Hayes James Quay Howard,2016-05-13 The conclusions which we draw from the examination of the records of the ancestral descent of Rutherford B Hayes are that his progenitors have in each generation displayed courage and capacity to fight limited only by the strength of the enemy to hold out It was a habit they had to fight on the side in the right and on the side that won Three of his immediate ancestors Elias Birchard Israel Smith and Daniel Austin gave proofs of valor and patriotism in the War of Independence Another characteristic of the Hayes stock is the almost uniform tendency toward longevity It is a robust race presenting an extraordinary number of large families

**The Life, Public Services, and Select Speeches of Rutherford B. Hayes** J. Q. Howard,2016-03-14 Rutherford B Hayes is today best remembered for serving his one term as President of the United States 1877 to 1881 But how did he become the person who was elected in 1876 This classic biography first published in late 1876 before the election shows where Rutherford Hayes came from how he grew to be the man he became and how the politician evolved from his school law and military careers to his time in Congress his three terms as governor of Ohio and then his nomination to the Presidency Historian J Q Howard drew liberally from Hayes public documents and pronouncements and includes many letters and speeches written by Hayes in order to draw this picture of the man who soon after the publication of this book became the 19th President Also included are the complete texts of six important speeches from Hayes non consecutive terms as governor This new edition of the classic biography shows President Hayes from a viewpoint nearly impossible to get today written as it was before Hayes election while he was a current political figure on the rise About the author from the Report of Herbert Putnam the Librarian of Congress for the fiscal year ending June 30 1913 Another death during the past year particularly to be noted was that of James Quay Howard Born in 1836 Mr Howard had had a varied experience before coming to the Library having been successively principal of an academy a lawyer United States consul at St Johns New Brunswick editor of the Ohio State Journal and an official in the Customs Service at New York where in 1880 he became appraiser For two years he served as a special agent of the United States Census Entering the Library in 1894 first in the copyright work he was in 1897 assigned to the charge of the Congressional Reference library which position he held at the time of his death

with his headquarters in the Representatives Reading Room Mr Howard was of serious and scholarly mind and his studies were coterminous with his long career His contributions to public journals were numerous and a campaign life of Lincoln which he wrote has been termed the first signed biography of Lincoln ever published Mr Howard also wrote a campaign biography of Rutherford B Hayes and he was the author of a History of the Louisiana Purchase State of the Union Addresses of Rutherford B.
