Russian Ride:

The Boy Travellers in the Russian Empire Thomas Wallace Knox, 1886 Riding the Outlaw Trail Simon Casson, Richard Adamson, Sir Ranulph Fiennes, 2011-04-15 Two men retrace the notorious pair's footsteps covering thousands of miles of hazardous country on horseback and discovering how little has changed from the saddle in the last 100 years Butch Cassidy and the Sundance Kid the last of the legendary outlaws were captured on daguerreotype romanced in fiction and immortalized on film by Paul Newman and Robert Redford Simon Casson sets out on horseback to retrace the real life footsteps of his boyhood heroes covering 2 000 miles of the country's toughest and most treacherous terrain Steeped in the lore of the Old West but lacking desert and mountain survival skills Simon recruits ex marine commando Richard Adamson Together they grapple with hostile landscape climatic extremes vital supply shortages and enormous personality clashes Battling from one outlaw hideout to another and following trails sometimes only accessible by horseback they are constantly taxed to the limit In this dramatic account of their adventure Simon and Richard also encapsulate the exciting and violent lives of the Wild Bunch 100 years ago and providing an intimate and heartwarming picture of the rancher families who live and work this demanding land today Learn Russian News Vol.2 Nik Marcel, LEARN RUSSIAN NEWS Vol 2 English Russian THIS EDITION The dual language text has been arranged into sentences and shorter paragraphs for quick and easy cross referencing The source text is the Russian language edition of Voice of America VOA The Russian text has been translated into English for this dual language project The reader can choose between four formats Section 1 English to Russian Section 2 Russian to English Section 3 English Section 4 Russian A methodology for getting the most out of this bilingual format is explained in the book's Foreword The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language to be able to read only in the foreign language and extract enough understanding to continue the language learning process fruitfully this way A reader might like to go back to reading dual language news for reinforcement and further development returning to foreign language only news with a deeper understanding By going back to the same old news you are going over words word patterns and passages with which you already have a certain familiarity The process of reinforcement learning or retaining of what is new and exposure to what is unfamiliar is much easier this way even though the news may seem a little dated The aim of informing the reader about actual news is secondary especially given that the content will become less current and less relevant over time A Dual Language Book Project 2Language Books The Twilight of the U.S. Cavalry Lucian King Truscott, Lucian K. Greater Russia William Greener, 1903 *Three Cities in Russia* Charles Piazza Smyth, 1862 *Driving Down Russia's Spine* Paul Richardson, 2016-06-01 On one level this book is the story of an epic 6000 kilometer road trip from the frigid shores of the Barents Sea to Sochi Russia's southernmost tip on the Black Sea Dubbed The Spine of Russia the adventure

tasked a mismatched duo of Russian and American journalists with capturing a view of Russia from the ground to collect powerful images and honest human stories that offered a more subtle complex picture of the world's largest country. But this book is far more than just a travel essay. For it intertwines fascinating subject profiles with digressions into historical and cultural themes relevant to understanding modern Russia. It is a story told with humor and with the insight derived from the author's three decades of intimate interactions with Russia. Among the many interesting stories in the book: An expedition to The Well to Hell, A music school in one of the most polluted towns on earth, An energetic youth activist branded as a foreign agent, Russia's largest manufacturer of barbells who also makes cloudberry preserves, A roadside berry seller recently paroled from prison, A blacksmith who is a Jehovah's Witness, A bone-chilling trip to the foundation place of the Russian state, The slightly off-kilter leader of St. Petersburg's Cossack community, A retired village doctor who can't stop working because he won't be replaced, A piece of Nebraska transplanted into the middle of Russia's Black Earth region. There were also craft beer makers, ballroom dancers, policemen, restaurant owners, an opera student, a priest, a single mother, an accessibility activist, teachers, docents, a best-selling author, soap makers, journalists, a sailor, a winemaker, and a woman taking on the male-dominated world of Russian hockey. And no trip to Russia would be complete without a run-in with security officials in leather jackets. So there is also that. Taken together, the stories from this epic road trip create a compelling portrait of Russia and its people. The book could not be more timely; recent events show how vital it is for Americans to continue working to understand Russia.

The Rasp: Mounted Service School (U.S.), 1914. The yearbook of the classes of the Mounted Service School. Includes description of the school and its training activities, the various units attending the school, rosters of graduates and general articles on horsemanship.

Bad River: Ralph Cotton, 2021-10-26. Arizona Ranger Sam Burrack is back and hot on the trail of the worst desperados in two countries. Following a tip from a prisoner in Yuma Penitentiary, Ranger Sam Burrack is riding to the Mexican Valley to hunt down the Cowboy Gang, notorious bandits who have topped the Most Wanted list for the past year. The crooks have fled to Rojo Malo and settled in under the protection of corrupt town officials. Now with new recruits including the infamous Russian assassin Kura Stabitz, they're robbing banks and trains on both sides of the border. I will tell you where they are. Escalante had said only because I know that Stabitz will kill you and bleed you like a dying pig. Burrack knows it won't be easy. He won't find the gunmen just waiting to be arrested in Bad River. But with patience and a little luck, he will find them nearby, maybe in the limestone mountains, maybe in the caves above the old Quaker mission. He'll smoke them out like rats if he has to. That was the job, and a ranger always gets the job done. More than 4 million. Ralph Cotton books in print.
