Samuel Augustus Mitchell

Russias Little America:

Little America Erik Paul, 2006-09-20 Australia is one of the US's most staunch supporters. Australia has sent troops to Iraq and is an ally in the war on terror. Australian domestic policy also follows the US economic model as state industries and services have been privatised. Erik Paul dissects the relationship between Australia and the US. He explores how Australia has become a key player in maintaining American dominance in South East Asia and looks critically at the contrast between the Australian wealth and the comparative poverty of surrounding nations. Examining the influence of neoconservative imperialism on Australia's economic and military strategies, he draws some startling conclusions about future Australian relationships in East Asia, in particular its relationship with China.

A Little America in Western Australia Anthony J. Barker, 2015 In 1963 the US Naval Communication Station at North West Cape in Western Australia became the first US defense facility to be established on Australian soil in peacetime. During America's Cold War struggle against communism, North West Cape's primary function was to communicate with the US fleet in the Indian and Western Pacific Oceans, especially nuclear missile submarines, the Navy's most powerful deterrent force. Seen as a vital outpost of US defense throughout the 1960s and 1970s, the whole venture was just as monumental for Australia. This book represents an important and long overdue history of the significance of North West Cape for Australia-US relations and Australian politics, paying special attention to the town of Exmouth that was uniquely created to support the base. Drawing on archival records and oral interviews, *A Little America in Western Australia* brings to light the experiences of Australian civilians and US Navy personnel in a fascinating and often humorous portrait of life at the Cape. Librarians: ebook available on ProQuest and EBSCO; welcome addition to military and nautical history collections; highly recommended, especially for college library shelves. Midwest Book Review Library Bookwatch, September 2015. The Nautical Shelf Subject: Military History, Naval Studies, US Studies, Australian Studies, Politics.

The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness. Eileen Bowser, Museum of Modern Art Film Department. Comments on previous volumes: The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog. Thomas Cripps: Endlessly absorbing as an excursion into cultural history and national memory. The Little Russian Susan Sherman, 2013-01-15 From an exciting new voice in historical fiction, an assured debut that should appeal to readers of *Away* by Amy Bloom or *Cold Mountain* by Charles Frazier. *The Little Russian* tells the story of Berta Alshonsky, who revels in childhood memories of her time spent with a wealthy family in Moscow, a life filled with salons, balls, and all the trappings of the upper class, very different from her current life as a grocer's daughter in the Jewish townlet of Mosny. So when a

mysterious and cultured wheat merchant walks into the grocery Berta's life is forever altered She falls in love unaware that he is a member of the Bund The Jewish Worker's League smuggling arms to the shtetls to defend them against the pogroms sweeping the Little Russian countryside Married and established in the wheat center of Cherkast Berta has recaptured the life she once had in Moscow So when a smuggling operation goes awry and her husband must flee the country Berta makes the vain and foolish choice to stay behind with her children and her finery As Russia plunges into war Berta eventually loses everything and must find a new way to sustain the lives and safety of her children Filled with heart stopping action richly drawn characters and a world seeped in war and violence The Little Russian is poised to capture readers as one of the hand selling gems of the season *An Accompaniment to Mitchell's Map of the World* Samuel Augustus Mitchell, 1839

An Accompaniment to Mitchell's map of the World, on Mercator's projection; containing an index to the various countries, etc. represented on the map; ... also, a general description of the five great divisions of the globe
