# Russian Identities A Historical Survey

**Mark Bassin, Gonzalo Pozo**

## **Russian Identities A Historical Survey:**

**Russian Identities** Nicholas V. Riasanovsky, 2005-09-29 This book investigates the question of Russian identity looking at changes and continues over a huge territory many centuries and a variety of political social and economic structures Its main emphases are on the struggle against the steppe peoples Orthodox Christianity autocratic monarchy and Westernization

**Russian Identities** Nicholas Valentine Riasanovsky, 2005      **Adventures in Russian Historical Research** Samuel H. Baron, Cathy Frierson, 2015-04-08 American historians of Russia have always been an intrepid lot Their research trips were spent not in Cambridge or Paris Rome or Berlin but in Soviet dormitories with official monitors They were seeking access to a historical record that was purposefully shrouded in secrecy boxed up and locked away in closed archives Their efforts indeed their curiosity itself sometimes raised suspicion at home as well as in a Soviet Union that did not want to be known even while it felt misunderstood This lively volume brings together the reflections of twenty leading specialists on Russian history representing four generations They relate their experiences as historians and researchers in Russia from the first academic exchanges in the 1950s through the Cold War years detente glasnost and the first post Soviet decade Their often moving acutely observed stories of Russian academic life record dramatic change both in the historical profession and in the society that they have devoted their careers to understanding      **Nikolai Gretsches Travel Letters:**

**Volume 1 - Letters from England** Nikolai Gretsches Travel Letters is a fully translated English edition of a three volume account published by Nikolai Gretsches 1787 1867 in St Petersburg in 1839 In the original Russian Gretsches describes his travels in post Napoleonic England France and Germany in 1837 at the behest of the Russian Empire His official task was to examine educational systems but as he travelled he also noticed the cultural norms in his surroundings the history of each country and the personal experiences of the people he met On his return home Gretsches assembled his entertaining and often humorous personal observations into the edition that forms the basis for the present translation His astute observations provide a rich contemporary resource for information about the countries he visited especially given his status as an outsider Additionally as a result of his government position Gretsches was able to move in social circles that would have been closed to many other people In England he once found himself in the same room with Princess the future Queen Victoria and in France he dined with Victor Hugo Gretsches observations offer a treasure trove of contextual information that will be valuable to anyone interested in cultural interactions during the nineteenth century

**Race and Racism in Russia** N. Zakharov, 2015-03-23 Race and Racism in Russia identifies the striking changes in racial ideas practices exclusions and violence in Russia since the 1990s revealing how Russianness has become a synonym for racial whiteness This ground breaking book provides new theories and substantive insights into race and ethnicity in a Russian context      **The Russia Anxiety** Mark B. Smith, 2019-09-03 A history of Russophobia and its living legacy in world affairs With proof of election meddling and the relationship between Donald Trump and Vladimir Putin an ongoing

conundrum little wonder many Americans are experiencing what historian Mark B Smith calls the Russia Anxiety This is no new phenomenon Time and time again the West has judged Russia on assumptions of its inherent cunning malevolence and brutality Yet for much of its history Russia functioned no differently or at least no more dysfunctionally than other absolutist war mongering European states So what is it about this country that so often provokes such excessive responses And why is this so dangerous Russian history can indeed be viewed as a catalog of brutal violence in which a rotation of secret police from Ivan the Terrible's Oprichina to Andropov's KGB and Putin's FSB hold absolute sway However as Smith shows there are nevertheless deeper political and cultural factors that could lead to democratic outcomes Violence is not an innate element of Russian culture and Russia is not unknowable From foreign interference and cyber attacks to mega corruption and nuclear weapons Smith uses Russia's sprawling history to throw light on contemporary concerns Smith reveals how the past has created today's Russia and how this past offers hints about its future place in the world one that reaches beyond crisis and confrontation

*Motivation in War* Ilya Berkovich, 2017-02-02 Explains the motivation of ordinary soldiers to enlist serve and fight in the armies of eighteenth century Europe

**Adventures in Russ Hist Research**, American historians of Russia have always been an intrepid lot Their research trips were spent not in Cambridge or Paris Rome or Berlin but in Soviet dormitories with official monitors They were seeking access to a historical record that was purposefully shrouded in secrecy boxed up and locked away in closed archives Their efforts indeed their curiosity itself sometimes raised suspicion at home as well as in a Soviet Union that did not want to be known even while it felt misunderstood This lively volume brings together the reflections of twenty leading specialists on Russian history representing four generations They relate their experiences as historians and researchers in Russia from the first academic exchanges in the 1950s through the Cold War years detente glasnost and the first post Soviet decade Their often moving acutely observed stories of Russian academic life record dramatic change both in the historical profession and in the society that they have devoted their careers to understanding

