The Soviets in Russia M. K. Eroshkin, 1919 *The Radical Right in Late Imperial Russia* George Gilbert, 2015-11-19 The revolutionary movements in late tsarist Russia inspired a reaction by groups on the right Although these groups were ostensibly defending the status quo they were in fact as this book argues very radical in many ways This book discusses these radical rightist groups showing how they developed considerable popular appeal across the whole Russian Empire securing support from a wide cross section of society The book considers the nature

and organisation of the groups their ideologies and policies on particular issues and how they changed over time The book concludes by examining how and why the groups lost momentum and support in the years immediately before the First World War and briefly explores how far present day rightist groups in Russia are connected to this earlier movement The Literary Digest ,1910 **The Russian Bolshevik Revolution** Edward Alsworth Ross,1921 **Self and Story in Russian History** Laura Engelstein,Stephanie Sandler,2018-08-06 Russians have often been characterized as people with souls rather than selves *Self and Story in Russian History* challenges the portrayal of the Russian character as selfless self effacing or self torturing by exploring the texts through which Russians have defined themselves as private persons and shaped their relation to the cultural community The stories of self under consideration here reflect the perspectives of men and women from the last two hundred years ranging from westernized nobles to simple peasants from such famous people as Tolstoy Dostoyevsky Akhmatova and Nicholas II to lowly religious sectarians Fifteen distinguished historians and literary scholars situate the narratives of self in their historical context and show how since the eighteenth century Russians have used expressive genres including diaries novels medical case studies films letters and theater to make political and moral statements The first book to examine the narration of self as idea and ideal in Russia this vital work contemplates the shifting historical manifestations of identity the strategies of self creation and the diversity of narrative forms Its authors establish that there is a history of the individual in Russian culture roughly analogous to the one associated with the West **The Russian Review** Leo Pasvolsky,1917 *The Nation* ,1918 The Ringing Cedars of Russia Vladimir Megre,2008 After rising rapidly to the top of national best seller lists first time author Vladimir Megre has some explaining to do **Kievan Russia** George Vernadsky,1973-01-01 Looks at the history of Russia during the Kievan period from 862 to 1237 The New Russia ,1920 This publication includes the continuation of Bulletins of the Russian liberation committee under the heading Facts and documents **Economic Developments in Contemporary Russia** Ian Jeffries,2011-03-07 This book provides a comprehensive overview of economic developments in Russia since the late 1990s Key subjects covered include economic transition privatization and liberalization changes in land ownership and agriculture energy foreign direct investment economic stabilization and economic performance **Russia and the Commonwealth of Independent States** Zbigniew K Brzezinski,2016-09-16 This work brings together major accords and protocols that form the institutional framework of the Commonwealth of Independent States CIS a selection of policy statements by the leaders of CIS countries a chronological record of political economic and military security developments and major crises in CIS hot spots and statistics and country profiles **Research Handbook on Populism** Yannis Stavrakakis,Giorgos Katsambekis,2024-03-14 Examining one of the most hotly debated topics in contemporary politics media and academia the Research Handbook on Populism brings together a diverse range of academics from across the globe to provide a detailed and comprehensive overview of the developing field of populism research *Language of Conflict* Natalia Knoblock,2020-06-11 Exploring the ways in which language and

conflict are intertwined and interrelated this volume examines the patterns of public discourse in Ukraine and Russia since the beginning of the Ukrainian Crisis in 2014 It investigates the trends in language aggression evaluation persuasion and other elements of conflict communication related to the situation Through the analysis of the linguistic features of salient discourses and prevalent narratives constructed by different social groups Language of Conflict reflects competing worldviews of various stakeholders in this conflict and presents multiple often contradictory visions of the circumstances Contributors from Ukraine Russia and beyond investigate discursive representations of the most important aspects of the crisis its causes and goals participants and the values and ideologies of the opposing factions They focus on categorization stance framing de legitimization manipulation and coping strategies while analysing the ways in which the stress produced by social discord economic hardship and violence shapes public discourse Primarily focusing on informal communication and material gathered from online sources the collection provides insight into the ways people directly affected by the crisis think about and respond to it The volume acknowledges the communicators active role in constructing the often incompatible discursive images of the conflict and concentrates on the conscious and strategic use of linguistic resources in negative and aggressive communication

The Bloomsbury Handbook of the Russian Revolution Geoffrey Swain,Charlotte Alston,Michael C. Hickey,Boris Kolonitskii,Franziska Schedewie,2022-12-15 Through 30 interpretative essays The Bloomsbury Handbook of the Russian Revolution sees an international team of leading scholars comprehensively examine Russia s revolutionary years In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century Split into six sections covering political crises politicians and parties social groups identities regions and peoples and civil war the volume covers the collapse of Tsarism and the February Revolution the emergence of the Provisional Government and major historical figures such as Lenin Kerensky and the Socialist Revolutionary leader Viktor Chernov It also explores the events surrounding the Bolshevik seizure of power in October 1917 the first year of Soviet Government until the Bolshevik dictatorship was established and the impact on Russia of the subsequent civil war The focus is broader than these issues of high politics however since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class gender age and culture
