Russian Genre Painting In The Nineteenth Century:

Russian Genre Painting in the Nineteenth Century Rosalind Polly Blakesley, 2000 This book addresses the little studied area of Russian genre painting in the first three quarters of the nineteenth century Rosalind Gray begins by examining artistic patronage and published texts which engaged with the visual arts in order to illustrate the context in which Russian artists were working Five major painters Venetsianov Bryullov Ivanov Fedotov and Perov are then discussed in detail Dr Gray identifies the vital contribution which these artists made to Russian intellectual life as genre painting was appropriated as a medium in the dissemination of popular values and social change At the same time the relationship between Russian and European art is explored The book demonstrates that far from being a self contained movement Russian genre painting instead engaged in a fluid and complex dialogue with the art of the West

A Companion to Nineteenth-Century Art Michelle Facos, 2018-09-10 A comprehensive review of art in the first truly modern century A Companion to Nineteenth Century Art contains contributions from an international panel of noted experts to offer a broad overview of both national and transnational developments as well as new and innovative investigations of individual art works artists and issues The text puts to rest the skewed perception of nineteenth century art as primarily Paris centric by including major developments beyond the French borders The contributors present a more holistic and nuanced understanding of the art world during this first modern century In addition to highlighting particular national identities of artists A Companion to Nineteenth Century Art also puts the focus on other aspects of identity including individual ethnic gender and religious The text explores a wealth of relevant topics such as the challenges the artists faced how artists learned their craft and how they met clients the circumstances that affected artist s choices and the opportunities they encountered and where the public and critics experienced art This important text Offers a comprehensive review of nineteenth century art that covers the most pressing issues and significant artists of the era Covers a wealth of important topics such as ethnic and gender identity certain general trends in the nineteenth century an overview of the art market during the period and much more Presents novel and valuable insights into familiar works and their artists Written for students of art history and those studying the history of the nineteenth century A Companion to Nineteenth Century Art offers a comprehensive review of the first modern era art with contributions from noted experts in the field

Political Censorship of the Visual Arts in Nineteenth-Century Europe Robert Justin Goldstein, Andrew M. Nedd, 2015-09-01 In this comprehensive account of censorship of the visual arts in nineteenth century Europe when imagery was accessible to the illiterate in ways that print was not specialists in the history of the major European countries trace the use of censorship by the authorities to implement their fears of the visual arts from caricature to cinema

Picturing Russia Valerie Ann Kivelson, Joan Neuberger, Associate Professor of History Joan Neuberger, 2008-01-01 What can Russian images and objects a tsar s crown a provincial watercolor album the Soviet Pioneer Palace tell us about the Russian people and their culture This wide ranging book is the first to

explore the visual culture of Russia over the entire span of Russian history from ancient Kiev to contemporary post Soviet society Illustrated with more than one hundred diverse and fascinating images the book examines the ways that Russians have represented themselves visually understood their visual environment and used visual images in social and political contexts Expert contributors discuss images and objects from all over the Russian Soviet empire including consumer goods architectural monuments religious icons portraits news and art photography popular prints films folk art and more Each of the concise and accessible essays in the volume offers a fresh interpretation of Russian cultural history Putting visuality itself in focus as never before *Picturing Russia* adds an entirely new dimension to the study of Russian literature history art and culture The book enriches our understanding of visual documents and shows the variety of ways they serve as far more than mere illustration

Serfdom, Society, and the Arts in Imperial Russia Richard Stites, 2008-02-22 Richard Stites explores the dramatic shift in the history of visual and performing arts that took place in the last decades of serfdom in Russia in the 1860s and revisualises the culture of that flamboyant era

English Accents Christiana Payne, 2018-01-18 In the century following the foundation of the Royal Academy in 1768 British art had an international reputation prints spread knowledge of the work of British artists around the globe and it was widely seen as the product of a modern commercial society and much admired by artists as diverse as Goya in Spain Delacroix in France and Bierstadt in America In recent years scholars working on this period have become increasingly aware of the international context of their subject but there has been no systematic analysis of the reception of British art abroad This collection of essays looks at the uses made of the paintings of Reynolds Hogarth Lawrence and their contemporaries on the continent of Europe and in the colonies and ex colonies of Australia and America The authors go beyond the simple issue of influence to consider how ideas and artistic conventions originating in the British Isles were adapted appropriated or resisted in these new environments In the process some surprising views of British art emerge demonstrating how a multi faceted view from the outside can correct and enrich the narrative produced within a national school and revealing some of the important connections that are obscured when art is studied as it so often is within narrow national boundaries

[The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917](#) Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

