Russian Doctor A Surgeons Life In Contemporary Russia And Why He Chose To Leave:

Soviet Science on the Edge of Reform Harley D. Balzer, 2019-06-04 It is my sincere hope that the reforms currently being introduced in the USSR will render much of this book obsolete Yet even if perestroika brings significant change to the Soviet Union historians will want a record of what existed before After four years it has become apparent that perestroika is a painful long term process In such a large and diverse country even the reforms that are successful cannot take place everywhere at once One major goal in publishing this book is to make data from a major interview project on Soviet science and technology available to a broader audience Despite the changes taking place many of the features illuminated by these unique data persist *The Jewish Quarterly* ,1998 **Medical Books and Serials in Print** ,1984 **Waking the Tempests** Eleanor Randolph, 1996 This book by veteran journalist Eleanor Randolph offers a startling picture of life in Russia in the wake of the Soviet collapse where the chaos that followed engulfed everything and everybody *Jewish Quarterly* ,1985 Medical and Health Care Books and Serials in Print ,1987 *Books in Print* ,1991 **Forthcoming Books** Rose Army, 1984-03 **Peter the Great: His Life and World** Robert K. Massie, 2012-09-18 PULITZER PRIZE WINNER An urgently readable Newsweek biography of the captivating tsar who changed Russian history from the New York Times bestselling author of Nicholas and Alexandra The Romanovs and Catherine the Great Enthralling as fascinating as any novel and more so than most The New York Times Book Review Against the monumental canvas of seventeenth and eighteenth century Europe and Russia unfolds the magnificent story of Peter the Great crowned co tsar at the age of ten Robert K Massie delves deep into his life chronicling the pivotal events that shaped a boy into a legend including his incognito travels in Europe his unquenchable curiosity about Western ways his obsession with the sea and establishment of the stupendous Russian navy his creation of an unbeatable army his transformation of Russia and his relationships with those he loved most Catherine the robust yet gentle peasant his loving mistress wife and successor and Menshikov the charming bold unscrupulous prince who rose to wealth and power through Peter s friendship Impetuous and stubborn generous and cruel tender and unforgiving a man of enormous energy and complexity Peter the Great is brought fully to life **The Life of a Russian Woman Doctor** Anna Bek, 2004-11-10 The story of an idealistic Russian woman doctor in pre and postrevolutionary Siberia Soviet Life ,1969 **The Politics of Poverty in Contemporary Russia** Ann-Mari S tre, 2019-01-15 This book provides an overview of poverty and well being in Russia Increasing poverty rates during the 1990s were followed by greater attention to social policies in the 2000s and increased efforts to engage people in socially oriented NGOs and encourage them to contribute to the fulfillment of social aims What impact did these developments have on the prevalence of poverty in contemporary Russian society Tracing continuities from the Soviet system alongside recent developments such as the falling price of oil economic sanctions and changes in directions of social policy this book explores the impact of poverty inequality and social programmes The author examines the agency of people living in poverty and those engaged in social policy using

official statistics survey data and interviews from four Russian regions to explain the reasons and consequences of poverty and people's attempts to get out of it. The approach is based on institutional theory complemented by Amartya Sen's capability approach highlighting the importance of agency and an institutional framework as a means for change. A timely book that will be of interest to students of contemporary Russian politics as well as those engaged in social policy issues.

Studies Of The Third Wave Dan A Jacobs, Ellen F Paul, 2019-07-17 During the 1970s the Soviet Union allowed large numbers of its citizens to emigrate the first major group allowed to leave in five decades. The number of emigres peaked in 1979 with 50 000 persons leaving the USSR most of them Soviet Jews most of them bound for the United States. This book studies this most recent of three major influxes of Soviet Jews into the United States. Using case studies based on six major cities it considers where the immigrants came from why they came how they feel about the Soviet regime and people what their occupations were in the USSR and how they are adjusting to social and professional life in the United States. Their responses are compared with those of earlier immigrants to draw conclusions about the role the third wave may play in U S life. The interviews also shed light on current political social and economic conditions in the Soviet Union. **Subject Guide to Books in Print** ,1984 **The Philadelphia Medical Journal** ,1901 **LIFE** ,1964-07-10 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century.