**War and the Historic Environment** Michael Dawson, 2024-07-19 This book explores how societies deal with the effects of war on the historic environment Written by historians archaeologists and conservation professionals it offers a dramatic perspective on the war in Ukraine It reveals the truth behind the Kremlin's just war narrative and touches on the complex relationship between war society and the historic environment with examples of heritage conservation archaeology and political expediency from Europe to Namibia Prompted by the Russian invasion of Ukraine in 2022 the first section Frontline Ukraine examines the manipulation of history the use of propaganda and the decolonisation of Russian memorials in former Soviet states It highlights how illegal archaeological excavations looting and the removal of museum collections beginning from seizure of Crimea in 2014 until the present day have contributed to an increasingly implausible Russian narrative which attempts to represent an imperial land grab as a just war In the second section Aspects of War the authors provide a wider perspective with chapters on the influence of film the effect of war on conservation forensic

archaeology the reconstruction of damaged or destroyed museums as well as the relationship between America and the Hague Convention Topical and lucid this volume will be beneficial to students and researchers of history archaeology politics and international relations The chapters in this book were originally published in The Historic Environment Policy Practice and are accompanied by an updated introduction and a new conclusion

### **Political Ideologies in Contemporary Russia**

Elena Chebankova,2020-11-18 In the realm of political discourse there is a distinct gap in understanding between Russia and the West To an outsider the ideas that animate the actions of Russia's ruling elite opposition and civil society from the motivations driving Russia's political actors to the class structure and international and domestic constraints that shape Russia's political thinking remain shrouded in mystery Contrary to the view that a bleak discursive uniformity reigns in Vladimir Putin's Russia Political Ideologies in Contemporary Russia shows that the country is engaging in serious theoretical debates across a wide spectrum of modern ideologies including liberalism nationalism feminism and multiculturalism Elena Chebankova argues that the nation is fragmented and the state seeks to balance the various ideological movements to ensure that none dominates She shows that each of the main ideological trends is far from uniform but the major opposition is between liberalism and traditionalism The pluralistic picture she describes contests many current portrayals of Russia as an authoritarian or even totalitarian state Offering an alternative to the Western lens through which to view global politics Political Ideologies in Contemporary Russia is a major contribution to our understanding of this world power

**Art and Protest in Putin's Russia** Lena Jonson,2015-02-20 The Pussy Riot protest and the subsequent heavy handed treatment of the protestors grabbed the headlines but this was not an isolated instance of art being noticeably critical of the regime As this book based on extensive original research shows there has been gradually emerging over recent decades a significant counter culture in the art world which satirises and ridicules the regime and the values it represents at the same time putting forward through art alternative values The book traces the development of art and protest in recent decades discusses how art of this kind engages in political and social protest and provides many illustrations as examples of art as protest The book concludes by discussing how important art has been in facilitating new social values and in prompting political protests

**The Mathematical Mind of F. M. Dostoevsky** Michael Marsh-Soloway,2024-11-19 The Mathematical Mind of F M Dostoevsky Imaginary Numbers Non Euclidean Geometry and Infinity reconstructs the curriculum and readings that F M Dostoevsky encountered during his studies and connects such sources to the mathematical references and themes in his published works Prior to becoming a man of letters Dostoevsky studied at the Main Engineering School in St Petersburg from 1838 to 1843 After he was arrested submitted to mock execution by firing squad and sentenced to penal servitude in Siberia for his involvement in the revolutionary Petrashevsky Circle in 1849 most of his books and journals from the period of his education were confiscated and destroyed by the Third Section of the Russian Secret Police Although most scholars discount the legacy of his engineering studies the literary aesthetics of his works communicate an acute awareness of mathematical

principles and debates This book unearths subtexts in works by Dostoevsky communicating veins of mathematical thought that evolved throughout Classical Antiquity the Renaissance and the Scientific Revolution

**The Paradox of Musical Vernaculars** Marina Ritzarev,2023-10-13 Musical vernaculars are a rare and challenging object of study Their sound can include everything from local folk and popular songs to random foreign hits and fragments of classic repertoire It is an everchanging element eclectic whimsical and resistant to regularity Based on the author s multicultural experience proficiency in Russian and Jewish music history and interest in anthropology this book explores the essential features of vernaculars They can have varying degrees of changeability some are quite stable and exist in closed rural or immigrant communities phylo vernacular while others are dynamic like those of an urbanized population onto vernacular These types of vernacular can turn into one another when communities migrate that is agricultural people move to cities and the townspeople settle on the land Understanding the changes in the vernacular repertoires as something natural this book defends the value of urbanized folk music disputing the traditional view of art music composers of rural folk songs as only authentic and suitable for expressing nationalistic sentiments The book also examines unexpected interconnections between Russian and Jewish music both in their vernacular manifestations and the creative work of Sergei Slonimsky and Dmitry Shostakovich

