Russian Thinkers His Selected Writings:

Russian Thinkers Isaiah Berlin,1978 Anton Chekhov Through the Eyes of Russian Thinkers Olga Tabachnikova,2012
The collection is comprised of twelve scholarly essays written by leading Chekhov specialists from around the world each analysing an interpretation of Chekhov by one of three Russian thinkers of the Silver Age of Russian culture Vasilii Rozanov Dmitrii Merezhkovskii and Lev Shestov It thus examines the hitherto under researched relationship between the origins and the results of the cultural phase that came to be known as the Silver Age and focuses specifically on the complex connections between Chekhov's legacy and the Russian culture of that period **Selected Writings: Russian thinkers** Isaiah Berlin,1978 **Selected Essays** Viacheslav Ivanovich Ivanov,2001 A poet critic and theoretician at the turn of the 20th century Viacheslav Ivanov was dubbed Viacheslav the Magnificent by his contemporaries This volume of essays covers a broad range of Ivanov's interests including the aesthetics of Symbolism theatre and culturological concerns Russian Thought After Communism: The Rediscovery of a Philosophical Heritage James P. Scanlan,2016-09-16 An examination of Russia's philosophical heritage It extends from the Slavophiles to the philosophers of the Silver Age from emigre religious thinkers to Losev and Bakhtin and assesses the meaning for Russian culture as a whole In Search of Isaiah Berlin Henry Hardy,2020-07-30 The compelling story of a decades long collaboration between social and political theorist Isaiah Berlin and his editor Henry Hardy who made it his vocation to bring Berlin's huge body of work into print Isaiah Berlin was one of the greatest thinkers of the twentieth century a man who set ideas on fire His defence of liberty and plurality was passionate and persuasive and inspired a generation His ideas especially his reasoned rejection of excessive certainty and political despotism have become even more prescient and vital today But who was the man behind such influential views Hardy discovered that Berlin had written far more than people thought much of it unpublished As he describes his struggles with Berlin who was almost on principle unwilling to have his work published an intimate and revealing picture of the self deprecating philosopher emerges This is a unique portrait of a man who gave us a new way of thinking about the human predicament and whose work had for most of his life remained largely out of view **Selected Writings of Regi Siriwardena: Literature and the arts** Regi Siriwardena,2005 Selected articles and essays by Regi Siriwardena Sri Lankan author and critic on literature motion picture theatre politics and society includes book reviews film reviews and some of his creative writings most of the essays published earlier in Sri Lankan newspapers and magazines Myth of the Nation and Vision of Revolution Ignaz Goldziher,2017-09-29 In what may well rank as the finest political and intellectual history of the twentieth century the late J L Talmon explores the origins of the schism within European society between the totalitarians of Right and Left as well as the split between an acceptance of the historical national community as the natural political and social framework and the vision of a socialist society achieved by a universal revolutionary breakthrough This the third and final volume of Talmon's history of the modern world brings to bear the resources of his incisive scholarship to examine the

