Russian-American Life Anatoly Rozenblat, 2020-07-13 Rozenblat's Confession about the Russian American Life By Anatoly Rozenblat Rozenblat's Confession about the Russian American Life embraces in chronological order two periods of Anatoly Rozenblat's life. The first period of his life advantageously for 1938 to 1989 years relates to the Soviet Union. The main goal of this book is to describe in detail the complexity and many-sided thorny life of the Jewish orphan child who has lost his parents in the Second World War and also to show the real growing up life and struggle for surviving of his in conditions of the Soviet Union. The second period of his life embraces emigration of 1989 to 2018 years which is described in the different of his Diaries located on www.amazon.com, www.google.com and www.authorhouse.com. The material of this book is built on author's family materials and does not embrace the official documents. And this book can be recommended for the social workers and people who are interested in American immigration. **????????-????????????? ?????????? ?????????? Rozenblat's 80 Years Anatoly Rozenblat, 2021-09-15 Rozenblat's 80 Years Life in Chronological Pictures By Anatoly Rozenblat This first author's edition of illustrated book discovers to readers the real family life in the Soviet Union for period 1938-1989 years and also the immigrant's life in America from 1990-2018 years. A big attention the author devotes in his book with using the different pictures and posters the real complicated life without of any colors for two periods of his life. The first period author's life relates to the Soviet Union when the Jewish child has lost his parents in period of war and as he can survive at these conditions. And the second period author's life embraces the immigration life in America without of any colors and having problems of surviving and creative work in this country. Refugee of 1989 Anatoly Rozenblat, 2014-06-16 The main goal of this book is put the idea of author to show that any person in extreme living conditions of financial and moral character always must stay by the HUMAN BEING. And besides in base of this book by author was underlined the essential principle that advantageously the education, classical music, art and contact with Nature make the relations between people more humane and loyal to each other to any society. Author of this book as the witness of Soviet Jewish immigration thinks that degree of complexity of any emigration submits to exponential distribution with function in view of $f(x) = e^{kx}$ with beginning process immigration the complexity has maximum and the end minimum values. **The Russian Inventor and**
