Russian Voices

Franz Taut

Russian Voices:

Russian Voices on Post-Crimea Russia Maria Lipman, 2020-11-11 Russia has changed dramatically since the beginning of this decade This volume presents a unique collection of articles by Russian scholars and experts originally published in Russian in the journal Kontrapunkt Counterpoint The authors include Yulia Bederova Andrey Desnitsky Maria Eismont Aleksandr Gorbachev Tatiana Nefedova Ella Paneyakh Sergey Parkhomenko Nikolay Petrov Kirill Rogov Sergey Sergeev Ekaterina Sokiryanskaya Andrey Soldatov Svetlana Solodovnik Anna Tolstova Aleksandr Verkhovsky and Natalia Zubarevich Their essays cover a broad range of subjects from the Russian political scene and state society relations to the politics of culture and the realm of ideas and symbols These contributions offer fascinating insights into Russia's multifaceted and complex development after the annexation of Crimea in 2014

The Russian language and its dialects William Richard Morfill, 1900

The Russian Agent Franz Taut, 2022-10-21 Lieutenant General Andrey Andreyevich Wlassow or Vlasov was awarded the Order of the Red Banner the Soviet Union's first and at the time highest military decoration This was in recognition of his handling of the 37th Army when Hitler's forces invaded the Soviet Union in 1941 and for his efforts in the defence of Moscow But during the siege of Leningrad in 1942 he was taken prisoner During his time in captivity Wlassow defected to the Germans He went on to establish the Russian Liberation Army a movement to support the Germans in defeating Stalin's Bolshevism Stalin's intelligence services would undoubtedly have sought to have disrupted and infiltrated the RLA In this book the author Franz Taut reveals one plausible but fictitious attempt to infiltrate Wlassow's organisation and report back to Moscow on those traitors who sought the collapse of the communist regime The agent in question Taut has named Lieutenant Sonja Rasumowa Adopting a different persona for each situation this former employee of the Soviet embassy in Berlin was able to make her way back into the German capital She was soon approached by a member of the Russian Liberation Army though there were those in Wlassow's group who were highly suspicious of this clearly highly intelligent and well informed young woman How would Rasumowa gain their trust and once fully accepted into the treacherous group how could she transmit their subversive intentions back to Mother Russia Though the activities of Sonja Rasumowa are entirely fictitious the story of Wlassow's Russian Liberation Army is a factual one In *The Russian Agent* the complexities of the political situation are revealed as the German armies in Russia crumbled and the fear of reprisals for those who had turned against the country of their birth became more acute with the passing of each week This is a story that explores an intriguing element of the Second World War one that is little known of outside Russia and Germany

Russians on Russian Music, 1830-1880 Stuart Campbell, 1994-07-21 The volume reveals through contemporary Russian eyes how the foundations of the hugely popular Russian classical repertory were laid providing a vivid picture of the musical life of the opera house and the concert hall from which this repertory sprang

Diversity and Decolonization in Teaching Russian Studies Thomas Jesús Garza, Rachel Stauffer, 2025-08-16 This edited volume is the first to address

diversity and decolonization in teaching Russian language literature and culture For multicultural scholars and classrooms in both K 12 and higher education the editors aim to expand representations of Russian speaker identities and Russian speaking communities outside of Russia as well as the culturally and linguistically diverse identities of students and scholars specializing in Russian within the US Contributions provide concrete examples and philosophical approaches to present alternative ways to transform content and instruction in Russian Studies Russian Talk Nancy Ries,1997 As one of the first Western ethnographers working in Moscow Nancy Ries became convinced that talk is one crucial way in which Russian identity is constructed and reproduced Listening to the grim stories people used to characterize their lives during perestroika and encountering the florid pessimism with which Muscovites described the unraveling of Soviet governance Ries realized that these dire tales played a crucial role in fabricating a sense of shared experience and destiny While many of the narratives aptly depicted the chaotic social and political events they also promoted key images of Russianness and presented Russian society as an inescapable realm of injustice absurdity and suffering At the height of perestroika in the early 1990s Moscow residents commonly used the phrase complete ruin to refer to the disintegration of Russian society encompassing in that phrase the escalation of crime the disappearance of goods from stores the fall of production ecological catastrophes ethnic violence in the Caucasus the degradation of the arts and the flood of pornography Ries argues that such stories became a genre of folklore consistent in their lamenting portentous tone and their dramatic culturally poignant details

