**Holy Communion, a Spiritual Agent of Harmonious Diversity in Christ** Rev. Dr. Kevin Brown, 2024-06-21 Martin King said that the most segregated hour in America is Sunday morning alluding to the fractured condition of the universal body of Christ's followers the Church From 2002 to 2010 I had the privilege of serving as the Executive Director of a nonprofit called Operation Breaking Through serving the greater Hampton Roads area The nonprofit was a network of over one hundred local churches One of my primary responsibilities was to promote racial reconciliation and harmony between the diverse ethnic churches In most cases the demographics of these churches failed to reflect their community Most congregations were monoethnic Significant progress was evident after several years of pastoral internal and congregational external panel and group discussions Church pastors were pulpit swapping and churches were partnering in community outreach Up to this point I realized how much blood sweat tears and time I had spent encouraging pastors and congregations to recognize promote and practice fellowship and communal service Though good and somewhat effective these efforts were all physical with very little thought of spiritual application It wasn't until I was required to write a paper for a theology class at North Park that God opened my eyes to a deep understanding of the sacrament of Holy Communion Realizing that all actual Christian denominations and non dominations mandate practicing this sacrament I gleaned from my studies the spiritual connectedness all believers share in this one sacred act and the binding blood ties all believers share with the author of this sacrament In that one epiphany the dividing wall of ethnicity culture and social Christian norms fell Had Christ by instituting this faithful act woven into the DNA of our born again experience the ability for His divine love and truth to break the chains we would inevitably erect through the weakness of our humanity selfishness and pride What if this one DNA trait of holy communion could activate the true koinonia which may lay dormant in believers because of historical traditions and practices erected by human made religion What if God allowed us to see and experience the depth of spiritual love for our brothers and sisters despite our differences What if we saw communion as a remembrance of the greatest act of love known to humanity and allowed that remembrance to kindle and rekindle a spiritual intimacy between believers that overcomes our bias prejudice privilege and any barrier to the believer's oneness in Christ Holy Communion a Spiritual Agent of Harmonious Diversity in Christ explores this more profound understanding and revelatory power to breathe new life into the reading believer **A Zeal for God Not According to Knowledge** Eric Snow, 2005-03

Are the Jewish arguments against belief in Jesus as mankind's Savior any good Is Jesus Christ the promised Messiah of the Old Testament's prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can't be dismissed lightly Using solid scholarship and rigorous logic *A Zeal For God Not According to Knowledge* defends Christianity against the arguments of its Jewish critics such as Samuel Levine Michael Drazin Tovia Singer and Hyam Maccoby This book demonstrates that the New Testament is historically reliable denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices shows that Jesus of Nazareth was the promised Messiah based on the Old Testament's prophecies and proves that the New Testament teaches the Deity of Christ This book is intended for both Christians perplexed by the arguments of Jewish friends coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also *Idol Meat in Corinth* Wendell Willis, 2004-06-15 This work has several objectives to understand what the problem of idol meat at Corinth involved to establish the attitude of the Corinthians to this issue what course of conduct had they followed or proposed to follow and how did they seek to defend their position to explain the reply of Paul to the Corinthian inquiry and finally in the process of the exegesis and in the conclusions this study will seek to identify fundamental norms and themes which are operative here as a part of Paul's ethical thought [Encyclopædia of Religion and Ethics: Picts-Sacraments](#) James Hastings, John Alexander Selbie, Louis Herbert Gray, 1919 Articles on all the religions of the world and the great systems of ethics on every religious belief or custom and ethical movement on every philosophical idea and moral practice The Encyclopaedia embraces the whole range of theology and philosophy together with aspects of anthropology mythology folklore biology psychology economics and sociology Every article has been prepared by specialists Includes bibliographies and index *Library of Congress Subject Headings: F-O* Library of Congress. *The Gospel of John* Rudolf Bultmann, 2014-08-15 As the first volume in the Johannine Monograph Series *The Gospel of John* A Commentary by Rudolf Bultmann well deserves this place of pride Indeed this provocative commentary is arguably the most important New Testament monograph in the twentieth century perhaps second only to *The Quest of the Historical Jesus* by Albert Schweitzer In contrasting Bultmann's and Schweitzer's paradigms however we find that Bultmann's is far more technically argued and original commanding hegemony among other early Christianity paradigms Ernst Haenchen has described Bultmann's commentary as a giant oak tree in whose shade nothing could grow and indeed this reference accurately describes its dominance among Continental Protestant scholarship over the course of several decades

**St. Paul and the Mystery-Religions** H. A. A. Kennedy, 2017-03-10 Ours is an age of new things In no province is this more apparent than in that of New Testament interpretation And no section of the New Testament continues to stimulate more revolutionary theories than the Pauline Epistles It is true that discussions of authenticity have lost the importance assigned to them by scholars of the earlier time like Baur or by later critical investigators like Van Manen The emphasis has been shifted The primary question at issue is the essential nature of St Paul's view of the Christian faith From Chapter One
