Russian Politics In Transition:

Russian Politics in Transition NIKOLAI. SERGEYEV BIRYUKOV (VICTOR.),Victor Sergeyevev,2020-02-03 First published in 1997 and written by two distinguished Russian scholars this book examines the problems and prospects of democratic transition in Russia since the disintegration of the Soviet Union Specifically it offers a compelling evaluation of the rise and fall of the 1990 Russian parliament The problems of transforming what had been a regional assembly into a national parliament are analysed in the context of the failure of perestroika the difficulties of generating pluralist politics the strength of presidential power and the tensions between ideologies of reform on the one hand and the realities of economic crisis on the other The analysis allows them to evaluate the role of political upheaval and conflicts of legitimacy in Russian democratization The book is divided into three sections The first offers a theory of transition to modern democracy This provides the framework for the second section an account of the first parliament after the 1990 elections its conflicts with presidential power and the reform agenda of the government and finally its fall The third section examines three particular problems which were decisive in producing the crisis of Russian parliamentarianism and democratization voting behaviour in a non party parliamentary setting and its relationship to conflicts between legislature and executive populism and representation and the role of democratic values and procedures in the legislative process Drawing on their unrivalled knowledge of issues events and actors Nikolai Biryukov and Victor Sergeyevev gather and interpret much new evidence to explore their subject In a path breaking study the authors draw on a variety of sources and traditions to produce an original theory of the problems of political stability set up by democratic transition in Russia

Russian Politics in Transition

NIKOLAI. SERGEYEV BIRYUKOV (VICTOR.),Victor Sergeyevev,2019-05-31 First published in 1997 and written by two distinguished Russian scholars this book examines the problems and prospects of democratic transition in Russia since the disintegration of the Soviet Union Specifically it offers a compelling evaluation of the rise and fall of the 1990 Russian parliament The problems of transforming what had been a regional assembly into a national parliament are analysed in the context of the failure of perestroika the difficulties of generating pluralist politics the strength of presidential power and the tensions between ideologies of reform on the one hand and the realities of economic crisis on the other The analysis allows them to evaluate the role of political upheaval and conflicts of legitimacy in Russian democratization The book is divided into three sections The first offers a theory of transition to modern democracy This provides the framework for the second section an account of the first parliament after the 1990 elections its conflicts with presidential power and the reform agenda of the government and finally its fall The third section examines three particular problems which were decisive in producing the crisis of Russian parliamentarianism and democratization voting behaviour in a non party parliamentary setting and its relationship to conflicts between legislature and executive populism and representation and the role of democratic values and procedures in the legislative process Drawing on their unrivalled knowledge of issues events and actors Nikolai Biryukov

and Victor Sergeev gather and interpret much new evidence to explore their subject In a path breaking study the authors draw on a variety of sources and traditions to produce an original theory of the problems of political stability set up by democratic transition in Russia

Russian Politics in Transition Nikolai Ivanovich Biriukov, Victor Sergeev, Viktor Mikhaïlovich Sergeev, 1997 An account of Russian politics from the days of Perestroika to the disintegration of the USSR The author s look at the rise and fall of the first Russian parliament and the conflicts between the new Russian parliament particularly between the executive and the legislative

Russian Politics in Transition Joan DeBardeleben, 1997 The text focuses on the construction of political institutions changes in culture and society and the politics of economic reform since the country achieved independence in 1991 The author s dual focus on both historical background and contemporary developments offers students a useful context for understanding the events in Russia today as they relate to the pre revolutionary Soviet and Perestroika periods of Russian history

Russian Politics in Transition Jan Åke Dellenbrant, Oleg A. Andreev, 1995

Russia--lost in Transition Lilia Shevtsova, 2007 Russian history is first and foremost a history of personalized power As Russia startles the international community with its assertiveness and faces both parliamentary and presidential elections Lilia Shevtsova searches the histories of the Yeltsin and Putin regimes She explores within them conventional truths and myths about Russia paradoxes of Russian political development and Russia s role in the world Russia Lost in Transition discovers a logic of government in Russia a political regime and the type of capitalism that were formulated during the Yeltsin and Putin presidencies and will continue to dominate Russia s trajectory in the near term Looking forward as well as back Shevtsova speculates about the upcoming elections as well as the self perpetuating system in place the legacies of Yeltsin and Putin and how it will dictate the immediate political future She also explores several scenarios for Russia s future over the next decade

