The Regional Travel Guide for the Lowlands (Guatemala) YouGuide Ltd, **Legends and Life in Texas** Kenneth L. Untiedt, 2017-12-15 There is sometimes a fine line between history and folklore This Publication of the Texas Folklore Society features articles that tell stories about real life characters from the historical past of Texas as well as offer personal reflections about life from diverse perspectives throughout the last century These contributors go beyond merely stating facts about dates or locations or names of the events and people that can be found in court documents or genealogical records several of these authors provide a very intimate connection to the tales they share These articles are not just about people that we read about as school children and they do not merely describe how our culture used to be or how vastly it has changed rather they emphasize the ways we keep our culture alive through the retelling of the events and customs and major figures that are important enough to pass on from one generation to the next The first section covers legendary characters like Davy Crockett Mody Boatright Sam Houston and Cynthia Ann Parker from our state s past as well as people who were bigger or bolder than others yet seem to have been forgotten Some of those characters came from different countries while others are connected directly to our Texas Folklore Society family tree The second section includes works that examine songs of our youth as well as the customs and social constructs associated with music whether it s on a football field or in a prison yard The works in the final section recall memories of a simpler time when cars and home appliances lacked modern conveniences we now take for granted before Facebook and YouTube allowed us to become Internet movie stars and when it was a treat just to go and visit with family and friends Asian, African & Oceanian Dental Guide ,1995 Asian Nietzsche: A Book for All Civilizations Christopher Porto, In Asian Nietzsche I have attempted to re create the philosophical conversation and partly by means of humor and surprising references to popular culture sex and lingerie make accessible to contemporary audiences discussions of the comparative study of ideas religions nations and civilizations This includes an inquiry into the origins of fundamental or revolutionary creativity as compared to the far more common phenomenon across societies and world history namely relative cultural stasis or a lack of fundamental creativity and innovation Palimpsests of Religious Encounter in Asia, 1500-1800 ,2025-06-18 During the thick globalism of the early modern world evidence of religious contact between conflict and commerce has been overlooked in national narratives In Palimpsests of Religious Encounter in Asia 1500 1800 a cross disciplinary group of international experts delve into on site artefacts and archives to consider the geographical imagination the transfer of knowledge the politics of interreligious dialogue the practice of reception and the cyclical flow of meaning across transcultural things Illustrations of objects rarely available to the public demonstrate how religious belief can provide a shared methodological platform for the global turn of art history Contributors Francis X Clooney S J Fayaz A Dar Antonio De Caro Michiko Fukaya Kayo Hirakawa Ren B Javellana S J Emy Merin Joy Zubair Khalid Edith Llamas Camacho Sidh Losa Mendiratta Mia M Mochizuki D Max Moerman Rapha le Preisinger Dhruv
