Sacraments William H. Woestman, 1992 **Canon Law Explained** Fr. Laurence J. Spiteri ,2014-02-25 Not only inefficiency but frustration disorder anger and injustice threaten all human endeavors no matter how pure their motives or high their ideals That s why successful organizations always create employee handbooks and clear procedure manuals that delineate where authority lies how conflicts are to be resolved and above all how each organization s mission is and is not to be accomplished Is it any wonder then that the Catholic Church comprised not of 200 persons but 1 2 billion members in 200 countries also governs itself by means of a handbook which it calls the Code of Canon Law Because handbooks and manuals concern themselves with the day to day inner working of organizations they often reveal more than do news releases about the actual purposes and genuine spirit of organizations a fact that s particularly true in the case of the Catholic Church Indeed if you want to know the Church for who She is you need to be familiar with the Code of Canon Law Unfortunately it contains over 1 752 rules or canons Among them you ll find fascinating canons that lay out the Church s official principles and procedures governing matters as various as abbots and annulments scandals and Sacraments monks and missions bishops and books priests and popes synods and sacraments homeschoolers hostile witnesses baptisms burials parishes penance confessions Councils impotence imprimaturs and even marriages to the person who murdered your spouse Thankfully Vatican expert and veteran author Fr Laurence Spiteri has in the pages of Canon Law Explained relieved you of the need to read all 1 752 of them fascinating or not Here he acquaints you with the fundamental canons by which the Church seeks to bring about as it declares in the very last canon the purpose all of them serve The salvation of souls which must always be the supreme law in the Church Fr Spiteri s brief but lucid explanations of the origins and meaning of the canons make sense of much that puzzles non Catholics about our Church and that sometimes frustrates even us Catholics As he relates the Church s laws and procedures directly to Christ s command to go forth and teach all nations and to the role those laws and procedures play in your salvation and mine Fr Spiteri transforms what seem to be dry as dust rules into the sweet waters of salvation If you want to know the Church for who She is and to love Her more Canon Law Explained is the book for you **Understanding Sacramental Healing** Father John Kasza, 2022-01-07 The sacrament of the Anointing of the Sick plays a significant role in the lives of many throughout the Church but confusion over the sacrament can result in individuals not receiving this important comfort from the Church Understanding Sacramental Healing Anointing and Viaticum explores the rich history of the sacrament and addresses the changes that have occurred since the Second Vatican Council by providing a theological basis for the history and pastoral practice of the sacrament of the sick Father John Kasza offers a cohesive and concise synthesis of the disciplines of theology canon law medicine anthropology and liturgy geared toward assisting the practitioner in using the ritual to the fullest extent possible He also builds a greater appreciation of the sacrament and its part in the Church s role as healer in today s society By recognizing the theological tradition of the

sacrament of the sick Understanding Sacramental Healing Anointing and Viaticum becomes an incisive reflection on the current state of the sacrament that will bring all priest and ministers of care to a greater understanding of the sacrament The author examines The liturgical development of the sacrament in light of the Second Vatican Council The practical implementation of the sacrament in both parish and diocesan venues in the 40 years since the close of the Council The nature of illness how illness affects someone and how the Church responds to those suffering from an illness The criteria for the reception of the sacrament and how its use may be broadened *Making Amends* Linda Radzik, 2011-04-07 It is often assumed that wrongdoing can only be resolved through punishment or forgiveness But this book explores the responses that wrongdoers can and should make to their own misdeeds responses such as apology repentance reparations and self punishment It examines the possibility of atonement in a broad spectrum of contexts from cases of relatively minor wrongs in personal relationships to crimes to the historical injustices of our political and religious communities It argues that wrongdoers often have the ability to earn redemption within the moral community that respect and trust among victims communities and wrongdoers can be rebuilt and that the moral responsibility of wrongdoing groups can be addressed without treating their members unfairly **Sacraments** William H. Woestman, 1996-01-01 *Penal Law in Action* Msgr. Daly, Brendan, 2023 This book on penal law explains the main topics of penal law with cases and examples of its implementation using the changed text of Book 6 of the Code of Canon Law that will come into effect on December 8 2021 Pope Francis has revised Book 6 of the Code of Canon Law Penal Sanctions in the Church canons 1311 1399 Of these 89 canons 63 have been changed and others have been renumbered Changes include a new canon 1376 concerning the crimes of stealing and misappropriation of church property canon 1398 2 making the sexual abuse of minors by religious brothers and sisters a crime c 1398 1 no 2 making grooming a crime Other changes in canon law since 1983 have been incorporated into the new book 6 These include raising the age for sexual abuse from under age 14 to under age 18 a 1988 law imposing penalties for recording confessions penalties for the attempted ordination of a woman penalties for bishops failing to report or take sufficient measures against perpetrators of sexual abuse and for clerics using pornography of those under age 18

Das Bußsakrament im Kontext der sakramentalen Initiation von Kindern Christoph Weiss, 2018-02-26 In der lateinischen Praxis der Initiation von Kindern werden Taufe Firmung und Eucharistie durch zeitliche Abstände voneinander getrennt gespendet Im Laufe der Jahrhunderte hat sich die Praxis mehrmals verändert Einerseits variiert die Reihenfolge von Firmung und Eucharistie andererseits rückt ab dem 13. Jahrhundert das Bußsakrament zwischen die drei Initiations sakramente Der Autor stellt in seiner Dissertation den historisch-theologischen Prozess des Aufsplittens des ursprünglich einen Initiationsaktes umfassend dar und zieht daraus Schlussfolgerungen für ein neues Gesamtkonzept der Initiation von Kindern

Sharing the Eucharist Myriam Wijlens, 2000-01-19 Ecclesiastical changes resulting from the Second Vatican Council inspired a revised approach to the issue of sharing the Eucharist with those who are not in full communion with the Catholic Church In *Sharing the Eucharist* Myriam Wijlens offers a detailed analysis of the Council's schemata interventions and texts in an effort to determine the theological values that inspired subsequent policies on the issue of communion Wijlens bases her work on the notion that there ought to be an organic relationship between theological insights and the norms that govern the life of the Catholic community Her rigorous approach allows her to identify areas where there is already organic unity between the insights of Vatican II and Church legislation In the process she also reveals several matters where additional work is needed and offers suggestions for the continued implementation of the Council's vision and intent An unprecedented work that makes a genuine contribution to the ecumenical movement *Sharing the Eucharist* has great significance for religious scholars and clergy who are concerned with the unity of Christian churches Text also includes a foreword by Johannes Cardinal Willebrands the former President of the Secretariat for Christian Unity of