Russian Politics Zoltan D. Barany, Robert G. Moser, 2001-08-27 What went wrong in Russia s decade old post communist transition A group of leading young scholars answer this question by offering assessments of five crucial political arenas during the Yeltsin era elections executive legislative relations interactions between the central state and the regions economic reforms and civil military relations All of the contributors recognize that adverse historical legacies have complicated Russian democratization They challenge structural explanations that emphasize constraints of the pre existing system however and concentrate instead on the importance of elite decisions and institution building The authors agree that elites failure to develop robust political institutions has been a central problem of Russia s post communist transition The weakness of the state and its institutions has contributed to a number of serious problems threatening democratic consolidation These include the tensions between the executive and the legislature the frail infrastructure for successful market reform and the absence of proper civilian control over the armed forces

Russia in Transition David Lane, 2014-09-25 An accessible book covering the momentous changes that have occurred and are still occurring since the fall of the USSR in 1989 Contributions from an impressive collection of authors are drawn from the most

recent and original research available and address political and social issues which impact on all levels of Russian society The book consists of a selection of specially commissioned pieces which have evolved from the conference of the same name held at Cambridge University in December 1994 **Regional Russia in Transition** Jeffrey W. Hahn,2001-10-25 From the John Holmes Library collection *Routledge Handbook of Russian Politics and Society* Graeme Gill,2022-12-23 This second edition of the highly respected Routledge Handbook of Russian Politics and Society both provides a broad overview of the area and highlights cutting edge research into the country Through balanced theoretical and empirical investigation each chapter examines both the Russian experience and the existing literature identifies and exemplifies research trends and highlights the richness of experience history and continued challenges inherent to this enduringly fascinating and shifting polity Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook answers questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption the development of a market economy and Russia s likely place in the emerging new world order Providing a comprehensive resource for scholars students and policy makers alike this book is an essential contribution to the study of Russian studies politics Eastern European studies politics and International Relations [Making and Breaking Democratic Transitions](#) Vladimir Gel'man,Sergei Ryzhenkov,Michael Brie,2005-01-12 Focusing on the vastly different outcomes of post Soviet regime transitions this study explores why some societies have become more democratic and some have not Based on in depth comparative analyses the book assesses political developments in six of Russia s regions Saratov Nizhnii Novgorod Volgograd Ryazan Ul yanovsk and Tver oblasts since 1988 The authors consider the influence of Soviet governance systems on the emergence of cleavages and new actors in the post Soviet period They also analyze the impact of institutional changes on regional regimes and the success or failure of formal institutions as a framework for political competitiveness Placing their detailed field data within the larger comparative and theoretical context of political transitions the authors are able to explain the mixed outcomes of post communist regime change in Russia and other post Soviet nations With its innovative model of path contingent democratization and its new typology of political regimes and regime transitions this book will be essential reading for all scholars of democracy **Russia in Transition** N. G. Bugeuli,1997 Russia In Transition Left Right Or Center **Russian Government and Politics** Eric Shiraev,2020-10-06 Few countries have been transformed as rapidly and dramatically as Russia since the end of the Communist regime Yet the more that certain things change in Russia the more others remain the same The result is a political and social system of which almost every aspect is a work in progress marked by sudden accelerations slowdowns turnarounds and conundrums This lively and innovative third edition provides a clear and comprehensive picture of Russian politics which does full justice to its changes challenges and paradoxes A distinctive feature throughout is its emphasis on outlining basic facts and developments and setting these in historical

contexts before moving on to critical analysis This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly New to this Edition Fully updated to cover the latest developments including 2018 s presidential election Two chapters offering expanded coverage of foreign policy which better balances coverage of domestic and international affairs New content on elections presidential power constitutional amendments events in Ukraine political opposition economic and business policies domestic and global challenges facing Russia and Russia s vision of the world Accompanied by a revamped set of online resources such as multiple choice questions and PowerPoint slides

Political Transitions in Dominant Party Systems Joseph Wong, Edward Friedman, 2008-10-27 Using country specific case studies top rank analysts in the field focus on the lessons that dominant parties might learn from losing and the adaptations they consequently make in order to survive to remain competitive or to ultimately re gain power

