Russian Life , 1998 Dealing with the New Russia Nigel Holden, Cary L. Cooper, Jennifer Carr, 1998-07 Despite economic woes and murky data global investors are pouring in Is the bubble set to burst was the question posed by Business Week in March 1997 Not according to current data which sees an ever growing river of foreign cash flowing into Moscow But how long can it last Since the collapse of the Soviet Union Russia and the CIS have become a hunting ground for business and management adventurers Management consultants business people educators and economists have rushed to

do business in the New Russia taking advantage of the huge sums of money poured into Russia by global investors But dealing with a fragile volatile and unpredictable economy is only part of the difficulty facing those wishing to take advantage of a bargain priced if risky marketplace Westerners are often faced with serious and sometimes intractable communication problems The differences in economic and political systems infrastructures national and business cultures and managerial attitudes and habits present difficulties not previously encountered elsewhere To achieve long term success in this part of the world it is essential perhaps more than anywhere to build relationships This means genuinely understanding the past as well as the present To understand Russia today it is crucial to understand where it has come from Only then can you have a stake in its future In order to have any hope of meeting long term business objectives in this most restless of countries it is essential to build intense interpersonal relationships Knowing how to do this requires an informed understanding of Russia s past as well as an appreciation of the complexities of the present transition to market economy conditions and insights into the Russian business mentality Without such knowledge all forms of management cooperation with Russia are placed under severe stress Dealing with the New Russia helps to demistify the boundaries which must be crossed by focusing on Russian and their assumptions about and attitudes to the West the new style Russian manager business executive the skills needed to initiate and develop a business relationship with Russians the Russian approach to business negotiation Extensively researched this practical accessible and informative book which includes a glossary of Russian management expressions will be invaluable for all those contemplating or embarking on major involvement with their Russian partners

Economies of Recycling Catherine Alexander, Joshua Reno, 2012-08-09 For some recycling is a big business for others a moralised way of engaging with the world But for many this is a dangerous way of earning a living With scrap now being the largest export category from the US to China the sheer scale of this global trade has not yet been clearly identified or analysed Combining fine grained ethnographic analysis with overviews of international material flows Economies of Recycling radically changes the way we understand global and local economies as well as the new social relations and identities created by recycling processes Following global material chains this groundbreaking book reveals astonishing connections between persons households cities and global regions as objects are reworked taken to pieces and traded With case studies from Africa Latin America South Asia China the former Soviet Union North America and Europe this timely collection debunks common linear understandings of production exchange and consumption and argues for a complete re evaluation of North South economic relationships
