Sabers West:

Sabers West (A Long-Knives Western Book 2), 2016 At war's end Guy DuBose, owning no skill except soldiering, joined up with the U.S. Army, donning the same Yankee blue he'd been lining up in his rifle sights for the last five bloody years. Quartered with society's lowliest at Fort Linden, the unreconstructed Rebel, found himself in a whole other kind of shooting match this time on the wild Texas frontier. But fighting was fighting, be his opponent Bluebelly or Redskin, and where the gunsmoke was the thickest was where Guy DuBose aimed to be. For Fort Linden's commander, Captain Gordon Blackburn, however, the lives of a few insignificant Johnny Rebs was a small price to pay for a seat behind a Washington desk. Either Sergeant DuBose and his misfits would earn their Captain a hero's reputation or they'd end up watering down the Texas dust with their blood.

California Sabers McLean, 2000-12-22 California Sabers is the story of the California Hundred and Battalion, the only organized group of Californians to fight in the East during the Civil War. The 500 select men volunteered their enlistment bounty to pay their passage across Panama and on to Massachusetts, where they became the cadre of the 2nd Massachusetts Cavalry. Book jacket front flap.

U.S. Swords Arthur Wyllie, 2008-11-16 This is the definitive work on American swords. It covers all regulation military models from 1790-1917; it lists all fraternal groups that used swords and shows the various types of swords used by those groups and has a detailed makers and dealers section that gives exacting detail of every type of sword made by that dealer. A list of Civil War inspectors' initials is included in the back of the book. Heavily illustrated. A MUST for all American sword collectors and historians.

Ordinance, 1992 **Show Thyself a Man** Gregory Mixon, 2024-03-26 Georgia Historical Records Advisory Council award for Excellence in Research in Using the Holdings of Archives. The history of Black militias in Georgia after the Civil War and their importance in defining citizenship. In *Show Thyself a Man*, Gregory Mixon explores the ways in which African Americans in postbellum Georgia used militia service after the Civil War to define freedom and citizenship. Independent militias empowered them to get involved in politics, secure their own financial independence, and mobilize for self-defense. As whites and blacks competed for state sponsorship of their militia companies, African Americans sought to establish their roles as citizens of their country and their state. They proved their efficiency as militiamen and publicly commemorated black freedom and progress with celebrations such as Emancipation Day and the anniversaries of the Civil War Amendments. White Georgians, however, used the militia as a different symbol of freedom to ensure not only the postwar white right to rule but to assert states' rights. This social, political, and military history examines how Black militias were integral to the process of liberation, Reconstruction, and nation building that defined the latter half of the nineteenth century South. A volume in the series *Southern Dissent*, edited by Stanley Harrold and Randall M. Miller.

Empire and Liberty Virginia Scharff, 2015-04-09 *Empire and Liberty* brings together two epic subjects in American history: the story of the struggle to end slavery that reached a violent climax in the Civil War and the story of the westward expansion of the United States. Virginia Scharff and the contributors to this volume show how the West

shaped the conflict over slavery and how slavery shaped the West in the process defining American ideals about freedom and influencing battles over race property and citizenship This innovative work embraces East and West as well as North and South as the United States observes the 2015 sesquicentennial commemoration of the end of the Civil War A companion volume to an Autry National Center exhibition on the Civil War and the West Empire and Liberty brings leading historians together to examine artifacts objects and artworks that illuminate this period of national expansion conflict and renewal