Global Russian Cultures Kevin M. F. Platt,2019-01-15 Is there an essential Russian identity What happens when Russian literature is written in English by such authors as Gary Shteyngart or Lara Vapnyar What is the geographic home of Russian culture created and shared via the internet *Global Russian Cultures* innovatively considers these and many related questions about the literary and cultural life of Russians who in successive waves of migration have dispersed to the United States Europe and Israel or who remained after the collapse of the USSR in Ukraine the Baltic states and the Central Asian states The volume s internationally renowned contributors treat the many different global Russian cultures not as displaced elements of Russian cultural life but rather as independent entities in their own right They describe diverse forms of literature music film and everyday life that transcend and defy political geographic and even linguistic borders Arguing that Russian cultures today are many this volume contends that no state or society can lay claim to be the single or authentic representative of Russianness In so doing it contests the conceptions of culture and identity at the root of nation building projects in and around Russia Text, Speech, and Dialogue Kamil Ekštejn,František Pártl,Miloslav Konopík,2021-08-30 This book constitutes the proceedings of the 24th International Conference on Text Speech and Dialogue TSD 2021 held in Olomouc Czech Republic in September 2021 The 2 keynote speeches and 46 papers presented in this volume were carefully reviewed and selected from 101 submissions The topical sections Text Speech and Dialogue deal with the following issues speech recognition corpora and language resources speech and spoken language generation tagging classification and

parsing of text and speech semantic processing of text and speech integrating applications of text and speech processing automatic dialogue systems multimodal techniques and modelling and others Due to the COVID 19 pandemic the conference was held in a hybrid mode

On Living Through Soviet Russia Daniel Bertaux, Paul Thompson, Anna Rotkirch, 2004 For a period of over seventy years after the 1917 revolutions in Russia talking about the past either political or personal became dangerous The new policy of glasnost at the end of the 1980s resulted in a flood of reminiscence almost nightly on television and more formally collected by new Russian oral history groups and western researchers This book is a fascinating collection of life stories and family history interview material collected by the editors and two Russian groups of interviewers

Living Through the Soviet System Leo Lowenthal, 2017-07-05 For a period of over seventy years after the 1917 revolutions in Russia talking about the past either political or personal became dangerous The situation changed dramatically with the new policy of glasnost at the end of the 1980s The result was a flood of reminiscence almost nightly on television and more formally collected by new Russian oral history groups and also by Western researchers Daniel Bertaux and Paul Thompson both began collecting life story and family history interview material in the early 1990s and this book is the outcome of their initiative Living Through the Soviet System analyzes through personal accounts how Russian society operated on a day to day level It contrasts the integration of different social groups the descendents of the pre revolutionary upper classes the new industrial working class or the ethnically marginalized Russian Jews It examines in turn the implications of family relationships working mothers absent fathers and caretaking grandmothers patterns of eating together and of housing the secrecy of sex the suppression of religion and the small freedoms of growing vegetables on weekends on a dacha plot Because of its basis in direct testimonies the book reveals in a highly readable and direct style the meaning for ordinary men and women of living through those seven dark decades of a great European nation Because of the centrality of Soviet Russia to the history of the twentieth century world this book will be of interest to a wide range of readers It will be of importance to students researchers and teachers of history and sociology as well as specialists in East European and other communist societies

Flirting with Danger Janet Wallach, 2023-08-01 A NEW YORK TIMES EDITOR S CHOICE A compelling story that pulsates with the energy of a thriller The Wall Street Journal Suspense lan and a generous helping of glamour Think George Smiley in a mink trimmed coat The New York Times Book Review The true story of socialite Marguerite Harrison who spied for U S military intelligence in Russia and Germany in the fraught period between the world wars Born a privileged child of America s Gilded Age Marguerite Harrison rebelled against her mother s ambitions married the man she loved was widowed at thirty seven and set off on a life of adventure Hired as a society reporter when America entered World War I she applied to Military Intelligence to work as a spy She arrived in Berlin immediately after the Armistice and befriended the enemy dining with aristocrats and dancing with socialists Late into the night she wrote prescient reports on the growing power of the German right Sent to Moscow she sneaked into Russia to observe the results

of the Bolshevik Revolution Although she carried press credentials she was caught and imprisoned as an American spy Terrified when told her only way out was to spy for the Cheka she became a double agent aiming to convince the Russian rulers she was working for them while striving to stay loyal to her country In Germany and Russia Harrison saw the future a second war with Germany a cold war with the Soviets but her reports were ignored by many back home Over a decade Harrison s mysterious adventures took her to Europe Baghdad and the Far East as a socialite secret agent and documentary filmmaker Janet Wallach captures Harrison s daring and glamour in this stranger than fiction history of a woman drawn to the impossible

