyewitness of events of world historical importance of great hope and even greater tragedy His political recollections are very important because they reflect so well the mood of this lost generation His articles and books speak for themselves and we would be poorer without them

Russia In 1919 Introduction

In today's digital age, the availability of Russia In 1919 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia In 1919 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia In 1919 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia In 1919 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia In 1919 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia In 1919 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia In 1919 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users

to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia In 1919 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia In 1919 books and manuals for download and embark on your journey of knowledge?

FAQs About Russia In 1919 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia In 1919 is one of the best book in our library for free trial. We provide copy of Russia In 1919 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia In 1919. Where to download Russia In 1919 online for free? Are you looking for Russia In 1919 PDF? This is definitely going to save you time and cash in something you should think about.
