Sacred Hoops:

Sacred Hoops Phil Jackson, 1995 Chicago Bulls coach Phil Jackson shares his experience of combining sports and spirituality to lead his team to success explaining how to nurture a positive group dynamic and detailing the methods he uses to teach his players how to think collectively overcome anger and look beyond jealousy Reprint **Sacred Hoops** Phil Jackson, 1996 Phil Jackson coach of the three time national champion Chicago Bulls explains his thoughtful approach to nurturing a positive group dynamic revealing a deeply soulful outlook based on Eastern and Native American thought He clearly details the methods he has used to teach his players how to think collectively look beyond individual jealousies overcome anger yet still play aggressively **Jumpman** Johnny Smith, 2023-11-07 How Michael Jordan's path to greatness was shaped by race politics and the consequences of fame To become the most revered basketball player in America it wasn't enough for Michael Jordan to merely excel on the court He also had to become something he never intended a hero Reconstructing the defining moment of Jordan's career winning his first NBA championship during the 1990-1991 season sports historian Johnny Smith examines Jordan's ubiquitous rise in American culture and the burden he carried as a national symbol of racial progress Jumpman reveals how Jordan maintained a mystique that allowed him to seem more likable to Americans who wanted to believe race no longer mattered In the process of achieving greatness he remade himself into a paradox universally known yet distant and unknowable Blending dramatic game action with grand evocations of the social forces sweeping the early nineties Jumpman demonstrates how the man and the myth together created the legend we remember today Phil Jackson John Fredric Evans, 2019-07-15 How did a boy who grew up in remote areas of Montana and North Dakota go on to become the National Basketball Association's all time winningest coach Phil Jackson's life story that took him from small town U S A to the pinnacle of NBA coaching success is anything but conventional Known as the Zen Master for imbuing his coaching style with the tenets of Eastern philosophy Jackson's always employed a unique approach to basketball both on and off the court Popularizing a system of play called the triangle offense Jackson won multiple championships including an unprecedented three three peats while coaching Michael Jordan's Chicago Bulls and Kobe Bryant's Los Angeles Lakers resulting in 11 championships over 20 seasons That's more than any coach in any of North America's major professional sports This biography explores Jackson's one of a kind keys to Hall of Fame success that enabled him achieve uncommon triumph in an unparalleled two decade coaching career Michael Jordan David L. Porter, 2007-07-30 With the possible exceptions of boxer Muhammad Ali and baseball player Babe Ruth no athlete has made a greater impact on American society or in the world than Michael Jordan Follow the life of one of the most recognizable athletes and living brands inside this engaging and balanced biography He is among the best known and wealthiest athletes in the history of organized sports With the possible exceptions of boxer Muhammad Ali and baseball player Babe Ruth no athlete has made a greater impact on American society or in the world than Michael Jordan Follow the life of one of the most

recognizable athletes and living brands inside this engaging and balanced biography When basketball stars Larry Bird and Magic Johnson retired in the early 1990s Michael almost single handedly propelled the NBA to stratospheric levels of success and international visibility As a player for the Chicago Bulls he generated instant crowd thrills with his record setting drives and dunks selling countless books newspapers videotapes NBA game tickets and hours of television time The NBA promoted Michael basing its popularity on his image as the greatest showman in sports history Yet his sports hero status extends beyond NBA records Michael changed the game by becoming the most effectively marketed athlete of his generation Nike and many other companies rode and continue to ride on the coattails of Air Jordan s legend Author David Porter highlights Jordan s on and off the court accomplishments and examines his relationship with Chicago Bulls coaches his commercial endorsements and his current role as part owner of the Charlotte Bobcats A chronology photos career stats and a bibliography of print and electronic resources round out this biography of one of the most influential athletes of the twentieth century

Lakota Hoops Alan Klein, 2020-06-12 For over 150 years the Lakota have tenaciously defended their culture and land against white miners settlers missionaries and the U S Army and paid the price Their economy is in shambles and they face serious social issues but their culture and outlook remain vibrant Basketball has a role to play in the way that people on Pine Ridge Indian Reservation configure their hopes for a better future and for pride in their community In Lakota Hoops anthropologist Alan Klein trains his experienced eye on the ways that Lakota traditions find a seamless expression in the sport In a variety of way such as weaving time honored religious practices into the game or extending the warrior spirit of Crazy Horse to the players on the court basketball has become a preferred way of finding continuity with the past But the game is also well suited to the present and has become the largest regular gathering for all Lakota promoting national pride as well as a venue for the community to creatively and aggressively confront white bigotry when needed Richly researched and filled with interviews with Pine Ridge residents including both male and female players Lakota Hoops offers a compelling look at the highs and lows of a community that has made basketball its own

From Season to Season Joseph L. Price, 2001

In *From Season to Season Sports as American Religion* nine scholars of religion and theology explore the relationship between religion and sports in American popular culture and the role of sports as religion *End of the Rainbow* Oliver Holt, 2010-09-16 It started in Baden Baden and ended up in tears England's 2010 World Cup odyssey had its roots in the off the field circus in a German spa town during the 2006 tournament Reacting to public and media disdain for the antics of superstar players and their