How to Lose the Information War Nina Jankowicz,2020-06-11 Since the start of the Trump era the United States and the Western world has finally begun to wake up to the threat of online warfare and the attacks from Russia who flood social media with disinformation and circulate false and misleading information to fuel fake narratives and make the case for illegal warfare The question no one seems to be able to answer is what can the West do about it Central and Eastern European states including Ukraine and Poland however have been aware of the threat for years Nina Jankowicz has advised these governments on the front lines of the information war The lessons she learnt from that fight and from her attempts to get US congress to act make for essential reading *How to Lose the Information War* takes the reader on a journey through five Western governments responses to Russian information warfare tactics all of which have failed She journeys into the campaigns the Russian operatives run and shows how we can better understand the motivations behind these attacks and how to beat them Above all this book shows what is at stake the future of civil discourse and democracy and the value of truth itself

Musical Cultures in Seventeenth-Century Russia Claudia R. Jensen,2009-10-05 Claudia R Jensen presents the first unified study of musical culture in the court and church of Muscovite Russia Spanning the period from the installation of Patriarch Iov in 1589 to the beginning of Peter the Great s reign in 1694 her book offers detailed accounts of the celebratory musical performances for Russia s first patriarch events that were important displays of Russian piety and power Jensen emphasizes music s varied roles in Muscovite society and the equally varied opinions and influences surrounding it In an attempt to demystify what has previously been an enigma to Western readers she paints a clear picture of the dazzling splendor of musical performances and the ways in which 17th century Muscovites employed music for spiritual enlightenment as well as entertainment

Strategic Communication in EU-Russia Relations Evgeny Pashentsev,2019-11-15 This book is a timely reminder of the ties that join Russia and the European Union and the opportunities that still exist to improve a troubled relationship The book does not shy away from the difficulties that the relationship currently faces but seeks to find opportunities in these obstacles that could lead to improvements With the voice of Russian scholars fully audible in this excellent collection of essays this book provides an excellent opportunities for English speaking audiences to learn more about this complex relationship Victor Bulmer Thomas Chatham House UK The thinking of Evgeny Pashentsev in this volume presents an enlightening analysis and synthesis of the integration of the political social

cultural and technological advances around the globe with respect to their impact on EU Russia relations His chapters are a must read for both scholars and strategic consultants who seek to understand the future of the paradigm shift taking place in these countries Bruce I Newman DePaul University USA and Founding Editor in Chief Journal of Political Marketing In this book the international team of EU Russian and US researchers focus on the dangerous challenges of the current unstable international equilibrium and opportunities of the breakthrough for a better future Eight chapters engage with a variety of issues ranging from general tendencies and controversies in EU Russia strategic communication and its political and economic aspects to reputation management of Russian companies in the EU and the psychological aspect of US sanctions in EU Russia relations Analyzing the security dimension the authors focus on the geopolitical threats opportunities and risks of advanced technologies such as artificial intelligence robotics cyborgization and human genetics **Moritz von Kotzebue's**

Memoir Alexander Mikaberidze, 2011-12-07 The fourth installment in this series is the memoirs of Moritz von Kotzebue the son of the famous August von Kotzebue After being captured at Polotsk in August 1812 Kotzebue spent the next year and a half in the French captivity as he was moved first to Germany and then to France His memoir is fascinating for its vivid and occasionally witty descriptions of his experiences **Day of the Dog** Mark Salvi, 2015-08-27 In the year 2020 racial tensions are on the rise throughout the United States Protests and violence escalate throughout the country and terrorists take advantage of the situation to launch a biological attack Millions die but even worse the deadly disease known as canine flu afflicts the world's dogs turning people's pets into horrifying zombie dogs In a small North Georgia town those who survive the initial attack set out on a dangerous trip to Savannah hoping to make contact with friends and family who have started a survivors community The US military and government struggle to regain control of the country from the USS Ronald Reagan an aircraft carrier stationed off the coast of South Carolina from the Looking Glass Plane a specially equipped Boeing 707 carrying vital military personnel and US Strategic Command or STRATCOM in Omaha Meanwhile American society is in collapse the power grid no longer functions and nightly attacks from the zombie dogs mean all survivors are in constant danger Even worse the Looking Glass Plane goes down in Pennsylvania leaving only a few people alive trying to rescue the nation from chaos Only time will tell if they will succeed In this novel a terrorist attack brings about an apocalyptic landscape in which zombie dogs roam the night changing survivors' lives forever **The Voice of the Past** Paul Thompson, Joanna Bornat, 2017 Oral history gives history back to the people in their own words And in giving a past it also helps them towards a future of their own making Oral history and life stories help to create a truer picture of the past and the changing present documenting the lives and feelings of all kinds of people many otherwise hidden from history It explores personal and family relationships and uncovers the secret cultures of work It connects public and private experience and it highlights the experiences of migrating between cultures At the same time it can bring courage to the old meaning to communities and contact between generations Sometimes it can offer a path for healing divided communities and those with traumatic

