

Russian American Song Dance

S. Hutchings

Russian American Song Dance:

'Russian Americans' in Soviet Film Marina L. Levitina, 2015-09-29 Certain aspects of American popular culture had a formative influence on early Soviet identity and aspirations. Traditionally, Soviet Russia and the United States between the 1920s and the 1940s are regarded as polar opposites on nearly every front. Yet American films and translated adventure fiction were warmly received in 1920s Russia and partly shaped ideals of the New Soviet Person into the 1940s. Cinema was crucial in propagating this new social hero. While open admiration of American film stars and heroes of literary fiction in the Soviet press was restricted from the late 1920s onwards, many positive heroes of Soviet Socialist Realist films in the 1930s and 1940s were partially a product of Soviet Americanism of the previous decade. Some of the new Soviet heroes in films of the 1930s and 1940s possessed traits noticeably evocative of the previously popular American film stars such as Douglas Fairbanks, Pearl White, and Mary Pickford. Others cinematically represented the contemporary trope of the Russian American, an ideal worker exemplifying the Stalinist marriage of Russian revolutionary sweep with American efficiency. *Russian Americans in Soviet Film* analyses the content, reception, and underlying influences of over 60 Soviet and American films; the book explores new territory in Soviet cinema and Soviet American cultural relations. It presents groundbreaking archival research encompassing Soviet audience surveys, Soviet film journals and reviews, memoirs, and articles by Soviet filmmakers and scripts among other sources. The book reveals that values of optimism, technological skill, efficiency, and self-reliance, perceived as quintessentially American, were incorporated into new Soviet ideals through channels of cross-cultural dissemination, resulting in cultural synthesis.

Dance Me a Song Beth Genné, 2018 Traces the history of famous Hollywood collaborations as the palimpsest of dance film and musical techniques were developed over time. Provides lively and necessary scholarship for all dance enthusiasts.

Nicolas Slonimsky: Russian and Soviet music and composers Nicolas Slonimsky, 2004 First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

The Journal of Health and Physical Education, 1947 **The Supervisors Service Bulletin**, 1925 **Reclaiming and Redefining American Exhibitions of Russian Art** Roann Barris, 2023-08-23 This book examines the history of American exhibitions of Russian art in the twentieth century in the context of the Cold War. Because this history reflects changes in museological theory and the role of governments in facilitating or preventing intercultural cooperation, it uncovers a story that is far more complex than a chronological listing of exhibition names and art works. Roann Barris considers questions of stylistic appropriations and influences and the role of museum exhibitions in promoting international and artistic exchanges. Barris reveals that Soviet and American exchanges in the world of art were extensive and persistent despite political disagreements before, during, and after the Cold War. It also reveals that these early exhibitions communicated contradictory and historically invalid pictures of the Russian or Soviet avant-garde. The book will be of interest to scholars working in art history, museum studies, and Russian studies.