The Post-Soviet States Graham Smith, 2024-11-01 The collapse of the Soviet Union has engendered one of the most momentous and critical regional transformations of our times through the formation and development of the post Soviet states This book explores the politics of post Soviet transition and the problems which will continue to face these states well into the twenty first century as they struggle towards democracy market reform ethnic co existence and integration into a new geopolitical post Cold War world order Richly illustrated with examples drawn from Russian and other post Soviet primary sources the author focuses on three broad themes of transition Firstly the progression from colonialism to post colonialism and the consequences of such changes on national identity and the redefinition of national homeland Secondly the movement away from totalitarian rule and the factors which both facilitate and challenge the prospects of a democratic future Thirdly the process of securing a successful place in the global capitalist economy

The Legacy Structure of Russia's One Hundred Year Transformation David Foley, 2018-11-16 Research and analysis of the post Soviet Russian experience of political economic and social change have generally focused attention on the complications and influences of the Soviet legacy on the transition process with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system to the more recent analyses that have attempted to explain why the Putinist hybrid authoritarian democracy emerged to take control of the Russian state The complex nature of the Russian experience of political social and economic change had yet to be explained as a long term legacy analysis until now with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the Bolsheviks the Soviets and the modern Republicans The political geography of Russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the Russia of Imperialism to the Russia of Putinism and the twenty first century A clearer understanding of the influences the Imperial legacy brings to the Russian transformation enables the student of post Soviet Russian transition an opportunity to contextualize the strong

linkages of historical governance structures with the one hundred years of Bolshevik and Soviet system capture and the struggles of transformation faced by the government and people of Russia today **Russia's Transition to Democracy** Geoff D. G. Murrell, 1997 Foreword by Sir Brian Fall GCV O KCMG HM Ambassador Moscow 1992/1995 Lady Margaret Hall Oxford As a reference work there is little currently available to match its detailed chronological style Royal Institute of International Affairs Thoroughly deserving of a place on reading lists for courses on recent Russian history Archie Brown St Antony's College Oxford This book is a concise account of the collapse of the USSR and the turbulent first years of Yeltsin's Russia Written by a Foreign Office expert Russia's transition to democracy is charted through an exhaustive analysis of the mistakes made by and the problems faced by all political groupings Western responses to events and their effect on the internal Russian political scene are scrutinized and judged **Russia After Communism** Rick Fawn, Stephen White, 2020-04-28 Russia's transition from communism holds great significance not only for itself but also for the wider world This collection of essays examines the spectrum of Russia's transition since 1991 considering not only the pattern of events but also what the changes have meant for Russians themselves **Vodka Politics** Mark Lawrence Schrad, 2014-01-06 Russia is famous for its vodka and its culture of extreme intoxication But just as vodka is central to the lives of many Russians it is also central to understanding Russian history and politics In *Vodka Politics* Mark Lawrence Schrad argues that debilitating societal alcoholism is not hard wired into Russians' genetic code but rather their autocratic political system which has long wielded vodka as a tool of statecraft Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin *Vodka Politics* presents the secret history of the Russian state itself a history that is drenched in liquor Scrutinizing rather than dismissing the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself from palace intrigues under the tsars to the drunken antics of Soviet and post-Soviet leadership vodka is there in abundance Beyond vivid anecdotes Schrad scours original documents and archival evidence to answer provocative historical questions How have Russia's rulers used alcohol to solidify their autocratic rule What role did alcohol play in tsarist coups Was Nicholas II's ill-fated prohibition a catalyst for the Bolshevik Revolution Could the Soviet Union have become a world power without liquor How did vodka politics contribute to the collapse of both communism and public health in the 1990s How can the Kremlin overcome vodka's hurdles to produce greater social well-being, prosperity and democracy into the future Viewing Russian history through the bottom of the vodka bottle helps us to understand why the liquor question remains important to Russian high politics even today almost a century after the issue had been put to bed in most every other modern state Indeed recognizing and confronting vodka's devastating political legacies may be the greatest political challenge for this generation of Russia's leadership as well as the next [The British Study of Politics in the Twentieth Century](#) Jack Hayward, Brian Barry, Archie Brown, 2003-05-01 The distinctive strength of political science in Britain is revealed in this indispensable guide to modern British scholarship in the field As well as charting the development of the

discipline the essays examine the innovative contributions to the study of nationalism totalitarianism and authoritarianism and the influential British approach to international relations The fourteen distinguished authors have provided a major contribution to our understanding of the contemporary state of political science