workings of the ironies of totalitarianism as well as the resources of democracy *Political Ideologies and the Democratic Ideal* Terence Ball, Richard Dagger, Daniel I O'Neill, 2015-07-17 *Political Ideologies and the Democratic Ideal* 9 e thoroughly analyzes and compares political ideologies to help readers understand these ideologies as acutely as a political scientist does Used alone or with its companion *Ideals and Ideologies A Reader* 9 e this best selling title promotes open mindedness and develops critical thinking skills **A History of Russian Philosophy** Valery A. Kuvakin, 1994-02 For the first time since the break up of the USSR and with the help of 21 leading historians of Russian philosophy from Moscow State University including M N Gromov Z A Kamensky M A Maslin B G Safronov and V V Serbinenko Valery A Kuvakin presents a comprehensive two volume work capturing the rich philosophical heritage of this diverse culture These scholars discuss its interpretation of the universe the essence of history and human existence the ideals of knowledge and a decent life the destiny of Russia and the life of the world community from the 10th century through the early 20th century These discussions are augmented with selected excerpts from original works which served as examples of the main schools of thought **In Exile** Jessica Dubow, 2020-11-12 In *In Exile* Jessica Dubow situates exile in a new context in which it holds both critical capacity and political potential She not only outlines the origin of the relationship between geography and philosophy in the Judaic intellectual tradition but also makes secular claims out of Judaism s theological sources Analysing key Jewish intellectual figures such as Walter Benjamin Isaiah Berlin and Hannah Arendt Dubow presents exile as a form of thought and action and reconsiders attachments of identity history time and territory In her unique combination of geography philosophy and some of the key themes in Judaic thought she has constructed more than a study of interdisciplinary fluidity She delivers a striking case for understanding the critical imagination in spatial terms and traces this back to a fundamental if forgotten exilic pull at the heart of Judaic thought **Political Theorists in Context** Stuart Isaacs, Chris Sparks, 2004-05-20 Focusing on the historical context in which political theorists have developed their thinking this textbook provides an invaluable introduction to students of political thought The authors address a series of canonical major thinkers in the context of three world changing epochs the English French and Industrial revolutions The theorists ideas are assessed with reference to the politics of their time and show how they responded to or interacted with the political events and issues of their day **Bergson and Russian Modernism, 1900-1930** Hilary L. Fink, 1999 This study focuses on the Russian modernist attraction to Bergson s notions of duration and intuition his unbridled optimism in both art and life and his belief in the individual s creative power *The Royal Prerogative and the Learning of the Inns of Court* Margaret McGlynn, 2004-12-20 Margaret McGlynn examines legal education at the Inns of Court in the late fifteenth early sixteenth century *Black Wind, White Snow* Charles Clover, 2022-07-26 A fascinating study of the root motivations behind the political activities and philosophies of Putin s government in Russia Part intellectual history part portrait gallery *Black Wind White Snow* traces the background to Putin s ideas with verve and clarity Geoffrey Hosking Financial Times Required reading This is a vivid

panoramic history of bad ideas chasing the metastasis of the doctrine known as Eurasianism Reading Charles Clover will help you understand the world of lies and delusions that is Eurasia Ben Judah Standpoint Charles Clover award winning journalist and former Moscow bureau chief for the Financial Times here analyzes the idea of Eurasianism a theory of Russian national identity based on ethnicity and geography Clover traces Eurasianism s origins in the writings of white Russian exiles in 1920s Europe through Siberia s Gulag archipelago in the 1950s the dissolution of the Soviet Union in the early 1990s and up to its steady infiltration of the governing elite around Vladimir Putin This eye opening analysis pieces together the evidence for Eurasianism s place at the heart of Kremlin thinking today and explores its impact on recent events the annexation of Crimea and the rise in Russia of anti Western paranoia and imperialist rhetoric as well as Putin s sometimes perplexing political actions and ambitions Based on extensive research and dozens of interviews with Putin s close advisers this quietly explosive story will be essential reading for anyone concerned with Russia s past century and its future **Silver Age and After:**

Repressed Russian Poets, Artists and Philosophers during the Soviet Period Roberto Echavarren, 2024-09-17 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps The details of Lenin s and Stalin s reign of terror are far less known because they took place behind a wall of secrecy and because survivors have been loath to speak about them for fear of retribution This is an encompassing volume presenting an intense display as complete as can be of poets artists musicians and philosophers and intellectual actors implicated in different aspects of Russian life roughly through the period 1900 1960 They were people who had lived under the Soviet regime in times of peace and in times of war from the Red Terror through the Great Terror One must bear in mind the political and economic conditions in which those lives developed the one party rule placed above both the government and the citizens the abashment of the division of powers the suppression of private property and private economic initiative the political police and the GULAG I deal with the poets in several chapters then theater directors then composers then philosophers these both in the introduction and in the play at the end of the book Besides the Prologue and Introduction the reader will find an Index of historical names plus an extensive Bibliography The work can be used for reference for classroom adoption for researchers practitioners of Russian Literature Political Studies Slavic Studies and Russian History **A Book**