Art and Commerce in Late Imperial Russia Andrey Shabanov, 2019-01-10 Andrey Shabanov's seminal reinterpretation of the Peredvizhniki is a comprehensive study that examines in depth for the first time the organizational structure self representation exhibitions and critical reception of this 19th century artistic partnership Shabanov advances a more pragmatic reading of the Peredvizhniki artists seeking professional and creative freedom in authoritarian Tsarist Russia He likewise demonstrates and challenges how and why the group eventually came to be defined as a critically minded Realist art movement Unprecedentedly rich in new primary visual and textual sources the book also connects afresh the Russian and Western art worlds of the period A must read for anyone interested in Russian art

and culture 19th century European art and also the history of art exhibitions art movements and the art market **Love for Sale** Colleen Lucey,2021-09-15 Love for Sale is the first study to examine the ubiquity of commercial sex in Russian literary and artistic production from the nineteenth century through the fin de siècle Colleen Lucey offers a compelling account of how the figure of the sex worker captivated the public's imagination through depictions in fiction and fine art bringing to light how imperial Russians grappled with the issue of sexual commerce Studying a wide range of media from little known engravings that circulated in newspapers to works of canonical fiction Lucey shows how writers and artists used the topic of prostitution both to comment on women's shifting social roles at the end of tsarist rule and to express anxieties about the incursion of capitalist transactions in relations of the heart Each of the book's chapters focus on a type of commercial sex looking at how the street walker brothel worker demimondaine kept woman impoverished bride and madam traded in sex as a means to acquire capital Lucey argues that prostitution became a focal point for imperial Russians because it signaled both the promises of modernity and the anxieties associated with Westernization Love for Sale integrates historical analysis literary criticism and feminist theory and conveys how nineteenth century beliefs about the fallen woman drew from medical judicial and religious discourse on female sexuality Lucey invites readers to draw a connection between rhetoric of the nineteenth century and today's debate on sex workers rights highlighting recent controversies concerning Russian sex workers to show how imperial discourse is recycled in the twenty first century **Soviet Life** ,1990 **Historical Dictionary of Romantic Art and Architecture** Allison Lee Palmer,2019-07-26 Romanticism is multifaceted and a wide range of nostalgic emotional and exotic concerns were expressed in such styles and movements as the Gothic Revival Classical Revival Orientalism and the Pre Raphaelite Brotherhood Some movements were regional and subject specific such as the Hudson River School of landscape painting in the United States and the German Nazarene movement which focused primarily on religious art in Rome The movements range across Western Europe and include the United States This dictionary will provide a fuller historical context for Romanticism and enable the reader to identify major trends and explore artists of the period This second edition of Historical Dictionary of Romantic Art and Architecture contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on major artists of the romantic era as well as entries on related art movements styles aesthetic philosophies and philosophers This book is an excellent resource for students researchers and anyone wanting to know more about Romantic art **From Pompeii** Ingrid D. Rowland,2014-03-24 The calamity that proved lethal for Pompeii inhabitants preserved the city for centuries leaving behind a snapshot of Roman daily life that has captured the imagination of generations including Renoir Freud Hirohito Mozart Dickens Twain Rossellini and Ingrid Bergman Interwoven is the thread of Ingrid Rowland's own impressions of Pompeii *Women and Material Culture, 1660-1830* J. Batchelor,C. Kaplan,2007-06-15 This book comprises twelve illustrated interdisciplinary essays on gender and material culture across the eighteenth century These essays point to the

many ways in which gender mediated and was shaped by the consumption and production of goods and elucidate the complex relationships between material and social practice in the period **The Russian Album** Michael

Ignatieff, 2015-01-06 Winner of the Royal Society of Literature Award In *The Russian Album* Michael Ignatieff chronicles five generations of his Russian family beginning in 1815 Drawing on family diaries on the contemplation of intriguing photographs in an old family album and on stories passed down from father to son he comes to terms with the meaning of his family's memories and histories Focusing on his grandparents Count Paul Ignatieff and Princess Natasha Mestchersky he recreates their lives before during and after the Russian Revolution **Art and the Historical Film** Gillian

