Russian Mother:

Ali and His Russian Mother Alexandra Chreiteh, 2015-06-20 A fresh daring voice in Arabic literature today Alexandra Chreiteh's *Ali and his Russian Mother* is at once an ordinary and extraordinary story of two young people in Lebanon. At the outbreak of the July War in 2006 the novel's unnamed young protagonist reconnects with her childhood friend and develops a little crush on him as they flee the bombs unleashed upon their country by Israel. Displaced along with a million others across the country she and her Russian mother have joined an evacuation for Russian citizens when she again meets up with Ali her former schoolmate from the South who also has a Russian Ukrainian mother. As the two friends reunite chat and bond during a harrowing bus caravan across the Syrian border to Latakia en route to Moscow Chreiteh's unique comic sense of the absurd speaks to contradictions faced by a young generation in Lebanon now sounding out taboos surrounding gender sexual religious and national identities. Carrying Russian passports like their mothers both of whom married Lebanese men and settled there they are forced to reflect upon their choices and lack of them in a country that is yet again being torn apart by violent conflict. Like Chreiteh's acclaimed first novel *Always Coca Cola* this story employs deceptively simple language and style to push the boundaries of what can be talked about in Arabic fiction. Again focused on the preoccupations of young people and their hopes for the future *Ali and his Russian Mother* represents a fresh daring voice in Arabic literature today.

Herstories on Screen Kathleen Cummins, 2020-05-19 From the late 1970s into the early 1990s a generation of female filmmakers took aim at their home countries popular myths of the frontier. Deeply influenced by second wave feminism and supported by hard won access to governmental and institutional funding and training their trailblazing films challenged traditionally male genres like the Western. Instead of reinforcing the myths of nationhood often portrayed in such films invariably featuring a lone white male hero pitted against the savage and uncivilized native terrain these filmmakers constructed counternarratives centering on women and marginalized communities. In place of rugged cowboys violently removing indigenous peoples to make the frontier safe for their virtuous wives and daughters these filmmakers told the stories of colonial and postcolonial societies from a female and or subaltern point of view. *Herstories on Screen* is a transnational study of feature narrative films from Australia Canada the United States and New Zealand Aotearoa that deconstruct settler colonial myths. Kathleen Cummins offers in depth readings of ten works by a diverse range of women filmmakers including Jane Campion Julie Dash Merata Mita Tracey Moffatt and Anne Wheeler. She reveals how they skillfully deploy genre tropes and popular storytelling conventions in order to critique master narratives of feminine domesticity and purity and depict women and subaltern people performing acts of agency and resistance. Cummins details the ways in which second wave feminist theory and aesthetics informed these filmmakers efforts to debunk idealized Anglo Saxon femininity and motherhood and lay bare gendered and sexual violence and colonial oppression. *Russian Women and the End of Soviet Socialism* Judith McKinney, 2019-08-17 Initially expected to bring efficiency to the Russian economy and prosperity to

Bulletin of the Russian Information Bureau in the U.S. Russian Information Bureau in the U.S., 1920 **The Russian Mind Since Stalin's Death** Yuri Glazov, 2012-12-06 I have been working on this book since leaving Russia in April of 1972 It was my wish to write this book in English and there were what seemed to me to be serious reasons for doing so In recent years there has appeared a wealth of literature in Russian about Russia As a rule this literature has been published outside the USSR by authors who still live in the Soviet Union or who have only recently left it A fair amount of important literature is being translated into English but I believe it will be read mainly by specialists in Russian studies or by those who have a great interest in the subject already The majority of Russian authors write of course for the Russian reader or for an imagined Western public It is my feeling that Russian authors have serious difficulties in understanding the mentality of Westerners and that there still exists a gap between the visions of Russians and non Russians I have made my humble attempt to bridge his gap and I will be happy if I am even partly successful The Russian world is indeed fascinating Many people who visit Russia for a few days or weeks find it a country full of historical charm fantastic

architecture and infinite mystery For many inside the country especial ly for those in conflict with the Soviet authorities

Intermarriage and the Friendship of Peoples Adrienne Edgar, 2022-05-15 Co winner of the Central Eurasian Studies Society s prize for best book in History and the Humanities in

