Rustlers Of Silver River:

Rustlers of Silver River Zane Grey, 1986 **Zane Grey's Wild West** Victor Carl Friesen, 2013-11-19 This is a literary discussion of one half of Zane Grey's Westerns selected to best show the broad scope of this popular author's interests in the West. The text explains how these novels work while pointing out Grey's ecological concern for the natural world its vastness color and beauty. Wild nature provides a powerful setting but is a determinant of action and of character too. The range of subjects encompasses not only cowboys but also prospectors foresters and other frontiersmen from the end of the Revolutionary War to the flapper era of the 1920s. World War I veterans including an American Indian are portrayed in several books and women are colorful main protagonists in others all uniquely characterized. Grey's sure ear for dialogue is key to his vivid presentation of the ideals of the Old West.

Backcasts Samuel Snyder, Bryon Borgelt, Elizabeth Tobey, 2016-07-11 Many of us probably would be better fishermen if we did not spend so much time watching and waiting for the world to become perfect. Norman Maclean. Though Maclean writes of an age-old focus of all anglers the day's catch he may as well be speaking to another deeper accomplishment of the best fishermen and fisherwomen the preservation of natural resources. Backcasts celebrates this centuries-old confluence of fly fishing and conservation. However religious however patiently spiritual the tying and casting of the fly may be no angler wishes to wade into rivers of industrial runoff or cast into waters devoid of fish or full of invasive species like the Asian carp. So it comes as no surprise that those who fish have long played an active foundational role in the preservation management and restoration of the world's coldwater fisheries. With sections covering the history of fly fishing the sport's global evolution from the rivers of South Africa to Japan the journeys of both native and nonnative trout and the work of conservation organizations such as the Federation of Fly Fishers and Trout Unlimited. Backcasts casts wide. Highlighting the historical significance of outdoor recreation and sports to conservation in a collection important for fly anglers and scholars of fisheries ecology conservation history and environmental ethics. Backcasts explores both the problems anglers and their organizations face and how they might serve as models of conservation in the individual trout streams watersheds and landscapes through which these waters flow.

Rogue River Feud Zane Grey, 2016-02-23 Along the notorious Rogue River gold seekers crazed by the discovery of nuggets that made them rich overnight are at war with one another. The river itself swarms with salmon bringing along with them another kind of wealth and violent fighting between fishermen and the fish packing monopoly. Into this scene comes Keven Bell returning to face life after being handicapped by a disfiguring wound he received in World War I. Keven teams up with a broken down fisherman and boatbuilder. When they try to buck the salmon packing monopoly they encounter violence and trickery their boat is sunk and they are left to swim for their lives. Keven is tended to by Beryl the daughter of a gold miner. His convalescence is slow but the autumn days fishing and camping make a woodland dream of romance. But no sooner has an operation straightened out Keven's injuries than he is framed on a charge of murder in the salmon packing war. Keven

must carry on as best he can along with what help Beryl and her old father can give to clear his name and ensure his and Beryl's safety on the turbulent Rogue Zane Grey's vigorous storytelling and portrayal of violence in the wild make this novel one of his best There is a deep emotional feeling for nature in the raw for the great salmon runs and for the clashes of men fighting for gold Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Grey and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home *The Country Gentleman*, 1929 **Zane Grey** Thomas H.
