Russian Romantic Fiction:

Russian Romantic Fiction John Mersereau, 1983 Russian fiction was born in the age of Pushkin and in a remarkably short period of time the Russian novel became one of the glories of world literature This book tells part of the story of how this happened Of course Pushkin Gogol and Lermontov are the primary figures of the Romantic era and Mr Mersereau devotes many pages to them But it is the context of their works which is the main subject of this history the entire development of Russian prose from the start of the 19th century until 1852 This background makes the appearance of such masterpieces as *Dead Souls* *A Hero of Our Time* *The Captain's Daughter* and *The Queen of Spades* more understandable but none the less amazing Page 4 of cover

George Sand and the Nineteenth-century Russian Love-triangle Novels

Dawn D. Eidelman, 1994 Mauprat features Edmee a self actualizing woman as hero protagonist Here the notion of fiction of relationship emerges as male Russian authors created tragic idealized woman characters who could never really live up to the terrible perfection with which they were endowed

Reference Guide to Russian Literature Neil

Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public

Russian Love Stories Nadezhda L. Peterson, 2009 Russian Love Stories offers a broad range of narrative styles philosophical agendas and points of view from writers who insist on making love be it familial love or between strangers carnal or platonic real or imagined central in the lives of their characters Although all the authors represented were born in the Soviet period each was molded by a particular set of shared practices and beliefs and all offer a distinctive perspective on their experience The selections are evenly divided between men and women writers and those working in Russia or abroad This anthology is anchored in the period from the middle of the twentieth century to the present offering the reader an insider's view of Soviet and post Soviet life Yet the writer's position sometimes from within that time sometimes from the perspective of a backward glance at the past is emphatically that of an outsider

The Cambridge Introduction to Russian Literature Caryl Emerson, 2008-07-10 Russian literature arrived late on the European scene Within several generations its great novelists had shocked and then conquered the world In this introduction to the rich and vibrant Russian tradition Caryl Emerson weaves a narrative of recurring themes and fascinations across several centuries Beginning with traditional Russian narratives saints lives folk tales epic and rogue narratives the book moves through literary history chronologically and thematically juxtaposing literary texts from each major period Detailed attention is given to canonical writers including Pushkin Gogol Dostoevsky Tolstoy Chekhov Bulgakov and Solzhenitsyn as well as to some current bestsellers from the post Communist period Fully accessible to students and readers with no

knowledge of Russian the volume includes a glossary and pronunciation guide of key Russian terms as well as a list of useful secondary works The book will be of great interest to students of Russian as well as of comparative literature Slavic Sins of the Flesh Ronald Denis LeBlanc, 2009 A pathbreaking gastrocritical approach to the poetics of Dostoevsky Tolstoy and their contemporaries *Romanticism in National Context* Roy Porter, Mikulas Teich, 1988-05-27 Special emphasis is placed on the interplay between Romantic culture and social political and economic change in this study of the course of Romanticism in various European countries *Historical Dictionary of Romanticism in Literature* Paul Varner, 2014-11-18 The Historical Dictionary of Romanticism in Literature provides a large overview of the Romantic Movement that seemed at the time to have swept across Europe from Russia to Germany and France to Britain and across the Atlantic to the United States The Romantics saw themselves as inaugurating a new era They frequently referred to themselves or their contemporaries as Romantics and their art as Romantic From the early stirrings in Germany to the last decade of the eighteenth century in England with the political radicals and the Lake Poets to the Transcendental Club in Massachusetts the leaders of the age acknowledged their new Romantic attitudes This volume takes a close and comprehensive look at romanticism in literature through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on the writers and the poems novels short stories and essays plays and other works they produced the leading trends techniques journals and literary circles and the spirit of the times are also covered This book is an excellent access point for students researchers and anyone wanting to know more romanticism in literature *A Fallen Idol Is Still a God* Elizabeth Allen, 2006-10-26 A Fallen Idol Is Still a God elucidates the historical distinctiveness and significance of the seminal nineteenth century Russian poet playwright and novelist Mikhail Iurevich Lermontov 1814 1841 It does so by demonstrating that Lermontov s works illustrate the condition of living in an epoch of transition Lermontov s particular epoch was that of post Romanticism a time when the twilight of Romanticism was dimming but the dawn of Realism had yet to appear Through close and comparative readings the book explores the singular metaphysical psychological ethical and aesthetic ambiguities and ambivalences that mark Lermontov s works and tellingly reflect the transition out of Romanticism and the nature of post Romanticism Overall the book reveals that although confined to his transitional epoch Lermontov did not succumb to it instead he probed its character and evoked its historical import And the book concludes that Lermontov s works have resonance for our transitional era in the early twenty first century as well *The Rise of the Russian Novel* Richard Freeborn, 1973-01-04 This introduction to the study of the Russian novel demonstrates how the form evolved from imitative beginnings to the point in the 1860s when it reached maturity and established itself as part of the European tradition Professor Freeborn considers selected novels by Pushkin Lermontov Gogol Dostoyevsky and Tolstoy Extended introductory sections to the studies of Dostoyevsk and Tolstoy deal with their earlier works A final chapter summarises the principal points of contrast between Crime and Punishment and War and Peace and