**The Politics of Eurasianism** Mark Bassin,Gonzalo Pozo,2017-01-12 In the course of Vladimir Putin s third presidential term many of the doctrines and ideas associated with Eurasianism have moved to the center of public political discourses in Russia Eurasianism both Russian and non Russian is politically active influential and contested in debates about identity popular culture or foreign policy narratives Deploying a variety of theoretical frameworks and perspectives the essays in this volume work together to shed light on both Eurasianism s plasticity and contemporary weight and examine how its tropes and discourses are appropriated interpreted modulated and deployed politically by national groups oppositional forces left or right prominent intellectuals artists and last but not least government elites In doing so this collection addresses essential themes and questions currently shaping the Post Soviet world and beyond

**Putinism** Marcel Van Herpen,2013-01-21 In this original analysis of contemporary Russia the author shows how Putin s regime is a completely new right wing political model that combines features of Mussolini s Italy with the 19th Century Bonapartism of Napoleon III and 21st Century Populism of Berlusconi An essential read

**Religious Diversity, State, and Law** Joseph Marko,Maximilian Lakitsch,Franz Winter,Wolfgang Weirer,Kerstin Wonisch,2022-10-17 Globalisation migration and de secularisation have fundamentally transformed the concepts of religion state and law during the last decades The main goal of this interdisciplinary approach is to clarify the multifaceted theoretical and practical challenges of religious diversity and socio political pluralism in Europe In twenty two chapters the contributions to this volume revisit basic concepts structures and institutional settings such as sovereignty the dogma of the separation of state church and or religion human and minority rights gender and religion varieties of fundamentalisms interreligious dialogue and peacebuilding and not least religious

education      The Religious Factor in Russia's Foreign Policy Alicja Curanović, 2012-03-15 This book examines how religion interacts with Russian foreign policy arguing that religion is an important and neglected factor in shaping Russia's outlook towards international relations. It surveys the importance of religion for social life in Russia both historically and at present and considers a wide range of Russian attitudes which are affected by religion such as Russian nationalism, notions of Slavic solidarity, the divine mission of Russian Orthodox civilisation, Russian imperialism, Russia's special approach towards Islam. The book discusses how religious organizations, especially the Russian Orthodox Church, operate in international relations pursuing their own interests and those of the Russian state, explores how religious ideas and culture linked to religion impinge on Russian attitudes and identity and thereby affect policy and demonstrates how policy influenced by religion impacts on Russian foreign policy in practice in a wide range of examples including Russia's relations with other orthodox countries, non-orthodox Western countries, Muslim countries, Israel and the Vatican.

**New Directions in Literature and Medicine Studies** Stephanie M. Hilger, 2017-11-11 This book is situated in the field of medical humanities and the articles continue the dialogue between the disciplines of literature and medicine that was initiated in the 1970s and has continued with ebbs and flows since then. Recently the need to renew that interdisciplinary dialogue between these two fields which are both concerned with the human condition has resurfaced in the face of institutional challenges such as shrinking resources and the disappearance of many spaces devoted to the exchange of ideas between humanists and scientists. This volume presents cutting edge research by scholars keen on not only maintaining but also enlivening that dialogue. They come from a variety of cultural, academic and disciplinary backgrounds and their essays are organized in four thematic clusters: pedagogy, the mind-body connection, alterity and medical practice.

*Russia in the Twentieth Century* David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system. David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period, it is not about to revert back to the Soviet example.

*Empire De/Centered* Maxim Waldstein, Sanna Turoma, 2016-05-06 In 1991 the Soviet empire collapsed at a stroke, throwing the certainties of the Cold War world into flux. Yet despite the dramatic end of this last empire, the idea of empire is still alive and well, its language and concepts feeding into public debate and academic research. Bringing together a multidisciplinary and international group of authors to study Soviet society and culture through the categories of empire and space, this collection demonstrates the enduring legacy of empire with regard to Russia, whose history has been marked by a particularly close and ambiguous relationship between nation and empire, building and between national and imperial identities. Parallel with this discussion of empire, the volume also highlights the centrality of geographical space and spatial imaginings in Russian and Soviet intellectual traditions and social practices, underlining how Russia's vast geographical dimensions have profoundly informed Russia's state and nation.

building both in practice and concept Combining concepts of space and empire the collection offers a reconsideration of Soviet imperial legacy by studying its cultural and societal underpinnings from previously unexplored perspectives In so doing it provides a reconceptualization of the theoretical and methodological foundations of contemporary imperial and spatial studies through the example of the experience provided by Soviet society and culture

## The Enigmatic Realm of **Russian Identities A Historical Survey**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Russian Identities A Historical Survey** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.

## Russian Identities A Historical Survey Introduction

In today's digital age, the availability of Russian Identities A Historical Survey books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Identities A Historical Survey books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Identities A Historical Survey books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Identities A Historical Survey versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Identities A Historical Survey books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Identities A Historical Survey books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Identities A Historical Survey books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Identities A Historical Survey books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Identities A Historical Survey books and manuals for download and embark on your journey of knowledge?

### FAQs About Russian Identities A Historical Survey Books

**What is a Russian Identities A Historical Survey PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Identities A Historical Survey PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Identities A Historical Survey PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Identities A Historical Survey PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Identities A Historical Survey PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict

access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
