

# Russias Politics Of Uncertainty

**Susanne A. Wengle**

## **Russias Politics Of Uncertainty:**

*Russia's Politics of Uncertainty* Mary McAuley, 1997-08-28 Explores the political reactions of elites and society in the Russian Federation after the collapse of communist party rule and the break up of the USSR     *Russia's Politics of Uncertainty* Mary McAuley, 1997-08-28 In this book Mary McAuley explores the political reactions of elites and society in the Russian Federation in the years following the collapse of Communist party rule and the breakup of the USSR Spanning two republics and four regions the book offers the first in depth study of the impact of change in the regions as well as at the center Using first hand research it provides a unique study of the response of a society to the breakdown of the established political order and will appeal to students of comparative politics generally as well as to all those interested in transition in Russia     *The Politics of Inequality in Russia* Thomas F. Remington, 2011-04-29 This book investigates the relationship between the character of political regimes in Russia s subnational regions and the structure of earnings and income Based on extensive data from Russian official sources and surveys conducted by the World Bank the book shows that income inequality is higher in more pluralistic regions It argues that the relationship between firms and government differs between more democratic and more authoritarian regional regimes In more democratic regions business firms and government have more cooperative relations restraining the power of government over business and encouraging business to invest more pay more and report more of their wages Average wages are higher in more democratic regions and poverty is lower but wage and income inequality are also higher The book argues that the rising inequality in postcommunist Russia reflects the inability of a weak state to carry out a redistributive social policy     *Russian Politics Today* Michael Waller, 2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today s Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book s fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader

**Politics in Russia** Thomas Remington, 2015-07-22 Highly regarded for its comprehensive coverage up to date scholarship and comparative framework *Politics in Russia* is an authoritative overview of Russia s contemporary political system and its recent evolution Area specialist Thomas Remington focuses on four areas of change in this text state structure regime change economic transformation and identity to offer a dynamic context for analyzing the post Soviet era With a consistent emphasis on the intersection of politics and economics and the tension between authoritarian and democratic trends no other text guides students through the complexities and ambiguities of Russian politics today like *Politics in Russia*

Regional politics in Russia Cameron Ross, 2024-06-04 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia's regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia's Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective      Politics in the Russian Regions G. Gill, 2007-06-28 This volume analyzes the changing power relations in the Russian regions and in their relationship with the centre It considers Russian federalism and the changes that Putin has introduced and the distribution of power at the regional level The result is a rich survey of the state of federal relations in Russia      The Decline of Regionalism in Putin's Russia J. Paul Goode, 2011-05-11 This book reassesses the process whereby after 2000 Putin reversed the process by which in the 1990s power had shifted from Moscow to the regions It focuses on the dynamics of regional boundaries juridical boundaries which defined a region's territorial extent and thereby its resources institutional boundaries that sustained regional differences and cultural boundaries that defined the ethnic or technocratic principles on which a region could claim legitimate existence      **Uncertainty in Global Politics** Anastasia Shesterinina, Miriam Matejova, 2023-11-16 This book engages in a constructive practical debate on the nature and effects of uncertainty in global politics International contributors explore the processes associated with different forms of uncertainty in the context of environmental issues diplomacy and international negotiations and conflict and security From the collapse of the Soviet Union to the 1997 and 2008 financial crises to the Arab Uprisings and the European migrant crisis and the COVID 19 pandemic assessments of many events with lasting consequences on the global order have begun with why didn't we see this coming There is much to learn from how phenomena that affect the global order generate uncertainty and what effects such uncertainty has on actors and issues Presenting perspectives from all corners of the discipline and emerging and established scholars the book provides an up to date overview of the state of the literature a concise yet conceptually rich theoretical framework a mix of regional and global contemporary issues process oriented empirical evidence and methodological tools to assess different forms of uncertainty and propose practical solutions to addressing uncertainty in diverse contexts The book

will be of interest to scholars of global politics international security global environmental politics international organizations and institutions social movements and conflict studies