memories Without it the history and sociology of our time would be poor and narrow In this fourth edition of his pioneering work fully revised with Joanna Bornat Paul Thompson challenges the accepted myths of historical scholarship He discusses the reliability of oral evidence in comparison with other sources and considers the social context of its development He looks at the relationship between memory the self and identity He traces oral history through its own past and weighs up the recent achievements of a movement which has become international with notably strong developments in North America Europe Australia Latin America South Africa and the Far East despite resistance from more conservative academics This new edition combines the classic text of *The Voice of the Past* with many new sections including especially the worldwide development of different forms of oral history and the parallel memory boom as well as discussions of theory in oral history and of memory trauma and reconciliation It offers a deep social and historical interpretation along with succinct practical advice on designing and carrying out a project *The Voice of the Past* remains an invaluable tool for anyone setting out to use oral history and life stories to construct a more authentic and balanced record of the past and the present *Is Russia*

Fascist? Marlene Laruelle, 2021-03-15 In *Is Russia Fascist* Marlene Laruelle argues that the charge of fascism has become a strategic narrative of the current world order Vladimir Putin's regime has increasingly been accused of embracing fascism supposedly evidenced by Russia's annexation of Crimea its historical revisionism attacks on liberal democratic values and its support for far right movements in Europe But at the same time Russia has branded itself as the world's preeminent antifascist power because of its sacrifices during the Second World War while it has also emphasized how opponents to the Soviet Union in Central and Eastern Europe collaborated with Nazi Germany Laruelle closely analyzes accusations of fascism toward Russia soberly assessing both their origins and their accuracy By labeling ideological opponents as fascist regardless of their actual values or actions geopolitical rivals are able to frame their own vision of the world and claim the moral high ground Through a detailed examination of the Russian domestic scene and the Kremlin's foreign policy rationales Laruelle disentangles the foundation for meaning and validity of accusations of fascism in and around Russia *Is Russia Fascist* shows that the efforts to label opponents as fascist is ultimately an attempt to determine the role of Russia in Europe's future

Black Ghosts Victor Ostrovsky, 2011-05-03 From 1 New York Times bestselling author Victor Ostrovsky comes a gripping thriller in which the oldest of enemies becomes the newest of threats They are known as the Black Ghosts Relics of the cold war they were elite KGB operatives placed in strategic positions throughout the Russian government in case of an attempted coup Their ominous threat was broken when their commander the cunning General Peter Rogov was arrested and imprisoned Now Rogov has returned Reactivating his shadowy network of spies assassins and nearly forgotten sleeper agents in the West his aim is to overthrow the powers that be and restore the sleeping bear of Russia to her former glory And he will declare his might to the world by doing the impossible **Hans Sturm** GORDON WILLIAMSON, 2017-01-20 There are many biographies of former soldiers of the German Wehrmacht many of whom had fascinating stories to tell and several of whom

were highly decorated Few however can match Hans Sturm in his astonishing rise from a mere private in an infantry regiment thrown into the bloody maelstrom of the Eastern Front to becoming a glorified war hero whose role brought him into direct regular contact with Prominenten of the Third Reich This young man s fearless heroism in combat earned him some of Germany s highest military awards and yet he was pugnaciously outspoken about bullying and injustice From striking a member of the feared Sicherheitsdienst in defence of a Jewish woman to refusing to wear a decoration he felt was tainted by its encouragement of inhumane treatment of enemy partisans Sturm repeatedly stuck to his moral values no matter what the risk But even when the war was finally over his travails did not end he was held in a number of Soviet labour camps before finally being released in 1953 Hans Sturm A Soldier s Odyssey on the Eastern Front is an engaging reconstruction of events based on exchanges of correspondence and reminiscences between the author and Hans Sturm himself It vividly portrays not only a German soldier s experience on the Eastern Front but the intriguing trajectories that success in the battlefield yielded for him at home under the Nazi regime

Eventually, you will enormously discover a further experience and triumph by spending more cash. still when? attain you undertake that you require to get those all needs next having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to understand even more in the region of the globe, experience, some places, behind history, amusement, and a lot more?

It is your entirely own period to pretense reviewing habit. in the middle of guides you could enjoy now is **Russian Voices** below.
