(Second Edition) James Renshaw,2019-12-12 In Search of the Romans is a lively and informative introduction to ancient Rome Making extensive use of ancient sources and copiously illustrated with photographs drawings maps and plans now for the first time in colour its opening two chapters guide the reader through the events of Roman history from the foundation of the city to the fall of the empire Subsequent chapters introduce the most important aspects of the Roman world the army and the provinces religion society and entertainment the final two chapters focus on Pompeii and Herculaneum the two cities destroyed by Vesuvius New to this edition are sections on the Augustan principate on the Roman army on life in the provinces and on engineering innovations while the existing text is revised throughout The narrative includes descriptions of many individuals from the Roman world drawn from a variety of social settings Activity boxes and further reading lists throughout each chapter aid students understanding of the subject Review questions challenge students to read further and reflect on some of the most important social political and cultural issues of ancient Rome as well as to compare them with those of their own society The new edition is supported by a website that includes images maps and timelines further reading and related links **Prophets and Patriots** Ruth Braunstein,2017-05-23 Introduction Becoming active citizens Narratives of active citizenship Putting faith in action Holding government accountable Styles of active citizenship Conclusion

Spiritual Building Blocks Marshall Welch,2015-09-26 Spiritual Building Blocks takes the greatest commandment and uses it as the cornerstone in building a spiritual foundation to help notice Gods presence in our everyday lives Part 1 begins by unpacking the greatest commandment into six essential parts God the self our neighbor our head our heart and our hands The opening chapters answer common questions about spirituality and its relationship with religion Part 2 presents a variety of spiritual practices and exercises using our head heart and hands as building blocks to nurture our spiritual lives as we love God the self and our neighbors Some of these practices may be new while others may be familiar but reframed in a new way Personal stories by everyday people illustrate many of these exercises Spiritual Building Blocks was written for individuals or small groups interested in deepening their spiritual lives The Sabbath Recorder ,1906 **Relig-ish** Rachelle Mee-Chapman,2016-07-26 When it comes to religion choose one is no longer your only option You can be spiritual but not religious or not particularly religious at all yet still have a robust system of beliefs and values that guides you Creating your own set of eclectic spiritual practices is not a sign that you are a faith less person but rather a faith ful person responding with honesty to an increasingly expanding world If faithfully attending church isn t helping you live out your values in everyday ways becoming relig ish may be the answer Rachelle Mee Chapman s new book Relig ish will help you Create a set

of spiritual practices that fit into your daily life and honor the things you value most Develop right fit spiritual practices for yourself and your family outside of going to church Shake off harmful religious messages and embrace truths that won't damage yourself or your soul Build bridges towards your religious family members by identifying the common values that are the bedrock beneath your beliefs Discover that your soul is not at risk and you are not lost in your wondering wandering post church world Personal recollections.