**Developments in Russian Politics 5** Stephen White,Alex Pravda,Zvi Y. Gitelman,2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to *Developments in Russian Politics 5* describe the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia s continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world s largest country

*Routledge Handbook of Russian Politics and Society* Graeme Gill,2022-12-23 This second edition of the highly respected *Routledge Handbook of Russian Politics and Society* both provides a broad overview of the area and highlights cutting edge research into the country Through balanced theoretical and empirical investigation each chapter examines both the Russian experience and the existing literature identifies and exemplifies research trends and highlights the richness of experience history and continued challenges inherent to this enduringly fascinating and shifting polity Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook answers questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption the development of a market economy and Russia s likely place in the emerging new world order Providing a comprehensive resource for scholars students and policy makers alike this book is an essential contribution to the study of Russian studies politics Eastern European studies politics and International Relations

**Judging Russia** Alexei Trochev,2008-04-28 This is a study of the actual role that the Russian Constitutional Court played in protecting fundamental rights and resolving legislative executive struggles and federalism disputes in both Yeltsin s and Putin s Russia Trochev argues that judicial empowerment is a non linear process with unintended consequences and that courts that depend on their reputation flourish only if an effective and capable state is there to support them This is because judges can rely only on the authoritativeness of their judgments unlike politicians and bureaucrats who have the material resources necessary to respond to judicial decisions Drawing upon systematic analysis of all decisions of the Russian Court published and unpublished and previously unavailable materials on their non implementation and resting on a combination of the approaches from comparative politics law and public administration this book shows how and why judges attempted to reform Russia s governance and fought to ensure compliance with their judgments

**Party Politics in Post-communist Russia** John Lowenhardt,2013-01-11 Political parties are the fabric of

democratic politics In 1991 a new Russia emerged after seven decades of one party dictatorship claiming to be on the road towards democracy In this volume the authors analyse the many contradictions dilemmas and paradoxes of reconstituting free party politics and democratic rule in a severely traumatized country Frequently from a comparative perspective they deal with a range of topics from the behaviour of the new parties in parliament the role of ideology in cementing party organizations to the character and prospects of the transient Russian party system

### **Post-Imperial Democracies**

Stephen E. Hanson,2010-07-05 This book examines the causal impact of ideology through a comparative historical analysis of three cases of post imperial democracy the early Third Republic in France 1870 86 the Weimar Republic in Germany 1918 34 and post Soviet Russia 1992 2008 Hanson argues that political ideologies are typically necessary for the mobilization of enduring independent national party organizations in uncertain democracies By presenting an explicit and desirable picture of the political future successful ideologues induce individuals to embrace a long run strategy of cooperation with other converts When enough new converts cooperate in this way it enables sustained collective action to defend and extend party power Successful party ideologies thus have the character of self fulfilling prophecies by portraying the future polity as one organized to serve the interests of those loyal to specific ideological principles they help to bring political organizations centered on these principles into being

### **The British Study of Politics in the Twentieth Century**

Jack Hayward,Brian Barry,Archie Brown,2003-05-01 The distinctive strength of political science in Britain is revealed in this indispensable guide to modern British scholarship in the field As well as charting the development of the discipline the essays examine the innovative contributions to the study of nationalism totalitarianism and authoritarianism and the influential British approach to international relations The fourteen distinguished authors have provided a major contribution to our understanding of the contemporary state of political science

### **Comparative Politics**

Jeffrey Kopstein,Mark Lichbach,2005-09-05 Now in a completely updated second edition this textbook has become a favorite for the introductory undergraduate course in comparative politics It features ten theoretically and historically grounded country studies that show how the three major concepts of comparative analysis interests identities and institutions shape the politics of nations Throughout the presentation countries appear in the context of a changing global order that creates challenges to each country s path of development These challenges frequently alter domestic interests and identities and force countries to find new institutional solutions to the problems of modern politics Written in a style free of heavy handed jargon and organized to address the concerns of contemporary comparativists this textbook provides students with the conceptual tools and historical background they need to understand the politics of our complex world