About Books, Volume III of III E. H. Bernstein, 2024-11-13 This book is Volume III of a three volume book plus accompanying website www.bookaboutbooks.com which adds to subjects already in the book or presents some books and subjects not contained in the books The other volumes are available from the same booksellers as this volume A Book about Books discusses what nonfiction books and subjects the author believes are important to know about This book tries to point to problems in how we live and to see if books have any answers Even though the books are complete the author will update the website periodically in the future E H Bernstein is a former librarian turned author The subtitle of the book describes the author s objective A handbook in three volumes to a choice of essential books writers and subjects in order to understand the

world we live in about big questions and possible answers about books and writers that may improve people's lives about neglected writers and other books and subjects A Book about Books attempts to share what the author has learned from nearly 50 years of nonfiction reading and to provide the reader with samples of the most important authors and subjects from that reading While the book is based on research it is intended to be a handbook or guide by trying to make that research understandable to the general reader and to students and for teachers by pointing to what the author believes is missing from today's education A curriculum proposal for college teachers is on the author's website Note about how the volumes are related each chapter is on a separate subject So the chapters can be read individually but the full message requires reading all the volumes Volume I is important but preliminary to the more important Volumes II and III Note also that the book is not just about books since other sources are also mentioned The author believes we should listen to many voices so the book draws on many types of writers from different times and countries The author says A contemporary writer once said that one of the purposes of writing is that books should be useful I hope that my book will be of use

Philosophical Thought in Russia in the Second Half of the Twentieth Century Vladislav Lektorsky, Marina F. Bykova, 2019-01-10 Philosophical Thought in Russia in the Second Half of the 20th Century is the first book of its kind that offers a systematic overview of an often misrepresented period in Russia's philosophy Focusing on philosophical ideas produced during the late 1950s early 1990s it reconstructs the development of genuine philosophical thought in the Soviet period and introduces those non dogmatic Russian thinkers who saw in philosophy a means of reforming social and intellectual life Covering such areas of philosophical inquiry as philosophy of science philosophical anthropology the history of philosophy activity approach as well as communication and dialogue studies the volume presents and thoroughly discusses central topics and concepts developed by Soviet thinkers in that particular fields Written by a team of internationally recognized scholars from Russia and abroad it examines the work of well known Soviet philosophers such as Mikhail Bakhtin Evald Ilyenkov and Merab Mamardashvili as well as those important figures such as Vladimir Bibler Alexander Zinoviev Yury Lotman Georgy Shchedrovitsky Genrich Batishchev Sergey Rubinstein and others who have often been overlooked By introducing and examining original philosophical ideas that evolved in the Soviet period the book confirms that not all Soviet philosophy was dogmatic and tied to orthodox Marxism and the ideology of Marxism Leninism It shows Russian philosophical development of the Soviet period in a new light as a philosophy defined by a genuine discourse of exploration and intellectual progress rather than stagnation and dogmatism In addition to providing the historical and cultural background that explains the development of the 20th century Russian philosophy the book also puts the discussed ideas and theories in the context of contemporary philosophical discussions showing their relevance to nowadays debates in Western philosophy With short biographies of key thinkers an extensive current bibliography and a detailed chronology of Soviet philosophy this research resource provides a new understanding of the Soviet period and its intellectual legacy 100 years after the Russian Revolution

Strategiya Ofer

Fridman, 2021-12-01 In recent years Western experts have generally portrayed the Kremlin's actions as either strategic or tactical. Yet this proposition raises a very important question: how closely does the West's interpretation of Russian strategy reflect the country's own definitions? While many military historians have sought to interpret Russian strategy, Strategiya takes a different approach. It brings together in English the classic works of the Russian art of strategy which were rediscovered after the collapse of the Soviet Union. Instead of explaining his analysis of Russia's contemporary strategy, Ofer Fridman offers his translation of and commentary upon the founding texts of Russia's own Clausewitzes: Baron Jomini and Liddell Hart, who have been inspiring Russian strategic thinking both its conceptualisation and its implementation from the moment Moscow rejected the exclusive role of Marxism-Leninism in strategic affairs. Russian contemporary strategists draw their inspiration from three main schools of thought. While works by Soviet military thinkers have already been translated into English, those by both Imperial strategists and military thinkers in exile have remained almost inaccessible to the Western reader. Filling this lacuna, Strategiya offers a fascinating glimpse inside the foundations of Russian strategic thought and practice. **Proceedings, American Philosophical Society (vol. 116, No. 2, 1972) ,**

Russian Thinkers His Selected Writings Introduction

In today's digital age, the availability of Russian Thinkers His Selected Writings books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Thinkers His Selected Writings books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Thinkers His Selected Writings books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Thinkers His Selected Writings versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Thinkers His Selected Writings books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Thinkers His Selected Writings books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Thinkers His Selected Writings books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Thinkers His Selected Writings books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Thinkers His Selected Writings books and manuals for download and embark on your journey of knowledge?
