Russias Road From Peace To War Soviet Foreign Relations 1917 1941

Frank N. Magill

Russias Road From Peace To War Soviet Foreign Relations 1917 1941:

Russia's Road from Peace to War Louis Fischer,1979 *A History Of Russia Volume 2* Walter G. Moss,2004-10-01
Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

Russia's Road from Peace to War Louis Fischer,1969 *Russian and Soviet Diplomacy, 1900-39* Alastair Kocho-Williams,2011-12-13 Addressing the impact of the Russian Revolution and change and continuity in diplomacy during the transition from Empire to Soviet Union this book examines how Russia s diplomacy was conducted the diplomats behind it the establishment of the Soviet diplomatic corps and the steps taken to integrate the Soviets into the diplomatic world

The Soviet Union and Communist China 1945-1950: The Arduous Road to the Alliance Dieter Heinzig,2015-06-18
Drawing on a wealth of new sources this work documents the evolving relationship between Moscow and Peking in the twentieth century Using newly available Russian and Chinese archival documents memoirs written in the 1980s and 1990s and interviews with high ranking Soviet and Chinese eyewitnesses the book provides the basis for a new interpretation of this relationship and a glimpse of previously unknown events that shaped the Sino Soviet alliance An appendix contains translated Chinese and Soviet documents many of which are being published for the first time The book focuses mainly on Communist China s relationship with Moscow after the conclusion of the treaty between the Soviet Union and Kuomintang China in 1945 up until the signing of the treaty between Moscow and the Chinese Communist Party in 1950 It also looks at China s relationship with Moscow from 1920 to 1945 as well as developments from 1950 to the present The author reevaluates existing sources and literature on the topic and demonstrates that the alliance was reached despite disagreements and distrust on both sides and was not an inevitable conclusion He also shows that the relationship between the two Communist parties was based on national interest politics and not on similar ideological convictions *Soviet*

Foreign Policy, 1930-33 J. Haslam,1983-09-01 **America's Secret War against Bolshevism** David S. Foglesong,2014-02-01 From the Russian revolutions of 1917 to the end of the Civil War in 1920 Woodrow Wilson s administration sought to oppose the Bolsheviks in a variety of covert ways Drawing on previously unavailable American and Russian archival material David Foglesong chronicles both sides of this secret war and reveals a new dimension to the first years of the U S Soviet rivalry Foglesong explores the evolution of Wilson s ambivalent attitudes toward socialism and revolution before 1917 and analyzes the social and cultural origins of American anti Bolshevism Constrained by his espousal of the principle of self determination by idealistic public sentiment and by congressional restrictions Wilson had to rely on secretive methods to affect the course of the Russian Civil War The administration provided covert financial and military aid

to anti Bolshevik forces established clandestine spy networks concealed the purposes of limited military expeditions to northern Russia and Siberia and delivered ostensibly humanitarian assistance to soldiers fighting to overthrow the Soviet government In turn the Soviets developed and secretly funded a propaganda campaign in the United States designed to mobilize public opposition to anti Bolshevik activity promote American Soviet economic ties and win diplomatic recognition from Washington

Soviet Studies in Social Sciences Zafar Imam,1981 Translations of twelve articles selected from Russian academic journals and research publications

Aspects of Soviet Policy Toward Latin America Bernard Loeffke,1974

The 20th Century Go-N Frank N. Magill,2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography

The Vision of Anglo-America Henry Butterfield Ryan,2004 This study demonstrates the importance of the decline of British power in the creation of the Cold War

World Communism, 1964-1969, a Selected Bibliography United States. Congress. Senate. Committee on the Judiciary,1971

Stalin In Power Robert C Tucker,1992-05-05 Explains the motivations personality and actions of the man under whose rulership millions of Russians perished

Deadly Imbalances Randall L. Schweller,1998 Scholars frequently portray the Second World War as an epic morality play driven by a villain Hitler and a sinner Chamberlain Deadly Imbalances offers a new approach combining both the attributes of states and the structure of the international system to explain the origins and causes of the war Central to Schweller s analysis is the argument that the structure of the international system was tripolar with Germany the Soviet Union and the United States as the three central powers and that this needs to be considered in any examination of the antecedent causes and crucial events of the war

Trotsky and the Problem of Soviet Bureaucracy Thomas M. Twiss,2014-05-08 During the twentieth century the problem of post revolutionary bureaucracy emerged as the most pressing theoretical and political concern confronting Marxism No one contributed more to the discussion of this question than Leon Trotsky In Trotsky and the Problem of Soviet Bureaucracy Thomas M Twiss traces the development of Trotsky s thinking on this issue from the first years after the Bolshevik Revolution through the Moscow Trials of the 1930s Throughout he examines how Trotsky s perception of events influenced his theoretical understanding of the problem and how Trotsky s theory reciprocally shaped his analysis of political developments Additionally Twiss notes both strengths and weaknesses of Trotsky s theoretical perspective at each stage in its development

Witnessing Stalin's Justice Kelly J. Evans,Jeanie M. Welch,2023-08-10 Witnessing Stalin s Justice brings together contemporary American reactions to the Moscow show trials and analyses them to understand their impact on US Soviet

relations Held between 1936 and 1938 the show trials made false charges such as espionage sabotage and counter revolutionary plotting at the behest of the exiled Leon Trotsky to condemn the veteran Party leaders who had founded the Communist Party and led the Russian Revolution Using eyewitness accounts by American diplomats and foreign correspondents for the American press as well as official US government sources this book highlights the wildly different reactions seen from liberals radicals intellectuals and mainstream media Evans and Welch show how fractures of opinion ran through every level of US society and divided political groups especially between the American Communist party and other left wing organisations Covering the closed trials of the Soviet military the Soviet anti foreigner campaign and the Dewey Commission as well as the show trials themselves Witnessing Stalin s Justice uncovers and brings together American reactions to the Soviet Union s Great Purge

Modernising Lenin's Russia Anthony Heywood,1999-08-19 In this book Anthony Heywood reassesses Bolshevik attitudes towards economic modernization and foreign economic relations during the early Soviet period Based on hitherto unused Russian and Western archives he examines an extraordinary decision made in March 1920 to import vast quantities of railway equipment The book argues that under War Communism and the NEP railway modernization was vital to a strategy of rapid economic modernization and provides the first detailed case study of the government s import policy Following the histories of the principal contracts it analyses Soviet foreign trade as a means to tackle domestic economic challenges This book provides readers with a new perspective on Soviet economic development and reveals the scale of Bolshevik business dealings with the capitalist West immediately after the Revolution