### ***Between Dictatorship and Democracy***

Michael McFaul,Nikolay Petrov,Andrei Ryabov,2010-04 For hundreds of years dictators have ruled Russia Do they still In the late 1980s Soviet President Mikhail Gorbachev launched a series of political reforms that eventually allowed for competitive elections the emergence of an independent press the formation of political parties and the sprouting of civil society After the collapse of

the Soviet Union in 1991 these proto democratic institutions endured in an independent Russia But did the processes unleashed by Gorbachev and continued under Russian President Boris Yeltsin lead eventually to liberal democracy in Russia If not what kind of political regime did take hold in post Soviet Russia And how has Vladimir Putin s rise to power influenced the course of democratic consolidation or the lack thereof Between Dictatorship and Democracy seeks to give a comprehensive answer to these fundamental questions about the nature of Russian politics Contemporary Russian Politics Neil Robinson,2019-04-16 Vladimir Putin s return to the Kremlin for a fourth presidential term in 2018 has seen Russian democracy weaken further and Russia s relations with the West deteriorate seriously Yet within Russia Putin s position remains unchallenged and his foreign policy battles have received widespread public support But is Putin as safe as his approval ratings lead us to believe And how secure is the regime that he heads In this new book Neil Robinson places contemporary Russian politics in historical perspective to argue that Putin s regime has not overcome the problems that underpinned the momentous changes in twentieth century Russian history when the country veered from tsarism to Soviet rule to post communist chaos The first part of the book outlining why crises have been perennial problems for Russia is followed by an exploration of contemporary Russian political institutions and policy to show how Putin has stabilised Russian politics But while Putin s achievements as a politician have been considerable in strengthening his personal position they have not dealt successfully with the enduring problem of the Russian state s functionality Like other Russian rulers Putin has been much better at establishing a political system that supports his rule than he has at building up a state that can deliver material wealth and protection to the Russian people As a result Robinson argues Russia has been and remains vulnerable to political crisis and regime change **Russian Politics Today** Susanne A. Wengle,2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment *Making and Breaking Democratic Transitions* Vladimir Gel'man,Sergei Ryzhenkov,Michael Brie,2005-01-12 Focusing on the vastly different outcomes of post Soviet regime transitions this study explores why some societies have become more democratic and some have not Based on in depth comparative analyses the book assesses political developments in six of Russia s regions Saratov Nizhnii Novgorod Volgograd Ryazan Ul yanovsk and Tver oblasts since 1988 The authors consider the influence of Soviet governance systems on the emergence of cleavages and new actors in the post Soviet period They also analyze the impact of institutional changes on regional regimes and the success or failure of formal institutions as a framework for political competitiveness Placing their detailed field data within the larger comparative and theoretical context of political transitions the authors are able to explain the mixed outcomes of post communist regime change in Russia and other post Soviet nations With its innovative model of path contingent democratization and its new typology of political regimes and regime transitions this book will be essential reading for all

scholars of democracy

## **Russias Politics Of Uncertainty Introduction**

In today's digital age, the availability of Russias Politics Of Uncertainty books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russias Politics Of Uncertainty books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russias Politics Of Uncertainty books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russias Politics Of Uncertainty versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russias Politics Of Uncertainty books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russias Politics Of Uncertainty books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russias Politics Of Uncertainty books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russias Politics Of Uncertainty books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russias Politics Of Uncertainty books and manuals for download and embark on your journey of knowledge?

### **FAQs About Russias Politics Of Uncertainty Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russias Politics Of Uncertainty is one of the best book in our library for free trial. We provide copy of Russias Politics Of Uncertainty in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russias Politics Of Uncertainty. Where to download Russias Politics Of Uncertainty online for free? Are you looking for Russias Politics Of Uncertainty PDF? This is definitely going to save you time and cash in something you should think about.
