Russian Politics Today:

Russian Politics Today Susanne A. Wengle, 2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment *Russian Politics Today* Susanne A. Wengle, 2022-10-27 *Russian Politics Today* Stability and Fragility provides an accessible and nuanced introduction to contemporary Russian politics at a time of increasing uncertainty Using the theme of stability versus fragility as its overarching framework this innovative textbook explores the forces that shape Russia's politics economy and society The volume provides up to date coverage of core themes Russia's strong presidency its weak party system the role of civil society and its dependence on oil and gas revenues alongside path breaking chapters on the politics of race class gender sexuality and the environment An international and diverse team of experts presents the most comprehensive available account of the evolution of Russian politics in the post Soviet era providing the tools for interpreting the past and the present while also offering a template for understanding future developments *Russian Politics Today* Michael Waller, 2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today's Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book's fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader **U.S. Policy Towards Russia** United States. Congress. Senate. Committee on Foreign Relations, 2006 *U.S. policy towards Russia : hearing before the Committee on Foreign Relations, United States Senate, One Hundred Ninth Congress, first session, June 21, 2005.* , **Russian Politics and Society** Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best

available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society *Russian English* Zoya G. Proshina, Anna A. Eddy, 2016-10-06 This fascinating book offers a comprehensive exploration of Russian English as a World English variety The authors introduce readers to the history of language contact between Russian and English which has resulted in the Russianization of English and Englishization of Russian They also discuss the functions of English as a lingua franca in the domains of politics business and tourism as a tool in youth subcultures education and scholarship and as a creative means in mass media advertisement music and literature The book engages with the major role of English in expressing a speaker's cultural and personal identity within the global community This accessible and engaging work presents a great number of concepts within the field of Russian linguistics as well as introducing readers to the outstanding Russian scholars in the field Essential reading for students and researchers across a wide range of related fields *Navalny* Jan Matti Dollbaum, Morvan Lallouet, Ben Noble, 2021-12-01 A fascinating account of Russia's famous dissident and the politics he embodies Who is Alexei Navalny Poisoned in August 2020 and transported to Germany for treatment the politician returned to Russia in January 2021 in the full glare of the world media His immediate detention at passport control set the stage for an explosive showdown with Vladimir Putin But Navalny means very different things to different people To some he is a democratic hero To others he is betraying the Motherland To others still he is a dangerous nationalist This book explores the many dimensions of Navalny's political life from his pioneering anti corruption investigations to his ideas and leadership of a political movement It also looks at how his activities and the Kremlin's strategies have shaped one another Navalny makes sense of this divisive character revealing the contradictions of a man who is the second most important political figure in Russia even when behind bars In order to understand modern Russia you need to understand Alexei Navalny **Understanding Russian Politics** Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic crisis and Russia's place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives *Russian Nationalism and the Russian-Ukrainian War* Taras Kuzio, 2022-01-26 This book is the first to provide an in depth understanding of the 2014 crisis Russia's annexation of Crimea and Europe's de facto war between Russia and Ukraine The book provides a historical and contemporary understanding behind President Vladimir Putin Russia's obsession with Ukraine and why Western opprobrium and sanctions have not deterred Russian military aggression The volume provides a wealth of

detail about the inability of Russia from the time of the Tsarist Empire throughout the era of the Union of Soviet Socialist Republics USSR and since the dissolution of the latter in 1991 to accept Ukraine as an independent country and Ukrainians as a people distinct and separate from Russians The book highlights the sources of this lack of acceptance in aspects of Russian national identity In the Soviet period Russians principally identified themselves not with the Russian Soviet Federative Republic but rather with the USSR as a whole Attempts in the 1990s to forge a post imperial Russian civic identity grounded in the newly independent Russian Federation were unpopular and notions of a far larger Russian imagined community came to the fore A post Soviet integration of Tsarist Russian great power nationalism and White Russian migr chauvinism had already transformed and hardened Russian denial of the existence of Ukraine and Ukrainians as a people even prior to the 2014 crises in Crimea and the Donbas Bringing an end to both the Russian occupation of Crimea and to the broader Russian Ukrainian conflict can be expected to meet obstacles not only from the Russian de facto President for life Vladimir Putin but also from how Russia perceives its national identity

Regional politics in Russia Cameron Ross,2024-06-04 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia s regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia s Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective

