Russian Essays on Shakespeare and His Contemporaries Aleksandr Tikhonovich Parfenov, Joseph G. Price, 1998 Throughout his career from the early play *Love's Labour's Lost* to one of his last romances *The Winter's Tale* Shakespeare was intrigued by Russia Reciprocating that intrigue over the last few centuries Russia as so many other countries has claimed Shakespeare as its own The essays in this book represent the work of Russian and Ukrainian scholars from three different perspectives explaining the plays to Russian audiences discussing Russian theater for Western audiences and dealing with contemporary criticism *Foreign Accents* Aimara da Cunha Resende, Thomas LaBorie Burns, 2002 *Foreign Accents* is formed of two parts the first one offers analyses of translations interpretations appropriations of plays and sonnets in different processes of transmutation The second comprises texts that deal with more general critical readings Shakespeare is viewed in the light of gender studies of postmodernism and of comparative studies *German Shakespeare Studies at the Turn of the Twenty-first Century* Christa Jansohn, 2006-10 This collection of fifteen essays offers a sample of German Shakespeare studies at the turn of the century The articles are written by scholars in the old Bundeslander and deal with topics such as culture memory and natural sciences in Shakespeare's work Shakespearean spin offs and the reception of Venice and Shylock in Germany Series Shakespeare and His Contemporaries Publisher's website *Shakespeare and Scandinavia* Gunnar Sorelius, 2002 There is also a study of English Danish relations in Shakespeare's time and how they are reflected in *Hamlet* and another essay discusses the very personal work of the influential Danish scholar Georg Brandes

India's Shakespeare Poonam Trivedi, Dennis Bartholomeusz, 2005 This is a collection on the diverse aspects of the interaction between Shakespeare and India a process embedded in the contradictions of colonialism of simultaneous submission and resistance The essays grouped around the key issues of translation interpretation and performance deal with how the plays were taught translated and adapted as well as the literary social and political implications of this absorption into the cultural fabric of India They also look at the other side what India meant to Shakespeare Further they document how the performance of Shakespeare both colonized and catalyzed Indian theater being staged in English in schools in translation in various parts of the country through acculturation into indigenous theater forms and Hindi cinema The book highlights and thus rereads not just one of the longest and most widespread interactions between a Western author and the East but also part of the colonial and postcolonial history of India Poonam Trivedi is a Reader in English at Indraprastha College University of Delhi Now retired Dennis Bartholomeusz was Reader in English literature at Monash University in Melbourne

scholarship such as PhDs **Dostoevsky's Hamlet in Nineteenth-Century Russia** Petra Bjelica, 2025-05-15 Dostoevsky uses Hamlet to address some of the most important problems in Russian culture in the second half of the 19th century Approaching Dostoevsky's engagement with Shakespeare through a focus on his novel *Demons* Petra Bjelica considers the figure of Hamlet as it connects to Russian national identity spirituality and cultural migration Bjelica argues that Russian Hamletism is a perfect example of how a literary phenomenon forms through a specific culture She reads Dostoevsky's use of Hamlet through the Tsarist government the wide gap between the aristocratic working and peasant class and the educated intelligentsia of the period Russian Hamletism is shown to reflect the hegemony of power as well as the intricate debates that arise via political ideological and philosophical differences between Slavophiles and Westerners The book touches on the translatability and universality of Shakespeare his cultural hegemony and the ethics of appropriating the other by exploring Dostoevsky's highly original interpretation of Hamlet Rather than just referencing the play Dostoevsky's engagement with opposing and contradictory elements of Russian Hamletism dramatize the Hamletian dilemma anew By rethinking literary transmission and the concept of source the intertextuality of Shakespeare and Russian Hamletism in Dostoevsky finds new ground Shakespeare in the Romanian Cultural Memory Monica Matei-Chesnoiu, 2006 This book with a foreword by Arthur F Kinney covers the major issues of the stage history and translation in the negotiation between Romanian culture and Shakespeare raising questions about what a Shakespeare play becomes when incorporated in a different and allegedly liminal culture The study reflects the growing cross fertilization of approaching Shakespeare in Romanian translations productions literary adaptations and criticism looking at the way in which Romania's collective cultural memory is constructed re examined and embedded in the adoption of Shakespeare in certain periods While it posits the problematics in the historical development of Shakespeare's presence in Romanian culture the study gives a detailed history of the translations and productions of the plays focusing on the most significant aspects of their literary social and political appropriation over the past two centuries **The Variorum Edition of the Poetry of John Donne, Volume 4.2** John Donne, 2021-11-02 This volume the ninth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of 25 love lyrics Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared Volume 4.2 details the genealogical history of each poem accompanied by a thorough prose discussion as well as a General Textual Introduction of the Songs and Sonets collectively The volume also presents a comprehensive digest of the commentary on these Songs and Sonets from Donne's time through 1999 Arranged chronologically within sections the material for each poem is organized under various headings that complement the volume's companions Volume 4.1 and Volume 4.3 *Shakespeare Quarterly*, 2001 Kozintsev's Shakespeare Films Tiffany Ann Conroy Moore, 2012-11-08 This book is a study of Grigory Kozintsev's two cinematic Shakespeare adaptations *Hamlet* Gamlet 1964 and *King Lear* Korol Lir 1970 The films are considered in relation to the historical artistic and cultural contexts in which they appear and in relation to the

contributions of Dmitri Shostakovich who wrote the films scores and Boris Pasternak whose translations Kozintsev used The films are analyzed respective to their place in the translation and performance history of Hamlet and King Lear from their first appearances in Tsarist Russian arts and letters In particular this study is concerned with the ways in which these plays have been used as a means to critique the government and the country's problems in an age in which official censorship was commonplace Kozintsev's films as well as his theatrical productions of Hamlet and Lear continue along this trajectory of protest by providing a vehicle for him and his collaborators to address the oppression violence and corruption of Soviet society It was just this sort of covert political protest that finally effected the dissolution and fall of the USSR

Shakespeare and the Challenge of the Contemporary Francesca Clare Rayner, 2021-09-23 Contemporary performance is a particularly stimulating area for the study of how Shakespeare is produced and received in different cultural contexts Francesca Clare Rayner's original and thought provoking book highlights the diversity and experimentalism of contemporary performance practices through a focus on unexplored performances in Portugal This book references key debates within contemporary performance studies on intermediality globalization and political participation and analyses their particular configurations within the Portuguese context These case studies represent clear alternatives to the market driven view of the contemporary as the continual reproduction of the new and the topical for global consumers Instead they recast the contemporary as a site of disempowerment crisis and erasure in a Europe fragmented by economic austerity political divisions around Brexit ecological vacillation and an anxious refashioning of global relations between North and South