The Way of Dialogue Ronald Gordon, 2020-02-17 Distrust divisiveness and conflict run rampant in today's world Human relations are strained communication gaps and breakdowns pervade Yet whether within couples families friendships workplaces communities or institutions across our nation and planet defending our own positions and attacking those of the Other has not solved our problems Maybe it's time to explore how to communicate together in ways that bring connection and healing In our stressful era the practice of person centered dialogue offers both hope and help

That Native Thing Tim Yearington, 2025-07-13 The medicine wheel is a compass that helps us find our way using the four directions of east south west and north Symbolized by the colours yellow red black and white the four directions hold medicine that teaches us about the four parts of our human being our emotional physical spiritual and mental realms By learning to balance our realms of being we come to see that we ourselves are the guides we seek on the path of life during our earthwalk At the centre of the medicine wheel we reach our inner power Then rooted like a mighty pine we begin to grow and ascend higher into an awareness of living with intentional wholeness Encompassing the beautiful wisdom of Native philosophy the medicine wheel is a tried and true circle that teaches balance making harmony meaningful Explore the nature of your own four directions guided by the medicine wheel In seeing the true colours of your own spirit you'll be able to use the good medicine ever present within you to enhance your world

Playing with God William J. Baker, 2007-04-15 Like no other nation on earth Americans eagerly blend their religion and sports This book traces this dynamic relationship from the Puritan condemnation of games as sinful in the seventeenth century to the near deification of athletic contests in our own day

The Lakota Ghost Dance Of 1890 Rani-Henrik Andersson, 2020-04-01 A broad range of perspectives from Natives and non Natives makes this book the most complete account and analysis of the Lakota ghost dance ever published A revitalization movement that swept across Native communities of the West in the late 1880s the ghost dance took firm hold

among the Lakotas perplexed and alarmed government agents sparked the intervention of the U S Army and culminated in the massacre of hundreds of Lakota men women and children at Wounded Knee in December 1890 Although the Lakota ghost dance has been the subject of much previous historical study the views of Lakota participants have not been fully explored in part because they have been available only in the Lakota language Moreover emphasis has been placed on the event as a shared historical incident rather than as a dynamic meeting ground of multiple groups with differing perspectives In *The Lakota Ghost Dance of 1890* Rani Henrik Andersson uses for the first time some accounts translated from Lakota This book presents these Indian accounts together with the views and observations of Indian agents the U S Army missionaries the mainstream press and Congress This comprehensive complex and compelling study not only collects these diverse viewpoints but also explores and analyzes the political cultural and economic linkages among them Purchase the audio edition

The Circle of Life James David Audlin,2012-02-22 THE CIRCLE OF LIFE presents traditional oral Native American sacred teachings from the Iroquois Lakota and other traditions The author has been receiving these teachings from elders since his youth The wisdom embraces cosmology ethics epistemology metaphysics sociology psychology healing dream interpretation and more Audlin calls himself neither a spiritual teacher nor an authority but a conduit through which these oral traditions can be presented meaningfully to people in a modern world He outlines universal principles common to many traditional peoples worldwide The Red Road is available to all regardless of religion or ethnicity willing to follow its paths These paths however are often not easy and require deep personal and spiritual commitment Audlin says in his introduction If this book serves any purpose let it be to help us bring the Sacred Hoop of All the Nations back together again so we and all that lives may stand as one in silent awe before that Great Mystery

Beyond Catherine Wolff,2022-05-24 Beautifully written expertly researched and masterfully presented this tour of how heaven has been understood throughout history is absolutely fascinating James Martin SJ author of *Jesus A Pilgrimage* A smart and thought provoking cultural history of heaven What do we think of when we think about heaven What might it look like Who or what might be there Since humans began to huddle together for protection thousands of years ago these questions have been part of how civilizations and cultures define heaven the good place beyond this one From Christianity to Islam to Hinduism and beyond from the brush of Michelangelo to the pen of Dante people across millennia have tried to explain and describe heaven in ways that are distinctive and analogous unique and universal In this engrossing cultural history of heaven Catherine Wolff delves into how people and cultures have defined heaven over the centuries She describes how different faiths and religions have framed it how the sense of heaven has evolved and how nonreligious influences have affected it from the Enlightenment to the increasingly nonreligious views of heaven today Wolff looks deep into the accounts of heaven to discover what s common among them and what makes each conception distinct and memorable The result is *Beyond* an engaging thoughtful exploration of an idea that is central to our humanity and our desire to define an existence beyond death

The Hula Hoop Judith Lanigan,2009 *Toward a Native*

American Critical Theory Elvira Pulitano, 2003-01-01 Unlike Western interpretations of Native American literatures and cultures in which external critical methodologies are imposed on Native texts ultimately silencing the primary voices of the texts themselves Pulitano's work examines critical material generated from within the Native contexts to propose a different approach to Native literature Pulitano argues that the distinctiveness of Native American critical theory can be found in its aggressive blending and reimagining of oral tradition and Native epistemologies on the written page a powerful complex mediation that can stand on its own yet effectively subsume and transform non Native critical theoretical strategies BOOK JACKET