argues that in certain specific ways they represent the peaks in the evolution of the form of the Russian novel Quotations are translated but key passages are also given in the original Professor Freeborn treats the novel as a literary form and avoids the overworked formulae on which much historical writing on Russian literature has been based He is concerned with the literary development of a great form Nikolai Gretsches Travel Letters: Volume 3 - Letters from Germany Nikolai Gretsches, 2021-09-14 Nikolai Gretsches Travel Letters is a fully translated English edition of a three volume account published by Nikolai Gretsches 1787-1867 in St Petersburg in 1839 In the original Russian Gretsches describes his travels in post Napoleonic England France and Germany in 1837 at the behest of the Russian Empire His official task was to examine educational systems but as he travelled he also noticed the cultural norms in his surroundings the history of each country and the personal experiences of the people he met On his return home Gretsches assembled his entertaining and often humorous personal observations into the edition that forms the basis for the present translation His astute observations provide a rich contemporary resource for information about the countries he visited especially given his status as an outsider Additionally as a result of his government position Gretsches was able to move in social circles that would have been closed to many other people In England he once found himself in the same room with Princess the future Queen Victoria and in France he dined with Victor Hugo Gretsches observations offer a treasure trove of contextual information that will be valuable to anyone interested in cultural interactions during the nineteenth century **Russian Nights** Vladimir Fedorovich Odoevsky, 1997-03-20 Russian Nights Vladimir Fedorovich Odoevsky s major work is of great importance in Russian intellectual history This captivating novel is the summation of Odoevsky s views and interests in many fields Gothic literature romanticism mysticism the occult social responsibility Westernization utopia and anti utopia Compared variously to The Decameron to Hoffmans Serapion Brethren and the Platonic dialogues Russian Nights is a mixture of genres a series of romantic and society tales framed by Odoevsky s musings on the main strands of Russian thought of the 1820s and 1830s This is a unique work of Russian literature and a key sourcebook for Russian romanticism and Russian social and aesthetic thought of its epoch **Doubt, Atheism, and the Nineteenth-Century Russian Intelligentsia** Victoria Frede, 2011-09-08 The autocratic rule of both tsar and church in imperial Russia gave rise not only to a revolutionary movement in the nineteenth century but also to a crisis of meaning among members of the intelligentsia Personal faith became the subject of intense scrutiny as individuals debated the existence of God and the immortality of the soul debates reflected in the best known novels of the day Friendships were formed and broken in exchanges over the status of the eternal The salvation of the entire country not just of each individual seemed to depend on the answers to questions about belief Victoria Frede looks at how and why atheism took on such importance among several generations of Russian intellectuals from the 1820s to the 1860s drawing on meticulous and extensive research of both published and archival documents including letters poetry philosophical tracts police files fiction and literary criticism She argues that young Russians were less concerned about

theology and the Bible than they were about the moral political and social status of the individual person They sought to maintain their integrity against the pressures exerted by an autocratic state and rigidly hierarchical society As individuals sought to shape their own destinies and searched for truths that would give meaning to their lives they came to question the legitimacy both of the tsar and of Russia s highest authority God