McIver, 2022-11-17 *Art and the Historical Film* provides an important examination of fine art's impact on filmmaking grappling with the question of authenticity From Eugene Delacroix's interpretation of the 1830 French revolution to Uli Edel's version of the Baader Meinhof Gang artistic representations of historical subjects are appealing and pervasive Movies often adapt imagery from art history including paintings of historical events Films and art shape the past for us and continue to affect our interpretation of history While historical films are often argued over for their adherence to the facts their real problem is realism how can the past be convincingly depicted Realism in the historical film genre is often nourished and given credibility by its use of painterly references This book examines how art historical images affect historical films by going beyond period detail and surface design to look at how profound ideas about history are communicated through pictures *Art and the Historical Film Between Realism and the Sublime* is based on case studies that explore the links between art and cinema including American independent Western *Meek's Cutoff* Kelly Reichardt 2010 British heritage film *Belle Amma* Asante 2013 and Dutch national epic *Admiral Roel Rein* 2014 The chapters create immersive worlds that communicate distinct ideas about the past through cinematography production design and direction as the films adapt reference and transpose paintings by artists such as Rubens Albert Bierstadt and Jacques Louis David Internationalism and the Arts in Britain and Europe at the Fin de Siècle Grace Brockington, 2009 This collection of essays stems from the conference Internationalism and the Arts Anglo European Cultural Exchange at the Fin de Siècle held at Magdalene College Cambridge in July 2006 The growth of internationalism in Europe at the fin de siècle encouraged confidence in the possibility of peace A wartime century later it is easy to forget such optimism Flanked by the Franco Prussian war and the First World War the late nineteenth and early twentieth centuries were marked by rising militarism Themes of national consolidation and aggression have become key to any analysis of the period Yet despite the drive towards political and cultural isolation transnational networks gathered increasing support This book examines the role played by artists writers musicians and intellectuals in promoting internationalism It explores the range of individuals media and movements involved from cosmopolitan characters such as Walter Sickert and Henri La Fontaine through internationalist art societies to periodicals performance and the mobility of the Arts and Crafts Movement The discussion takes in the geographical breadth of Europe incorporating Belgium

Bohemia Britain France Germany Hungary Italy Norway Poland Russia and Slovakia Drawing on the work of scholars from across Europe and America the collection makes a statement about the complexity of European identities at the fin de siècle as well as about the possibilities for interdisciplinary research in our own era *Beyond Memory* Diane Neumaier, 2004

Photography possesses a powerful ability to bear witness aid remembrance shape and even alter recollection In *Beyond Memory* Soviet Nonconformist Photography and Photo Related Works of Art the general editor Diane Neumaier and twenty three contributors offer a rigorous examination of the medium's role in late Soviet unofficial art Focusing on the period between the mid 1950s and the late 1980s they explore artists' unusually inventive and resourceful uses of photography within a highly developed Soviet dissident culture During this time lack of high quality photographic materials complemented by tremendous creative impulses prompted artists to explore experimental photo processes such as camera and darkroom manipulations photomontage and hand coloring Photography also took on a provocative array of forms including photo installation artist made samizdat self published books photo realist painting and many other surprising applications of the flexible medium *Beyond Memory* shows how innovative conceptual moves and approaches to form and content echoes of Soviet society's coded communication and a Russian sense of absurdity were common in the Soviet cultural underground Collectively the works in this anthology demonstrate how late Soviet artists employed irony and invention to make positive use of difficult circumstances In the process the volume illuminates the multiple characters of photography itself and highlights the leading role that the medium has come to play in the international art world today *Beyond Memory* stands on its own as a rigorous examination of photography's place in late Soviet unofficial art while also serving as a supplement to the traveling exhibition of the same title Gogol's Crime and Punishment Urs Heftrich, 2022-01-25 This monograph is nothing less than a bold attempt at solving the riddle of Gogol's novel *Dead Souls* that even inspired a staging of *Dead Souls* at Schauspiel Stuttgart Heftrich gives a comprehensive coherent answer to the question of the novel's meaning by meticulously laying bare its structure The first part of the monograph is dedicated to one section of Gogol's novel that has been neglected by virtually all critics a clue that leads to a strictly ethical reading of Gogol's epic Gogol as it emerges constructed *Dead Souls* strictly according to a moral pattern It is amazing to discover how flawlessly *Dead Souls* is built in this regard The novel thus proves to be a true descendant of medieval romance with its inseparable interrelation between ethics and epics USSR, 1963 **When Art Makes News** Katia Dianina, 2012-11-15 From the time the word *kul'tura* entered the Russian language in the early nineteenth century Russian arts and letters have thrived on controversy At any given time several versions of culture have coexisted in the Russian public sphere The question of what makes something or someone distinctly Russian was at the core of cultural debates in nineteenth century Russia and continues to preoccupy Russian society to the present day *When Art Makes News* examines the development of a public discourse on national self representation in nineteenth century Russia as it was styled by the visual arts and popular journalism Katia Dianina tells the

story of the missing link between high art and public culture revealing that art became the talk of the nation in the second half of the nineteenth century in the pages of mass circulation press At the heart of Dianina s study is a paradox how did culture become the national idea in a country where few were educated enough to appreciate it Dianina questions the traditional assumptions that culture in tsarist Russia was built primarily from the top down and classical literature alone was responsible for imagining the national community When Art Makes News will appeal to all those interested in Russian culture as well as scholars and students in museum and exhibition studies