A Rhetorical Crime Anton Weiss-Wendt,2018-05-10 The Genocide Convention was drafted by the United Nations in the late 1940s as a response to the horrors of the Second World War But was the Genocide Convention truly effective at achieving its humanitarian aims or did it merely exacerbate the divisive rhetoric of Cold War geopolitics A Rhetorical Crime shows how genocide morphed from a legal concept into a political discourse used in propaganda battles between the United States and the Soviet Union Over the course of the Cold War era nearly eighty countries were accused of genocide and yet there were few real time interventions to stop the atrocities committed by genocidal regimes like the Cambodian Khmer Rouge Renowned genocide scholar Anton Weiss Wendt employs a unique comparative approach analyzing the statements of Soviet and American politicians historians

and legal scholars in order to deduce why their moral posturing far exceeded their humanitarian action Routledge Handbook of Russian Politics and Society Graeme Gill, 2022-12-23 This second edition of the highly respected Routledge Handbook of Russian Politics and Society both provides a broad overview of the area and highlights cutting edge research into the country Through balanced theoretical and empirical investigation each chapter examines both the Russian experience and the existing literature identifies and exemplifies research trends and highlights the richness of experience history and continued challenges inherent to this enduringly fascinating and shifting polity Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook answers questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption the development of a market economy and Russia's likely place in the emerging new world order Providing a comprehensive resource for scholars students and policy makers alike this book is an essential contribution to the study of Russian studies politics Eastern European studies politics and International Relations The Revival of Right Wing Extremism in the Nineties Peter H. Merkl, Leonard Weinberg, 2014-01-14 Most studies of the radical right concentrate on movements in a single country neglecting to some extent the international dimensions of right wing extremism Here Merkl and Weinberg adopt a comparative perspective concentrating on the revival of the right across a variety of countries *Bourgeoisie, State and Democracy* Graeme Gill, 2008-05-15 This book is a comparative study of the emergence political influence and political role of businessmen in political life *Assisting Russia* United States. Congress. House. Committee on International Relations, 1999 The Impact of Emerging Economies on Global Energy and the Environment Bruce M. Bagley, Hanna Samir Kassab, Dina Moulioukova, 2015-11-09 Changing patterns of energy production and consumption are transforming the geopolitics of the global system The BRICS countries Brazil Russia India China and South Africa not discussed in this volume a loose conglomeration of emerging powers are part of the change as are Western powers Variations in the energy policies of the Americas especially the United States and Canada are altering existing dynamics Both states are increasing energy production and are projected to become energy independent in the very near future The BRICS themselves wield much energy power as well Specifically Russia's oil policy and China's coal policy are creating for the world a new infrastructure within which middle and weaker countries may consider as the future This edited volume summarizes our analysis with particular emphasis on the rapidly changing role of the BRICS in the world's energy system In this collection energy experts and international relations analysts examine production and consumption of states the exportation and importation of energy and alternative strategies for maintaining the international order or changing the international order *Japanese and Russian Politics* T. Inoguchi, 2015-01-22 This volume offers a comparative analysis of Japanese and Russian politics in the 2010s examining both domestic dimensions and foreign policy A bi national collaborative effort the volume is structured to

offer perspectives on each country from both Russian and Japanese scholars An introduction by Takashi Inoguchi gives a historical overview of the two countries paths to development as late comers vis vis the West in the late nineteenth century The analysis that follows reveals that Japan and Russia have come to acquire genuinely striking contrasting features frequent leadership change despite extraordinary societal stability and continuity in Japan and infrequent leadership change despite extraordinary ups and downs in Russia

The Use of History in Putin's Russia James C. Pearce, 2020-10-06 History is not just a study of past events but a product and an idea for the modernisation and consolidation of the nation The Use of History in Putin's Russia examines how the past is perceived in contemporary Russia and analyses the ways in which the Russian state uses history to create a broad coalition of consensus and forge a new national identity Central to issues of governance and national identity the Russian state utilises history for the purpose of state building and reviving Russia's national consciousness in the twenty first century Assessing how history mediates the complex relationship between state and population this book analyses the selection process of constructing and recycling a preferred historical narrative to create loyal patriotic citizens ultimately aiding its modernisation Different historical spheres of Russian life are analysed in depth including areas of culture politics education and anniversaries The past is not just a state matter a socio political issue linked to the modernisation process containing many paradoxes This book has wide ranging appeal not only for professors and students specialising in Russia and the former Soviet Space in the fields of History and Memory International Relations Educational Studies and Intercultural Communication but also for policymakers and think tanks

Russian Politics Today Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Politics Today has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Politics Today has opened up a world of possibilities. Downloading Russian Politics Today provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Politics Today has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Politics Today. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Politics Today. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Politics Today, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Politics Today has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
