Sacagawea Of The Lewis And Clark Expedition:

Sacagawea and the Lewis & Clark Expedition Charles River Charles River Editors, 2018-01-20 Includes pictures of important people places and events Includes passages from the journals of Lewis and Clark Explains Sacagawea's role in the expedition and the legends of her life and death Includes a Bibliography for further reading Your woman who accompanied you that long dangerous and fatiguing rout to the Pacific Ocean and back deserved a greater reward for her attention and services on that rout than we had in our power to give her at the Mandans William Clark in a letter to Sacagawea's husband Ocean in view O The Joy William Clark journal entry dated November 7 1805 It is the most fabled and storied journey in American history From 1804 1806 the first expedition across the North American continent was commissioned by President Thomas Jefferson who had recently bought a vast swath of territory from France Though he knew he had bought a huge amount of land Jefferson wasn't entirely sure of what he had bought so he asked a team led by Meriwether Lewis and William Clark to traverse the continent until they reached the Pacific studying everything from the ecology to geography along the way to get an understanding of the country's new region Lewis and Clark would find far more than they bargained for The 33 members who made the trip came into contact with about two dozen Native American tribes many of whom helped the men survive the journey Though they suffered deaths on their way west the group ultimately reached the Pacific coast and got back to St Louis in 1806 having drawn up nearly 150 maps and giving America a good idea of much of what lay west Sacagawea is one of the most famous Native American women in American history and few played such a central role in the settlement of the West for the young nation As a young woman who was married to a French trapper from Quebec Sacagawea happened to be in the right place at the right time for the legendary Lewis and Clark expedition which set off for the Pacific coast after President Thomas Jefferson negotiated the Louisiana Purchase with France The young Shoshone girl acted as a guide and interpreter for the expedition helping it safely travel thousands of miles west from North Dakota to the Pacific over unfamiliar ground and amongst unfamiliar peoples Put simply the expedition could not have succeeded without her Sacagawea's role in the Lewis and Clark expedition made her a national figure and she continued to be popularized in literature and even among groups advocating for women's rights Sacagawea is still taught to every American in school and stands alongside Pocahontas as the most famous Native American woman even though few people knew much about her life aside from her role in the trek For that reason few truly know about her life her tribe or her death the latter of which is still controversial At the same time given the history and conflicts between the United States and various Native American tribes during the 19th century Sacagawea's role in helping the nation push westward at the expense of Native Americans has taken on a more mixed and controversial character Sacagawea and the Lewis Clark Expedition

Sacagawea Marion M. Brown,1988-10 Relates the story of the young Shoshoni Indian woman who acted as a guide and interpreter for the Lewis and Clark expedition

Sacagawea, Meriwether Lewis, and William Clark Sheila Llanas,2018-12-15 Lewis and Clark first explored the North American West more than two hundred years ago A number of Native Americans helped the duo and their crew survive their travels from 1804 to 1806 In fact one of them Sacagawea is now a legend The Shoshone

teen was married to a French Trader and became mother to a baby son Because she spoke two Native languages Sacagawea joined the Lewis and Clark expedition as a translator Together they traveled eight thousand miles to the Pacific Ocean and back no easy feat during the early nineteenth century Ever since their story has been told and retold Readers will learn how fate brought them together in life and in death

The Making of Sacagawea Donna J. Kessler, Donna Barbie Kessler, 1998-04-13 Kessler supplies both the biography of a legend and an explanation of why that legend has endured Sacagawea is one of the most renowned figures of the American West A member of the Shoshone tribe she was captured by the Hidatsas as a child and eventually became one of the wives of a French fur trader Toussaint Charbonneau In 1805 Charbonneau joined Lewis and Clark as the expedition's interpreter Sacagawea was the only woman to participate in this important mission and some claim that she served as a guide when the expedition reached the upper Missouri River and the mountainous region Although much has been written about the historical importance of Sacagawea in connection with the expedition no one has explored why her story has endured so successfully in Euro American culture In an examination of representative texts including histories works of fiction plays films and the visual arts from 1805 to the present Kessler charts the evolution and transformation of the legend over two centuries and demonstrates that Sacagawea has persisted as a Euro American legend because her story exemplified critical elements of America's foundation myths especially the concept of manifest destiny Kessler also shows how the Sacagawea legend was flexible within its mythic framework and was used to address cultural issues specific to different time periods including suffrage for women taboos against miscegenation and modern feminism
