Erika Schickel, 2021-08-10 This complex memoir shows what it was like growing up in the shadow of a literary father and a
neglectful mother getting thrown out of boarding school after being seduced by a teacher and all of the later life
consequences that ensue In 1982 Erika Schickel was expelled from her East Coast prep school for sleeping with a teacher
She was that girl rebellious precocious and macking for love Seduced caught and then whisked away in the night to avoid

bohemian boarding school in the Berkshires The Big Hurt tells two coming of age stories one of a lost girl in a predatory
world and the other of that girl grown up who in reckoning with her past ends up recreating it with a notorious LA crime
novelist blowing up her marriage and casting herself into the second exile of her life The Big Hurt looks at a legacy of shame
handed down through a maternal bloodline and the cost of epigenetic trauma It shines a light on the haute culture of 1970s
