Soviet Science on the Edge of Reform Harley D. Balzer, 2019-06-04 It is my sincere hope that the reforms currently being introduced in the USSR will render much of this book obsolete Yet even if perestroika brings significant change to the Soviet Union historians will want a record of what existed before After four years it has become apparent that perestroika is a painful long term process In such a large and diverse country even the reforms that are successful cannot take place everywhere at once One major goal in publishing this book is to make data from a major interview project on Soviet science and technology available to a broader audience Despite the changes taking place many of the features illuminated by these unique data persist

The Life of a Russian Woman Doctor Anna Bek, Anne D Rassweiler, Adele Lindenmeyr, 2004-11-10 The Life of a Russian Woman Doctor by Anna Bek 1869 1954 yields rich insights into the lives of a generation of Russian women who lived at a time of revolutionary change extraordinary challenges and unprecedented opportunities Written in a lively and compelling style Anna Bek s memoir reveals not only the experiences but also the motives and values of women who sought education independence and self sufficiency the obstacles they encountered and the influences of other women and men on their lives This engrossing memoir also engages the special

context of Siberian geography and history the vast distances and isolation the heterogeneous population of settlers exiles and convicts the closeness and interdependence of families and communities and the deep appreciation of nature This book offers a rewarding excursion into Siberian social history and an intimate acquaintance with two exceptional individuals of great charm and courage Anna Bek and her American editor Anne D Rassweiler **Everyday Life in Early Soviet Russia** Christina Kiaer, Eric Naiman, 2006 How Soviet citizens in the 1920s and 1930s internalized Soviet ways of looking at the world and living their everyday lives *Urban Life in Contemporary China* Martin King Whyte, William L. Parish, 1985-11-15 Through interviews with city residents Martin King Whyte and William L Parish provide a unique survey of urban life in the last decade of Mao Zedong's rule They conclude that changes in society produced under communism were truly revolutionary and that in the decade under scrutiny the Chinese avoided ostensibly universal evils of urbanism with considerable success At the same time however they find that this successful effort spawned new and equally serious urban problems bureaucratic rigidity low production and more **The Jewish Quarterly**, 1985 **Informal Healthcare in Contemporary Russia** Yulia Krashennnikova, 2017-04-25 This volume deals with one of the most understudied aspects of everyday life in Russian society Its main characters are the providers of goods and services to whom people turn for healthcare instead of official medical institutions This encompasses a wide range of actors from network marketing companies to folk journals on health as well as healers complementary medicine specialists and religious organizations Krashennnikova's investigation pays particular attention to the legal social and economic status of informal healthcare providers She demonstrates that these agents tend to flourish in bigger towns rather than in small settlements where public healthcare is lacking She also emphasizes the flexibility of boundaries between formal and informal healthcare due to the evolution of rules and regulations The study reveals the important role of institutions that are generally not connected to alternative medicine such as pharmacies libraries and church shops This book is based on rich empirical observations and avoids both positive and critical assessment of the analyzed phenomena The result is a vivid and thorough introduction to the world of self medication and alternative healing in contemporary Russia *The Doctor in Literature: Private life* Solomon Posen, 2005 This is a structured annotated and indexed anthology dealing with the personality and the behaviour of doctors and doctor patient relationships ideal for medical humanities courses **Russia as Civilization** Kåre Johan Mjør, Sanna Turoma, 2020-05-18 Analyzing the use of civilization in Russian language political and media discourses intellectual and academic production and artistic practices this book discusses the rise of civilizational rhetoric in Russia and global politics Why does the concept of civilization play such a prevalent role in current Russian geopolitical and creative imaginations The contributors answer this question by exploring the extent to which discourse on civilization penetrates Russian identity formations in imperial and national configurations and at state and civil levels of society Although the chapters offer different interpretations and approaches the book shows that Russian civilizationism is a form of ideological production responding to

the challenges of globalization The concept of civilization while increasingly popular as a conceptual tool in identity formation is also widely contested in Russia today This examination of contemporary Russian identities and self understanding will be of particular interest to students and scholars of Russian area studies and Slavic studies intellectual and cultural history nationalism and imperial histories international relations discourse analysis cultural studies media studies religion studies and gender studies
