Current Formal Aspects of Spanish Syntax and Semantics Melvin González-Rivera, Sandro Sessarego, 2012-04-25

This book is a compilation of articles on different aspects of Spanish grammar in the areas of current theoretical syntax and semantics. The issue brings together scholars working on some formal aspects of Spanish predicative complementation e.g. deque, smó, neuter demonstrative pronouns, the subject of Psych verbs, the nature of non verbal predication and the internal structure of the Determiner Phrase (DP) of gender variation among other topics. Linguists and philologists with interests in Spanish and/or in other Romance languages are the main target audience. The book will appeal also to researchers and students specializing in generative grammar, semantics and in the syntax semantics interface. It will also be of interest to historical linguists and dialectologists addressing theoretical formal issues of Afro-Bolivian Spanish. The research in this book points to a cohesiveness in Spanish linguistics that lies in the integration of up to date empirically based linguistic research with current theoretical assumptions on the nature of syntax and semantics.

A Dictionary of the Spanish and English Languages Mariano Velázquez de la Cadena, 1870 SPANISH DELE EXAM - Level B2 Gaboch, SPANISH DELE EXAM

Level B2 This book is primarily intended to help Spanish learners in achieving great performance on the Spanish DELE exam specifically for the level B2. In addition, it may also assist native speakers of Spanish who want to acquire, refresh or improve their knowledge to become linguistic educators. It is important to highlight that speaking a language does not guarantee success in a specific examination. This is due to the structured design of the test with particular questions which aim to evaluate the diverse skills of the language learners. There is a variety of questions organized by tasks and for the 3 main abilities: Reading, Writing and Listening. For the speaking part, only general guidance is given in this book. The exercises were meticulously prepared by professional experienced native speakers of Spanish. Furthermore, the answers of all the exercises are provided along with the transcriptions and English translations. Access to the audios is available as well from our website. Details of what is included in this book:

DELE Level B2 Reading It includes 4 full tasks. Each task has 3 different categories called Examples. Each example has diverse types of exercises following the same format of the original exam. Each exercise has at least 5 questions. Each question has its respective answer. Translations into English are included. All the exercises were prepared by professional experienced native speakers of Spanish.

DELE Level B2 Writing It includes 2 full tasks. Each task has 3 different categories called Examples. Each example has diverse types of exercises following the same format of the original exam. The Task1 has an audio for each Example and the writing must be based on such an audio. The Task2 has two options for each Example. The first option presents a graph and the writing must be based on such a graph. The second option has a text and the writing must be based on such a text. Each question has its respective answer. Translations into English are included. All the exercises were prepared by professional experienced native speakers of Spanish.

DELE Level B2 Listening It includes 5 full tasks. Each task has 3 different categories called Examples. Each example has diverse types of exercises following the same format of the original exam. Each exercise has at least 5 questions. Each question has its respective answer. Translations into English are included. There are 48 audio recordings which can be accessed from our website. The

audio recordings have longer durations and are more complex than those in the previous levels Each audio recording has its respective transcription All the exercises were prepared by professional experienced native speakers of Spanish By persistently and carefully studying the exercises included in this book the reader will eventually acquire the necessary confidence to secure an outstanding score in the Spanish DELE exam level B2 Without further ado let's get started
