Div. 8 James Taylor,1887 **Collision of Empires** Prit Buttar,2014-06-20 Collision of Empires is the first major historical work on the Eastern Front during World War I since the 1970s One of the primary triggers of the outbreak of World War I was undoubtedly the myriad alliances and suspicions that existed between the Russian German and Austro Hungarian empires in the early 20th century Yet much of the actual fighting between these nations has been largely forgotten in the West Driven by first hand accounts and detailed archival research Collision of Empires seeks to correct this imbalance The first in a four book series on the Eastern Front in World War I Prit Buttar s dynamic retelling examines the tumultuous events of the first year of the war and reveals the chaos and destruction

that reigned when three powerful empires collided A war that was initially seen by all three powers as a welcome opportunity to address both internal and external issues would ultimately bring about the downfall of them all
