Sabbath In Puritan New England:

Sabbath in Puritan New England Alice Morse Earle, 2018-09-21 Reproduction of the original Sabbath in Puritan New England by Alice Morse Earle **Sabbath in Puritan New England** Alice Morse Earle, 2024-03-11 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **The Sabbath in Puritan New England** Alice Morse Earle, 2023-11 The book The Sabbath in Puritan New England authored by Alice Morse Earle provides an insightful look at the religious and cultural significance of the Sabbath in early colonial America Earle uses research and a sharp historical perspective to dive into the Sabbath's significance in molding the lives and aspirations of Puritan communities The literary work investigates the Sabbath's strict adherence which was a cornerstone of Puritan society and how it shaped not only religious events but also the community's daily activities and social relationships Earle examines how the Sabbath affects several elements of life including as worship and family interactions as well as business operations and relaxation Earle's story clearly shows the intricacies of the Puritan Sabbath emphasizing the clash between religious dedication and evolving societal demands **The Sabbath in Puritan New England** Alice Morse Earle, 1891 **The Sabbath in Puritan New England.** By Alice Morse Earle, 2016-07-22 Alice Morse Earle April 27 1851 February 16 1911 was an American historian and author from Worcester Massachusetts She was christened Mary Alice by her parents Edwin Morse and Abby Mason Clary On 15 April 1874 she married Henry Earle of New York changing her name from Mary Alice Morse to Alice Morse Earle Her writings beginning in 1890 focussed on small sociological details rather than grand details and thus are invaluable for modern social historians She wrote a number of books on colonial America and especially the New England region such as Curious Punishments of Bygone Days She was a passenger aboard the RMS Republic when while in a dense fog that ship collided with the SS Florida During the transfer of passengers Alice fell into the water Her near drowning in 1909 off the coast of Nantucket during this abortive trip to Egypt weakened her health sufficiently that she died two years later in Hempstead Long Island **The Sabbath in Puritan New England** Alice Morse Earle, 1893 Excerpt in the Catalogue as Lot 531 Psalmes other editions 1630 to 1675 black letter a parcel and tightened the string just as Alfred came to lay it on the table A cool blooded coolness seized me and advancing to the table behind Mr Lilly I quietly bid in a perfectly natural tone Sixpence and so the bids went on increasing by sixpence until half a crown was reached and Mr Lilly had loosened the string Taking up this very volume he turned to me and remarked that This looks a rare edition Mr Stevens don't you think so I do not remember having seen it before and raised the bid to five shillings I replied that I had little doubt of its rarity though comparatively a late edition of the Psalms at the same time gave Mr Wilkinson a six penny nod Thenceforth a spirited competition arose between Mr Lilly and myself until finally the lot was knocked down to Stevens for nineteen shillings I then called out with perhaps more energy than discretion Delivered On pocketing this volume leaving the other seven to take the usual course Mr Lilly and others inquired with some

curiosity What rarity have you got now Oh nothing said I but the first English book printed in America There was a pause in the sale while all had a good look at the little stranger Some said jocularly There has evidently been a mistake put up the lot again Mr Stevens with the book again safely in his pocket said Nay if Mr Pickering whose cost mark of 3s did not recognize the prize he had won certainly the cataloguer might be excused for throwing it away into the hands of the right person to rescue appreciate and preserve it I am now fully rewarded for my long and silent hunt of seven years On reaching Morley s I eagerly collated the volume and at first found it right with all the usual signatures correct The leaves were not paged or folioed But on further collation I missed sundry of the Psalms enough to fill four leaves

The Sabbath in Puritan New England Morse Alice Earle,2007-06-01 *Sabbath in Puritan New England* Earle Alice Morse,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Imagining New England Joseph A. Conforti,2003-01-14 Say New England and you likely conjure up an image in the mind of your listener the snowy woods or stone wall of a Robert Frost poem perhaps or that quintessential icon of the region the idyllic white village Such images remind us that as Joseph Conforti notes a region is not just a territory on the ground It is also a place in the imagination This ambitious work investigates New England as a cultural invention tracing the region s changing identity across more than three centuries Incorporating insights from history literature art material culture and geography it shows how succeeding generations of New Englanders created and broadcast a powerful collective identity for their region through narratives about its past Whether these stories were told in the writings of Frost or Harriet Beecher Stowe enacted in historical pageants or at colonial revival museums or conveyed in the pages of a geography textbook or Yankee magazine New Englanders used them to sustain their identity revising them as needed to respond to the shifting regional landscape