2022 and 2023 and winner of the The Joseph Rothschild Prize in Nationalism and Ethnic Studies of the Association for the Study of Nationalities *Intermarriage and the Friendship of Peoples* examines the racialization of identities and its impact on mixed couples and families in Soviet Central Asia In marked contrast to its Cold War rivals the Soviet Union celebrated mixed marriages among its diverse ethnic groups as a sign of the unbreakable friendship of peoples and the imminent emergence of a single Soviet people Yet the official Soviet view of ethnic nationality became increasingly primordial and even racialized in the USSR's final decades In this context Adrienne Edgar argues mixed families and individuals found it impossible to transcend ethnicity fully embrace their complex identities and become simply Soviet Looking back on their lives in the Soviet Union ethnically mixed people often reported that the official nationality in their identity documents did not match their subjective feelings of identity that they were unable to speak their own native language and that their ambiguous physical appearance prevented them from claiming the nationality with which they most identified In all these ways mixed couples and families were acutely and painfully affected by the growth of ethnic primordialism and by the tensions between the national and supranational projects in the Soviet Union *Intermarriage and the Friendship of Peoples* is based on more than eighty in depth oral history interviews with members of mixed families in Kazakhstan and Tajikistan along with published and unpublished Soviet documents scholarly and popular articles from the Soviet press memoirs and films and interviews with Soviet era sociologists and ethnographers

Russian Culture Margaret Mead, John Rickman, 2001 This volume brings together two classic works on the culture of the Russian people which have been long out of print Gorer's *Great Russian Culture* and Mead's *Soviet Attitudes towards Authority An Interdisciplinary Approach to Problems of Soviet Character* were among the first attempts by anthropologists to analyze Russian society They were influential both for several generations of anthropologists and in shaping American governmental attitudes toward the Soviet Union during the Cold War period Additionally they offer fascinating insights into the early anthropological use of psychological data to analyze cultural patterns Read as part of the history of the anthropology of complex contemporary societies they are as fascinating for their more questionable conclusions as for their accurate characterizations of Russian life

The Slave Soul of Russia Daniel Rancour-Laferrriere, 1995-03-01 Why asks Daniel Rancour-Laferrriere in this controversial book has Russia been a country of suffering Russian history religion folklore and literature are rife with suffering The plight of Anna Karenina the submissiveness of serfs in the 16th and 17th centuries ancient religious tracts emphasizing humility as the mother of virtues the trauma of the Bolshevik revolution the current economic upheavals wracking the country these are only a few of the symptoms of what *The Slave Soul of Russia* identifies as a veritable cult of suffering that has been centuries in the making Bringing to light dozens of examples of self defeating activities and behaviors that have become an integral component of the Russian psyche Rancour-Laferrriere convincingly illustrates how masochism has become a fact of everyday life in Russia Until now much attention has been paid to the psychology of Russia's leaders and their impact on the country's condition Here for

Julie Rajan, 2011-08-26 This book offers an evaluation of female suicide bombers through postcolonial Third World feminist and human rights framework drawing on case studies from conflicts in Palestine Sri Lanka and Chechnya among others Women Suicide Bombers explores why cultural media and political reports from various geographies present different information about and portraits of the same women suicide bombers The majority of Western media and sovereign states engaged in wars against groups deploying bombings tend to focus on women bombers abnormal mental conditions their physicality for example their painted fingernails or their beautiful eyes their sexualities and the various ways in which they have been victimized by their backward Third World cultures especially by Islam In contrast propaganda produced by rebel groups deploying women bombers cultures supporting those campaigns and governments of those nations at war with sovereign states and Western nations tend to project women bombers as mythical heroes in ways that supersedes the martyrdom operations of male bombers Many of the books published on this phenomenon have revealed interesting ways to read women bombers subjectivities but do not explore the phenomenon of women bombers both inside and outside of their militant activities or against the patriarchal Orientalist and Western feminist cultural and theoretical frameworks that label female bombers primarily as victims of backward cultures In contrast this book offers a corrective lens to the existing discourse and encourages a more balanced evaluation of women bombers in contemporary conflict This book will be of interest to students of terrorism gender studies and security studies in general
