**Summary of Caroline Myss's Sacred Contracts** Everest Media,2022-08-19T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I am a teacher and I love it I feel connected to the nursing part of my father s directive because of the healing effects my work has had on many people My education has been in journalism and theology but my work in medical intuition simply happened 2 I began to see images that had no apparent connection to the person I was reading These images were helpful for every person and one day in 1991 everything fell into place for me I was listening to a conversation between two women and they had immediately shared a life pattern that was noticeable in their heightened response to each other 3 I began to work with the archetypes in my readings and I began to see how they functioned within my own psyche I learned that each of us has our own personal alignment of key archetypes 4 The archetypal patterns work together to support your personal development They can be particularly helpful in healing painful memories or redirecting your life or finding a way to express your untapped creative potential      **A Voice of Reason** Sherry Petro-Surdell,2013-05-28 What you are about to read began in my heart and found its way to hand written words on 3 ring note book paper These thoughts that turn into the spoken word I call Reasonings The words were often spoken to a small group of seekers Churches often call them sermons or messages but I call them Reasonings in reference to a biblical passage in Isaiah 1 18 Come now and let us reason together saith the Lord This infers to me that it is a co creation experience I also appreciate the Rasta spiritual perspective that calls this co creation process Reasonings to understand or as Rastafarians say to overstand the ways of God      **Dolores Cannon's Teachings** K.A Wilson,2025-02-03 Dolores Cannon s Teachings A Journey Beyond the Veil is a transformative exploration of the ground breaking work of Dolores Cannon a renowned hypnotherapist and author who delved deep into the mysteries of the subconscious mind and the afterlife In this insightful guide K A Wilson brings to life Cannon s teachings offering readers a profound journey into past lives reincarnation soul development and the spiritual realms beyond Through practical wisdom and thought provoking insights this book provides a roadmap for expanding your consciousness understanding the afterlife and connecting with your higher self Dolores Cannon s Teachings guides readers on how to access their own spiritual potential tap into universal knowledge and experience personal growth through the power of past life regression and deep hypnosis Whether you re exploring spiritual awakening seeking a deeper understanding of life s purpose or curious about the mysteries of the universe this book offers an accessible and enlightening approach to uncovering the truth that lies beyond the veil      **The Secret and Its Price** Marlene Carmen Nappa,2012-07-05 The Secret and Its Price is a wonderful vivid and compassionate book which takes us on a journey into the

secret world of incest In its pages Marlene Carmen Nappa takes a risk and shares how her experience impacted her family her relationships and ultimately her entire life Her story helps the reader appreciate how our original wound may serve as a gateway to new possibilities and healing This book is like no other book I've read in the way that it captures the triumph of walking through the pain and finding the courage to speak with vulnerability and openness Charlene Tosi Founder of Woman Within Training Author of Discover Your Woman Within Marlene Carmen Nappa has written a moving memoir of childhood incestuous abuse by her father and the subtle and florid long term effects the abuse has had on her ability to develop relationships and to trust and be intimate with others Hers is a story of perseverance and determination to get beyond the abuse and its effects and it demonstrates that breaking the silence and posttraumatic growth are both possible This book is a gift for other sexual abuse survivors looking for inspiration to heal Christine A Courtois PhD ABPP Psychologist Private Practice Courtois Associates PC Washington DC Author Healing the incest wound Adult survivors in therapy Revised edition Recollections of sexual abuse Treatment principles and guidelines Treating complex traumatic stress disorders An evidence based guide with Julian Ford The treatment of complex trauma A sequenced relationship based approach with Julian Ford forthcoming late 2012 What do you do when you find yourself victimized by those you most love and trust Who is it safe to tell or is the cost of the truth too high to pay Being forced to carry a terrible secret is like living behind a high wall From that point of separation we call out silently and in vain desperately hoping that perhaps one day someone will guess the truth and liberate us from our fortress of alienation In The Secret and Its Price author Marlene Carmen Nappa leads the reader down the twisted and rocky path she traveled as the victim of childhood incest Step by step we follow her as she sets out on a journey not of her own making and slowly finds her way out of the maze to create a life on her own terms This heartbreaking story is ultimately the tale of a champion who miraculously prevails despite the profound internal fracture created by the weight of the worst possible kind of secret Readers will be invited to face their own demons reconcile their own secrets and lies and live boldly authentically and courageously as the author has learned to do devoted to the light and the truth no matter the cost
